The Death Disciple:

The Death Disciple Robin Moore, Gerald G. Griffin, 1977 **Death's Disciple** Emma L. Adams, 2023-05-30 Seven years ago Captain Yala Palathar was a hero She and her squad of close knit dragon riding warriors were Laria s elite fighting for their nation alongside the monarch and his magic wielding Disciples Seizing control of an unmanned island should have been a simple mission but Yala s squad was little prepared for the horror and tragedy that awaited Instead of triumph all Yala and her allies found was death Years on Yala lives in seclusion in the deep jungle ignoring the rumours of unrest in the capital following the end of the war She little expects assassins to find her hideout nor does she anticipate the mission that ended her career to have given rise to rumours that see her targeted by mercenaries vying to claim a price on her head With the other survivors from her squad being picked off one by one she has little choice but to return to the capital in the hopes of finding answers Whether the truth lies with the Disciples of the Flame who refused to believe her stories of the monstrous beasts that haunted the island or with the long dead king who sent her squad to their doom one thing is clear Yala must finish the battle she started all those years ago even if it brings her face to face with the god of death Himself Death s Disciple is the first in a dark epic fantasy quartet featuring giant war dragons political intrigue flawed heroes and nail biting action For fans of character driven fantasy by authors such as Anna Stephens Jen Williams and Tamsyn Muir Death's Disciples Dustin L. Charlesworth,2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist s knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative

Hilbun, 2010-09 The author of this study of Romans has served in the ministry for over sixty years He served as pastor of churches in Mississippi and Alabama He also served as Missionary Associate for the International Mission Board of the Southern Baptist Convention as professor and principle of the Barbados Theological Collage Barbados West Indies This study comes out of over forty years of preaching and teaching from Paul's Book of Romans Ponder These Questions In Your Heart As a Christian do you sometimes feel incomplete insufficient insignificant unworthy and unable to live as you desire At your best do you feel you are a failure and at your worse you are just no good Do you feel that the things you do are never satisfying to you and are unworthy of God's approval Do you sometimes feel the person you are as a husband wife mother father neighbor Christian worker is never good enough Your heart's cry is Oh I wish I could be a better husband wife parent Christian Are you at times able to say I do know some victory some joy some peace but my defeats and despairs are greater than I believe they ought to be Have you tried and tried but you are always failing ending up empty You may at times feel like the fellow who said I am sick and tired of being sick and tired If these express your feeling then you know what Paul was feeling when he said Who can deliver me from this death Romans 7:25 If your answer to these questions is Yes this study is especially for you Sacra Pagina: The Gospel of John Francis J. Moloney, SDB, 2023-06-13 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity's earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John's significance for

Christianity has been obvious from the time of Irenaeus. It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon. What sets this commentary on the Fourth Gospel apart from others is Moloney's particular attention to the narrative design of the Gospel story. He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus. Through this he demonstrates how the Gospel story articulates a coherent theology, christology and ecclesiology.

Matthew's Missionary Discourse Dorothy Jean Weaver, 1990-04-01. This book offers a distinctive solution to the interpretative difficulties surrounding Matthew's Missionary Discourse. While the discourse proper lies within a narrative framework designating the setting of its delivery, the outlined mission does not at all points agree with the designated setting. Weaver shifts attention from historical-critical to literary-critical concerns. Rather than focusing on the historical settings of the disciples' missions, she analyses the role of Mt 9:35-11:1 within its literary setting in the Gospel and assesses the impact of this text on the reader of the Gospel.

Women in John's Gospel Susan Miller, 2023-01-26. Closely examines John's portrayal of women in relation to discipleship and the theme of new creation, arguing that these depictions are influenced by his apocalyptic world view. By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender, Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith. Beginning with the Virgin Mary's portrayal at the wedding at Cana, where she prompts Jesus to carry out his first sign, Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah. These include the Samaritan woman, Martha and Mary of Bethany, and Mary Magdalene and her encounter with Jesus in the garden. Crucially, Miller suggests that John's frequent use of woman links these female followers, particularly Jesus' venerated mother, with the figure of Eve in Genesis, and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation.
