and Mentality Anna-Leena Siikala,2002 The recent fascination in Finnish folklore studies with popular thought and the values  
and emotions encoded in oral tradition began with the realisation that the vast collections of the Finnish folklore archives still  
have much to offer the modern day researcher These archive materials were not only collected by scholars but also by the  
ordinary rural populace interested in their own traditions by performers and their audiences This collection of articles works  
from the premises that the cultural models which shape mentalities give rise to manifest expression of culture including  
folklore These models also become embedded in the representations appearing in folklore and are handed down from one  
generation to the next The topics of the book cover age old myths and world views concepts of witchcraft and the Devil  
stretching back to the Middle Ages and the values and collective emotions of Finnish and Hungarian agrarian communities
