Gambling With Virtue Nancy R. Rosenberger, 2000-10-01 *Gambling with Virtue* rings with the voices of women speaking openly about their struggle to be both modern and Japanese in the late twentieth century It brings to the fore the complexity of women's everyday lives as they navigate through home work and community Meanwhile women fashion selves that acknowledge and challenge the social order Nancy Rosenberger gives us their voices and experiences interspersed with introductions to public ideas of the last three decades that contribute significantly to the opportunities and risks women encounter in their journeys Rosenberger uses the stage as a metaphor to demonstrate how everyday life requires Japanese women to be skilled performers She shows how they function on stage in their accepted roles while effecting small but significant changes

backstage Over the last thirty years Japanese women have expanded their influence and extended this cultural process of multiple arenas to find compromises between the old virtues of personhood and new ideals for self They conform maneuver and make choices within these multiple stages as they juggle various concerns and desires By the 1990s their personal choices have made a difference calling into question the very nature of these multiple arenas *African Poverty at the Millennium* Howard White, Tony Killick, Steve Kayizzi-Mugerwa, 2001-01-01 This explores the complex nature of poverty in Africa It identifies its political and social causes and assesses the impact of recent economic growth on the welfare of poor people To permanently reduce poverty it calls for realistic home grown policy initiative governmental commitment a realignment of the donor community's role and the development of institutional structures such as poverty monitoring systems that can hold the governments accountable *Playing the Game* Penelope Tuson, 2003-10-24 The lives of the Western women who lived worked and travelled in Arabia in the first half of the 20th century have been largely ignored by historians Penelope Tuson tells the stories of these women Sometimes flamboyant and unconventional sometimes conservative and conformist all of them wanted in some way to be a part of British imperial life Some were prepared to play the game others were not and could even be regarded as difficult and dangerous *Playing the Game* explores how these women negotiated power and position in the Empire and how conventional female roles were defined by the masculine perspectives and hierarchies of imperial authority often with the collusion of the women themselves actively but also sometimes despite their attempts to subvert the stereotypes
