

THE
DECLASSIFIED
EISENHOWER

A STARTLING REAPPRAISAL OF THE
EISENHOWER PRESIDENCY

BLANCHE WIESEN COOK

The Declassified Eisenhower

Chester J. Pach

The Declassified Eisenhower:

The Declassified Eisenhower Blanche Wiesen Cook, 1981 **The Declassified Eisenhower** Blanche Wiesen Cook, 1984
Reevaluates the presidency of Dwight Eisenhower with an emphasis on his role as a man of peace discussing his attempts to establish a foreign policy designed to permanently secure international peace **The Eisenhower Presidency, 1953-1961**
Richard Damms, 2016-09-17 This seminar study examines the Eisenhower presidency The author argues that the presidency marked an important stage in the evolution of modern America but left a decidedly mixed legacy for future presidents
Domestically Eisenhower pursued a middle way Imbued with a profound distrust of politics and politicians Eisenhower sought as much as possible to concentrate public policy making in the hands of an enlightened elite of public and private experts
Internationally Eisenhower's policies exacerbated the nuclear arms race institutionalised the Cold War and extended the East West struggles to new arenas in the Third World This new account offers an up to date synthesis of this newly emerging literature and reviews Eisenhower's record from the mishandling of the Civil Rights movement to the escalation of the arms race and the intensification of the Cold War **The A to Z of the Eisenhower Era** Burton I. Kaufman, Diane
Kaufman, 2009-10-26 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The A to Z of the Eisenhower Era examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes are also included in this valuable reference *The Eden-Eisenhower Correspondence, 1955-1957* Peter G. Boyle, 2006-03-13 The personal correspondence between President Dwight D Eisenhower and Prime Minister Anthony Eden during the time they were simultaneously in office tells the dramatic story of a relationship that began with great promise but ended in division and estrangement Many of the letters have only recently been declassified making it possible for the first time to publish this unique historic collection in its entirety Peter G Boyle's introduction annotations and conclusion provide context for the letters details about the personalities and careers of Eden and Eisenhower and major issues that influenced the Anglo American relationship up to 1955 such as relations with the Soviet Union nuclear concerns colonialism the Middle and Far East economic issues and intelligence matters The letters themselves offer an intimate look into the special connection between Britain and the United States through the often eloquent words of their leaders They offer particular insight into the Suez Crisis of 1956 when Eden's and Eisenhower's views greatly diverged over the use of force to resolve the situation Their personal relationship cooled from that point on and

ended with Eden's resignation in January 1957 *Eisenhower's New-Look National Security Policy, 1953-61* S.

Dockrill, 1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill's incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years **A Companion to Dwight D.**

Eisenhower Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower's many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history **Eisenhower** Günter Bischof, Stephen E. Ambrose, 1995-04-01 In observance of Dwight David Eisenhower's one hundredth birthday in 1990 the Eisenhower Center at the University of New Orleans sponsored a series of lectures by distinguished American and European scholars who espouse an exciting breadth of interpretation regarding the man and his times In Eisenhower A Centenary Assessment Günter Bischof and Stephen E Ambrose have assembled thirteen of those lectures revised and updated thus providing an important contribution to scholarship on the thirty fourth United States president The collection is truly balanced in the interpretive sense with essays by leading revisionist and postrevisionist scholars on Eisenhower Four of the essays address Eisenhower historiography and his role as military commander two concern his presidential domestic policies and the remainder represent an assortment of ongoing research into select areas of his foreign policy by a younger generation of scholars demonstrating how much the evaluation of Eisenhower's handling of foreign affairs remains in ferment Ambrose concludes the volume with a broad summary of Eisenhower's achievements and legacies As Bischof and Ambrose state in their Introduction Eisenhower played a central role for so long and so crucial a period in twentieth century history that his impact contributions successes and failures will be subject to reinterpretation and debate for as long as Western civilization lasts His reputation has already undergone ups and downs from the negative opinions of his contemporaries to the enthusiasm of revisionists in the late seventies and early eighties to the more critical assessments of postrevisionist scholars in the late eighties and the nineties Such is the inevitable cycle of scholarship to look at old problems with new perspectives using new documentation or innovative methods to arrive at new conclusions This centennial reexamination of Eisenhower's place in history will remain a milestone in years to come Dwight D. Eisenhower

Elizabeth R. Snoke,U.S. Army Command and General Staff College,1990 **Eisenhower** P G. Boyle,2015-11-17 Eisenhower is the president who established America as a superpower He had already launched his reputation as the leading US military figure in the Second World War and then as supreme commander of the land forces of the newly created NATO This book looks at how Eisenhower held power in the political field and to what extent his political career was a success This text is ideal for undergraduate courses in 20th Century American History and American Studies
