## **The Death Of Bragg:**

The Death of Bragg Janet Langmuir, 1981 A small town reporter investigating two odd deaths uncovers a complex and insidious plan to kill the town of Bragg      PARTICULAR BRAVERY: The Battle of Xa Cam My and the Death of a Grunt Company T.L. Derks, 2023-01-14 One hundred thirty six American soldiers isolated from supporting units hunted the dark jungles of Phuoc Tuy Province for the Viet Cong main force battalion D 800 The enemy found Charlie Company first Surrounded then gutted these Americans had been used as bait to draw out the enemy Charlie Company's heroic but doomed stand did not go according to American plans General William Westmoreland called the disaster a serious blow The Army Chief of Staff Harold K Johnson personally flew to Vietnam to confront Westmoreland and warn him that the American people would stop supporting the war if such costly battles continued There were heroes and there were cowards and some were both heroes and cowards They were all soldiers of the United States who were sent to fight in Southeast Asia by men in the halls of power who demonstrated no particular bravery in ordering these soldiers to fight and die Particular Bravery focuses on a company of warriors who labeled themselves grunts and honored military service as a patriotic obligation and believed fighting in Vietnam was their duty The soldiers' memories are the core of Particular Bravery Here are the grunts' recollections of their march to a night when 80% of them fell in battle They recall the friendly fire that shattered the unit they relive the hail of gunfire that decimated their ranks they recount the murder of their wounded friends and their own belief that as the noose tightened they were next they remember the battle's aftermath as they marched past rows of blood stained ponchos that covered their dead comrades It is also the story of unbelievable heroism as a gun ho former Marine turned Army Sergeant repeatedly risked his own life for his comrades while an Air Force Pararescue hotshot volunteered to drop into hell so that others might live      *The Death of Punishment* Robert Blecker, 2013-11-19 For twelve years Robert Blecker a criminal law professor wandered freely inside Lorton Central Prison armed only with cigarettes and a tape recorder The Death of Punishment tests legal philosophy against the reality and wisdom of street criminals and their guards Some killers' poignant circumstances should lead us to mercy others show clearly why they should die After thousands of hours over twenty five years inside maximum security prisons and on death rows in seven states the history and philosophy professor exposes the perversity of justice Inside prison ironically it's nobody's job to punish Thus the worst criminals often live the best lives The Death of Punishment challenges the reader to refine deeply held beliefs on life and death as punishment that flare up with every news story of a heinous crime It argues that society must redesign life and death in prison to make the punishment more nearly fit the crime It closes with the final irony If we make prison the punishment it should be we may well abolish the very death penalty justice now requires      The History of the Town of Royalston, Massachusetts Lilley Brewer Caswell, 1917      Kottari v. Tennessee Thunder Daniel Korn,2017-03-01 Everyone has heard of Gettysburg but for sheer

ferocity of fighting it is tough to match the horrendous stories of what happened in the fight for Tennessee in the battles of Stones River and Chickamauga. This is the story of two very different armies and their equally different commanders. The Union's Army of the Cumberland led by the charismatic but highly excitable William Starke Rosecrans faced off against the Confederate Army of Tennessee and their hot tempered and irascible commander Braxton Bragg and neither side was willing to back off. As 1862 ends and the birth of a new year of the war looms on the horizon an end to the bloodletting is nowhere in sight. It was a year that had just seen the April horrific fight at Shiloh, the incredible ineptness of McClellan in the Peninsula Seven Days Campaign, the September bloodbath known as Antietam and President Lincoln's launch of a huge gamble in the Emancipation Proclamation, all followed by the near disaster for the Union at Fredericksburg. It would be followed by a year that would see death, destruction and a level of ferocity in warfare on a scale never before seen on the American continent. Of all the major battles of the Civil War, Stones River had the highest percentage of casualties on both sides. Although the battle itself was inconclusive, the Union Army's repulse of two Confederate attacks and the subsequent Confederate withdrawal were a much needed boost to Union morale after the defeat at the Battle of Fredericksburg and it dashed Confederate aspirations for control of Middle Tennessee. Names such as the Dragon's Teeth, Slaughter Pen, the Round Forest and the Orphans Brigade would enter the American lexicon. The battle was very important to Union morale as evidenced by Abraham Lincoln's letter to General Rosecrans: "You gave us a hard earned victory which had there been a defeat instead the nation could scarcely have lived over." The Confederate threat to Kentucky and Middle Tennessee had been nullified and Nashville was secure as a major Union supply base for the rest of the war. The two armies would come back after a spring and summer 1863 series of moves and counter moves after Stones River and it would culminate later in September 18 20 1863 in the Battle of Chickamauga. The fight marked the end of a Union offensive in southeastern Tennessee and northwestern Georgia called the Chickamauga Campaign. The battle was the most significant Union defeat in the Western Theater of the American Civil War and involved the second highest number of casualties in the war following the Battle of Gettysburg. Names such as Snodgrass Hill, The Rock of Chickamauga and Horseshoe Ridge would join with other famous American fight names such as the Hornet's Nest and Bloody Lane. It was the first major battle of the war that was fought in Georgia and would be the last major victory for the Confederacy in the West. This is the story of individuals, men like Rosecrans and Bragg but also of George Thomas who will demonstrate his rock like steadiness in strife and the fiery combative leadership of a Philip Sheridan. It is the story of the compassion and care for his men of a John Breckinridge and the steadfast resoluteness of a Mary Walker to prove that a woman can be as capable as any man as a doctor on a battlefield. It is the stories of Ben Helm, Lincoln's brother in law, Hans Christian Heg, the towering leader of Norwegian descent, the hard fighting Nathan Bedford Forrest and Roger Hanson. It is the story of Richard Kirkland, the Angel of Marye's Heights and Fredericksburg fame of John Lincoln Clem, the young drummer boy turned infantryman of John Wilder and his hot firing and hard fighting dragoons and the two
