She has pale, almost white skin, dark hair, and is looking downwards with a somber expression. Her face is partially in shadow.

*The Devil's Grandmother* Gene Levin, 2001-06-19 Does romance stand a chance between the Devil's Grandmother and Vlad the Impaler given her age 4000 years and his tendency to skewer those who disagree with him But first Vlad must be expelled from hell which is fine with Satan Vlad refuses to accept his ordained purge until he has revenged himself on the Blungers and this is unhinging the smooth running of the underworld But his expulsion requires the Lord God's okay Satan devises a beautiful scheme His beloved grandmother will find happiness Vlad will leave hell and become dean of students at Fairweather College Vlad is to preach to the sinful students and administrators of that place Should the students continue in their lustful and slothful ways they will be brought down to hell en masse If Vlad succeeds in reforming them he will remain as Dean Either way Satan wins And to make it even more interesting a Blunger is teaching at that very college A Blunger of the family against whom Vlad harbors a five hundred year old grudge The son of the Blunger whom the Lord God ordered to lose twenty pounds and who has instead gained eleven What a coup for Satan to bring a Blunger down A Blunger Why not all of them

**The Devil and His Grandmother** Brothers Grimm, 2020-11-04 The soldiers in our story were not happy with the payment they received from the king so they deserted Suddenly a flying dragon showed up from nowhere He was actually the Devil himself He was not going to kill them Instead he offered them service for seven years In return they were going to receive a lot of money There was however a catch Their souls were going to remain in the Devil's hands unless they could solve his riddle Will they succeed or it is absolutely meaningless to compete with the Devil Children and adults alike immerse yourselves into Grimm's world of folktales and legends Come discover the little known tales and treasured classics in this collection of 210 fairy tales Brothers Grimm are probably the best known storytellers in the world Some of their most popular fairy tales are Cinderella Beauty and the Beast and Little Red Riding Hood and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel Rapunzel and Snow White Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends Their collections have been translated into all European languages in their lifetime and into every living language today

[The Legacy of the Goddess](#) Rachel S. McCoppin, 2023-04-10 It is often assumed that the female characters found in popular folk and fairy tales are little more than inconsequential stereotypes mostly serving as hapless victims in need of rescue boring one dimensional princesses or egotistical and conniving villains This book presents more fully realized portraits of these female characters and the ways in which they actually represent bold and powerful connections to the goddesses of classic mythic narratives The rich legacy of female goddesses shamans queens and priestesses is in fact preserved and celebrated through these more modern representations whether as brides who can transform into animals wise old women who live alone in the deep wilderness strong warrior maidens or witches who can conquer and command the elements of nature In contemplating this revised analysis of female characters within global folktales and fairy tales readers can see that the goddesses of old have never truly
