The Death Of Christ:

The Death of Christ James Denney, *THE DEATH OF DEATH IN THE DEATH OF CHRIST* JOHN OWEN, Rev Terry Kulakowski, Editor, 2015-11-28 The Death of Death in the Death of Christ is John Owen's definitive work on the extent of the atonement. It is a polemical work designed to show among other things that the doctrine of universal redemption is unscriptural and destructive of the gospel. It was called forth by the progress in England of Arminianism and the half-way house of Amyraldianism adopted by Baxter, Davenant and Usher. *The Death of Christ* James Denney, 1903 The three chapters which follow have already appeared in *The Expositor* and may be regarded as a supplement to the writer's work on *The Death of Christ Its Place and Interpretation in the New Testament*. It was no part of his intention in that study to ask or to answer all the questions raised by New Testament teaching on the subject but partly from reviews of *The Death of Christ* and still more from a considerable private correspondence to which the book gave rise he became convinced that something further should be attempted to commend the truth to the mind and conscience of the time. The Crucifixion Fleming Rutledge, 2015 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model.

A Treatise on the Physical Cause of the Death of Christ William Stroud, 1847 *The Vicarious, Sacrificial, Atoning Death of Jesus Christ* Steven Scherrer, 2010-05 Many Christians seek the meaning behind the death of Jesus Christ. In *The Vicarious Sacrificial Atoning Death of Jesus Christ* author Fr Steven Scherrer explores the impact of Jesus' crucifixion and the benefits that we receive from his death. This collection of Biblical essays garnered from sermon messages looks at the mystery of the crucifixion from a variety of scripturally based points of view. These essays reflect on many aspects: How Christ's death establishes, upholds and fulfills God's law; How Christ's death differs from that of all the martyrs; How profoundly Christ suffered; How Christ suffered the just punishment due to our sins; How Christ's death ransoms us from death. *The Vicarious Sacrificial Atoning Death of Jesus Christ* seeks to integrate Jesus' atoning death into a personalistic understanding of the Trinity and explore its benefits to us. It comes as an affirmation of the New Testament doctrine that Jesus' death was both vicarious and sacrificial and that it saves those who believe in him from their sins, justifying and making them into a new creation, resplendent in God's sight. The Death of Christ, Abridged James Denney,2008-03-01 **A Theology of the Cross** Charles B. Cousar,1990-05-01 In Paul's epistles the crucifixion story reveals a God who is free and in no way bound by human categories or expectations Yet God in Christ chooses to be engaged in the very depths of the human predicament The message of the crucifixion is that God's power is manifested in weakness not in strength The author believes that this weakness as strength should be the focal point of the church's identity However a celebration of weakness is in complete opposition to traditional American beliefs in personal strength and a powerful church

According to the Scriptures David Allen,2025-01-31 If all you know is the New Testament you do not know the New Testament so the late New Testament scholar Martin Hengel is reputed to have said According to the Scriptures considers the way the New Testament writers utilized the Jewish Scriptures in order to describe articulate and evaluate the death of Jesus taking Hengel at his word What Old Testament texts are quoted in the New Testament how are they used and what might such analysis mean for the contemporary reader Focusing in particular on the passion narratives in the Synoptic Gospels According to the Scriptures seeks to engage with these questions It will provide a useful new framework for thinking about why the early Church understood Jesus' death in terms of the Scriptures what difference that understanding made and what relevance that might have for us as we seek to make sense of the death of Jesus

Dying, We Live Kenneth Grayston,1990 This critical study provides a book by book survey of every New Testament reference to the death and resurrection of Christ Drawing on a rich arsenal of both literary and historical exegetical tools Grayston introduces a vast range of scholarship offers brilliant and original insights illuminates disputed points and portrays the distinctive features of each New Testament author's theology In the process he maintains that talk and thought about the death of Christ have as much to do with human problems as they have with questions of belief

The Design of the Death of Christ Explained: and Its Influence in Constraining Christians to "live to Him who Died for Them," Enforced; in a Sermon from 2 Cor. V. 14, 15 William WARD (Missionary),1820 **The Death of Death in the Death of Christ** John Owen,2024-10-31 The Death of Death in the Death of Christ is a polemical work designed to show among other things that the doctrine of universal redemption is unscriptural and destructive of the gospel Those who see no

need for doctrinal exactness and have no time for theological debates which show up divisions between Evangelicals may well regret its reappearance Some may find the very sound of Owen s thesis so shocking that they will refuse to read his book at all But there are signs today of a new upsurge of interest in the theology of the Bible a new readiness to test tradition to search the Scriptures and to think through the faith It is to those who share this readiness that Owen s treatise is offered in the belief that it will help us in one of the most urgent tasks facing Evangelical Christendom today the recovery of the gospel

The Death of Christ Fisher Humphreys,1978 Christ died for our sins Paul wrote to the Corinthians and that was a central conviction of Christians from the beginning **Crucifixion and the Death Cry of Jesus Christ** Geoffrey L. Phelan,2009-06

Crucifixion and the Death Cry of Jesus Christ The synoptic gospels Matthew Mark and Luke emphatically state that Jesus cried out in a loud voice just as he breathed his last This cry caused hardened Roman soldiers to fear praise God and state that truly this man was the Son of God All the multitudes who came together for this spectacle when they saw what happened began to return beating their breast Why were the multitudes so affected by Christ s death In this book Dr Phelan combines more than thirty years of the study of medicine ancient languages and scripture to show the reality of the death of Jesus Christ A clear description of the ancient times and the crucifixion process is presented Seasoned Bible scholars will find refreshing new insight into what happened when Jesus was crucified New believers can learn how the suffering of Jesus really happened All will be reminded that Jesus Christ is the same yesterday today and forever Dr Geoffrey Phelan is a graduate of Johns Hopkins University and Johns Hopkins School of Medicine He has been in the private practice of Family Medicine in Southern California for more than 30 years He and Donna his wife of 34 years live in Southern California and have five grown children **Who Will Deliver Us?** Paul F. M. Zahl,2008-10-21 Drawing on the classic teaching of the atonement as it is presented by St Paul and other Christian thinkers Paul Zahl unfolds its meaning for this generation He then applies it to the problems of spiritual malaise and meaninglessness which afflict us today problems of depression and despair of loneliness and of broken relationships Throughout the Good News of Christianity forgiveness reconciliation new life is presented in terms that contemporary readers can easily understand and apply to their lives **Not Ashamed of the Gospel** Morna D. Hooker,2004-10-08 Convinced that Christ s crucifixion cannot be interpreted in isolation from his resurrection Morna Hooker here gives a comprehensive and inspiring survey of the New Testament s teaching about the death of Christ By looking closely at the great variety of images and metaphors employed in the writings of Paul and in Mark Matthew Luke Acts John Hebrews 1 Peter 1 John and Revelation Hooker discusses the different ways in which the authors of the New Testament searched for and then discovered meaning in the death and resurrection of Christ Hooker shows that the concept of substitutionary atonement does not take us far enough in understanding the profound truth taught especially by Paul that Christ became what we are in order that we might become what he is He took his place as one of us and died our death in order that we might be identified with him both in his death and in his resurrection She also demonstrates in

meaningful new ways that the message of the cross the message that lies at the heart of the gospel is as relevant and as disturbing to the present generation as it was to its first hearers Provocative at times even controversial this volume will be highly stimulating to readers who are prepared to take a fresh look at the New Testament evidence The Vicarious, Sacrificial, Atoning Death of Jesus Christ Steven Scherrer, Thd Fr Steven Scherrer, 2010-05 Many Christians seek the meaning behind the death of Jesus Christ In the Vicarious Sacrificial Atoning Death of Jesus Christ author Fr Steven Scherrer explores the impact of Jesus crucifixion and the benefits that mankind received from His death This collection of Biblical essays garnered from sermon messages looks at the mystery of the crucifixion from a variety of scripturally based points of view These essays reflect on many aspects How Christ s death establishes upholds and fulfills God s law How Christ s death differs from that of all the martyrs How profoundly Christ suffered How Christ suffered the just punishment due to our sins How Christ s death ransoms us from death The Vicarious Sacrificial Atoning Death of Jesus Christ seeks to integrate Jesus atoning death into a personal understanding of the trinity and explore its benefits to mankind It comes as an affirmation of the New Testament doctrine that Jesus death was both vicarious and sacrificial and that it saves those who believe in Him from their sins justifying and making them into a new creation resplendent in God s sight
