**The Shortening of the Days** Glen Carl Cutlip, 2000-10-23 *The Shortening of the Days* contains two other volumes *The Children of Eternal Day* and *The Garden of Eternity* All three volumes are concerned with the unsearchable indescribable wisdom of God and the Everlasting Gospel of one's being in God They lead one to an understanding that is beyond understanding revealing the nature of one's transcendent being that comes to understand without understanding The reconciliation of all things unto the eternal Day of God is the reconciliation of an infinity of many unto the One for the one and the many are realized to be two parts of the same thing Now is the time to take responsibility for what you are in God for now we can see how that an infinity of many share that responsibility with us And in that sense the burden is considered to be light not heavy burden The return to the Garden of Eternity is the return to one's original starting point with the awareness of how one got there a conscious entry as it were back to the core of being from out of the realm of duality of separation

*The Gospel watchman*, 1881 *They Never Told Me This in Church!* Greg S. Deuble, 2006 There is a consensus among many New Testament scholars that much of what the historical Jesus and his apostles taught has been submerged by an influx of post biblical tradition Subtle foreign influences mostly from pagan Greek philosophy which neither Jesus nor his first century followers would recognize or endorse have obscured the original Gospel as Jesus preached it Most churchgoers accept without question unbiblical traditions which they have never seriously investigated In *They Never Told Me This in Church* Greg Deuble invites the reader to a careful re examination of the faith once delivered in the light of the Hebrew heritage which formed the framework of all that Jesus taught in regard to himself and his Gospel mission From the Foreword This does not mean at all that Greg has given up faith in holy Scripture Far from it There is nothing trendy or gimmicky in his approach Rather he has learned to read the Bible

from its own Hebrew perspective and shedding a large quantity of traditional baggage has made the Bible all the more brilliant and telling Because he is an honest student of truth Greg has been rewarded with unusual insight He has a knack of getting to the heart of the issues He has brought in a wealth of modern scholarly support for his argument and the quotations gleaned from his wide reading are impressive He adds a pleasing dose of Aussie humour to his writing while he invites us to re examine all the major issues of biblical theology The personal warmth of the author and his pastoral touch are evident in all he writes They Never Told Me This in Church will inspire and challenge all who claim devotion to Jesus and many who are searching for the meaning of his role in history They will be enabled to read the Bible with new eyes The confused state of divided Christendom in our time demands just such an honest and radical investigation *The Days's of Eternity* Gordon Glasco,1983

**The Day Star** Mark S. Geston,2011-09-29 Once at the height of Earth s fabled history there was a city called Ferrin Compared to Ferrin all the cities of Earth that ever were or would be from imperial Rome to towering New York before to the city called R afterwards paled into insignificance But in the long twilight centuries that followed the fall of Ferrin memories faded and men s ambitions waned and by the time that the young man Thel heard of Ferrin no one was sure it was anything but a myth But part of an abandoned highway still passed near Thel s home and when a starry fragment from Ferrin came into Thel s possession he knew there could be no rest for him until he had followed the ruined roadway that still spanned time and space to find the truth about the Rise and Fall of Ferrin and also of all humanity s hopes **Christology of the Old Testament, and a Commentary on the Predictions of the Messiah by the Prophets** Ernst Wilhelm Hengstenberg,1839 *The American pulpit of the day, sermons by the most distinguished living American preachers* American pulpit,1875 *The Catholic's manual of instructions and devotions* ,1867 **The Days of The Absurd-Philosophical poems** Sorin Cerin, Philosophical poetry or poetic philosophy Sorin Cerin combines philosophy with poetry being the author of a philosophical system called Coaxialism but also of many volumes of philosophical poetry One of the representative poems being this with the title The Dreams of lead of the Death whose lyrics are Wax candles created from the emaciated bodies of the Non Senses of the Existence are melted by the rays of the Sacred Flames of the Love of the Divine Light which have penetrated with difficulty through the icy Darkness from the Inferno of the Absurd of the Illusions of Happiness for to give us the Wings of Angels of the Dreams with which to we fly beyond us up to the Star of Immortality without it knowing that we are being pursued by the fangs of bloody beast of the Destiny which crush us with the Dreams of lead of the Death any Memory from the Future toward which we want to go **Arcana Cœlestia. The heavenly mysteries contained in the Holy Scripture ... unfolded, etc. (Preface ... by the Rev. J. Clowes.)** Emanuel Swedenborg,1846 *Morning Communings with God; or, Devotional Meditations for every day in the year. Translated from the German by William Johnstone* Christoph Christian STURM,1823 *The Practical Handbook for Christian Living* Dr. Larry Ollison,2011-12-20 A Powerful Reference Guide for the Believer Who Wants Deeper Understanding and Direction in the

Quest for Victorious Daily Living People rarely anticipate the dramatic changes and challenges that are just out of sight over the horizon A Christian must be prepared not just mentally but deep within so that when the storms of life threaten The Day of God Tony Butler,2019-12-17 And he shall send Jesus Christ which before was preached unto you Whom the heaven must receive until the times of restitution of all things which God hath spoken by the mouth of all his holy prophets since the world began Acts 3 2021 One must come to understand that the Bible s history and revelation are not randomly told The biblical narrative drives toward a single endpoint The Day of God Once the believer realizes this he will begin to recognize the fully integrated plan of God in the Bible He will learn to read all Scripture from the perspective of its cohesion and the end to which all history and revelation point Some would say the Bible should be understood from the Resurrection of Christ backward I would contend the Bible should be viewed from the Day of God backward In this book the reader will come to a clear understanding of what the Bible means by the restitution of all things The Day of God is written dedicated and offered to help the believer understand God s revealed plan for the last days **The Latter-Day Saints' Millennial Star** ,1846

**The Works of J. G. Pike, of Derby. With a Biographical Sketch** John Gregory PIKE,1862 *Spiritual reading for every day: an introduction to the interior and perfect life, arranged in 53 lessons, made up from holy Scripture, the Devout life [of st. François de Sales] and the Imitation of Christ, by I. Le Masson* ,1879 *Abiding in God* Stephen Kaung,2018-06-28 Abiding in God is the secret of Christian life It is therefore essential for us to learn how to abide in Him Both Old and New Testament authors have emphasized the importance of abiding in God for such is the secret of walking with Him Indeed let us notice that Moses Joshua and Caleb in Old Testament times and the apostle John in New Testament times have laid stress on that fact How then can we abide in God It is not by our human effort but by the mercy of God He has made the provision and the possibility of our abiding in Him First God gave us His Son the Lord Jesus to make it possible to abide in Him And then He sent His Holy Spirit to abide in us so as to make it possible for us to experience this blessed abiding Accordingly we as the recipients of this blessed abiding must continually thank God for the Spirit s blessed abiding in us It is therefore essential for us to learn the secret of how to abide in God It requires us to give up our self life in order that we may experience this abiding life May all of us be willing to do so **The Spirit of Missions** ,1926 Includes the proceedings of the annual meeting of the Society *Encyclopaedia Biblica* Thomas Kelly Cheyne,John Sutherland Black,1901
