Barker, 2014-09-01 Most people believe the best way to forget someone is to throw them down a well Or lock them in a room with eight keys or bury them at a crossroad in the thirteenth hour But they're wrong The best way to forget someone is for them never to have existed in the first place When sixteen year old Tuesday wakes from sleep for the first time she opens her eyes to a world filled with wonder and peril Left only with a letter from the person she once was Tuesday sets out to discover her past with the help of her charming and self-serving guide Quintalion Along the way she runs into mercenaries flying cities airships and a blind librarian But what is her connection with the mysterious Book of Days a book that holds untold power Just when I thought nothing new could be achieved in fantasy along comes The Book of Days K A Barker has created an extraordinary world a series of compelling landscapes and an unforgettable cast of characters All hail K A Barker for giving us something so dazzlingly different And funny too JOHN MARSDEN
