## **The Diary Of A Soldier:**

The Diary of a Soldier Major L. Louis Lee,2011-11-11 The Diary of a Soldier recounts the World War I experiences of U S Army Sergeant Major L Louis Lee from the day of his embarkation to France in April 1918 to the day his troop ship docked in New York the following February Alternately inspiring introspective droll and chilling the Diary was written in a time and place far from the 21st century Patriotism was more innocent Communication with supporters at home could take weeks or months Daily life was elemental Yet common themes in the Diary bind the World War I years to today the horror of war the way soldiers cope with severe physical and mental stress and the anchor provided by home family and friends The Diary of a Soldier offers a unique portrayal of one mans daily experiences in his eras war to end all wars *The Diary of a Soldier* Lynnette Jackson,2018-07-16 This book is about how staying strong and courageous is very important during the fight of ones life for Jesus Christ One must keep the faith stay prayerful and stand firm on the Word of God through temptations struggles and challenges that one may face while being on this day to day journey with the Lord as one stays in the spiritual race

*THE LAST LETTER* ROBIN ABRAHAM,2019-02-28 The Last Letter is the love story of an Army officer since his school times who did everything for the respect of his love One look and John fell in love with Veronica A love so deep that his life revolved around their promises From the school classrooms to cafes to the corridors of NDA and across cities John follows the path of love yearning for Veronica His aim is to become an Army Officer and marry Veronica Veronica loves and supports him but will she wait for him Do circumstances keep them apart or can love bridge the distance The passion and ambition that drives him almost ruins him until he realises the meaning of true love Forgetting his passion aim and himself in the struggle to earn respect in his own eyes he wants to keep his promises but can he When did he write letters And even if he wrote letters why was there a last letter Let s find out and go back to his school days *The Diary of an Unknown Soldier* Elsa Vaught,1959 **The Diary of an Unknown Soldier,**. Elsa Vaught,1959 **The Diary of a Napoleonic Foot Soldier** Jakob Walter,1993-02-01 Eighteen year old German stonemason Jakob Walter served in the Grand Army of Napoleon between 1806 and 1813 His diary intimately records his trials the long grueling marches in Prussia and Poland the disastrous Russian campaign and the demoralizing defeat in a war few supported or understood It is at once a compelling chronicle of a young soldier s loss of innocence and an eloquent and moving portrait of the profound effects of all wars on the men who fight them Also included are letters home from the Russian front previously unpublished in English as well as period engravings and maps from the Russian Soviet and East European collections of the New York Public Library Vivid and gruesome but also a story of human fortitude It reminds us that the troops Napoleon drove so mercilessly were actually more victims than victors a side of Napoleon that should not be forgotten Chicago Tribune **The Diary of a Young Soldier in World War I** Dennis Hamley,2001 A Soldier's Diary Ralph Scott,1923 **Leaves from a Soldier's Diary** George Gilbert Smith,1906 **A Soldier in World War I** Elmer W. Sherwood,Robert H. Ferrell,2004 As a soldier with the 42nd

Rainbow Division in France in World War I Elmer Sherwood was an observer with uncommonly good judgment If his descriptions lacked perfection they partook of an attractive innocence that brought out the truth of such battles as the horrendous Meuse Argonne offensive that took 26 000 lives A Soldier's Recollections Randolph Harrison McKim,1983

**The diary of a german soldier** ,1919 **Sentiments** Matimba, Jackson,2018-09-26 This collection by Zimbabwean poet Jackson Matimba gives us spellbinding insights into life The poems carry various themes Sentiments of the earth focuses on global warming and the aspects of our lifestyle which are effecting the climate of the world The diary of a soldier speaks of the emotional challenges that every soldier experiences when away from home and also the problems faced by family during long absences from home The poet also tackles the issues of migration in the poem Sentiments of migration A Civil War Soldier's Diary Valentine Cartright Randolph,2006 A century and a half after Appomattox the diaries of soldiers continue to surface and Civil War enthusiasts including many university professors dream of finding a lost piece of history Such was the delight of David Roe whose friend gave him a remarkable family heirloom the diary of Valentine C Randolph which included handwritten daily entries starting on the day Randolph enlisted and ending on the evening before he arrived home Spanning three years of military experience in the 39th Illinois Regiment this diary includes revealing narratives some recounting events not noted in other sources An eloquent diarist Randolph vividly describes military action in key areas of the eastern theater northern Virginia Charleston and Richmond and its surrounds His record of the Peninsula Campaign the siege of Charleston and finally the Bermuda Hundred and Petersburg campaigns offers a rare look at the role common soldiers played in master strategies He recounts the trials of garrison duty and sea sickness he observes life in army camps and hospitals A former theology student and an unusually thoughtful man Randolph questions the military predation of civilian property and condemns the racial prejudices of his fellow soldiers **The Diary of a German Soldier** ,1919 This book is an account of the experience of a German sergeant in the German Army and covers from October 1 1913 until November 10 1916 The Diary of a Confederate Soldier James Edmond Hall,1961 **Sweat & Blood - The Diary of a Civil War Soldier** David Ben Foster,2014-10-24 Transcription of selections from the Civil War diary of Stephen Hamlin Baldwin and letters written by Baldwin with historical and biographical commentary A Month at the Front John R. Pinfold,Bodleian Library,2006 From The Things They Carried and Platoon to today s documentaries of soldiers fighting in Iraq and Afghanistan the ordeals of wartime soldiers are gripping morally complex narratives of human strength and frailty A Month at the Front offers another fresh and personal perspective on war Recently acquired by the Bodleian Library it is a first hand account of a young and anonymous British soldier fighting in the frontline trenches of the First World War A Month at the Front chronicles one month in the life of a soldier from the 12th East Surrey regiment and the economical yet powerful narrative vividly brings to life the sights sounds and horrors of war The first night passed uneventfully except that we were shelled so begins the young man in spare prose and the quiet drama unfolds from there Constant bombings and the sobering

landscape of war It was nothing unusual to come across a dead comrade lying waiting for burial are occasionally relieved by humorous events such as the discovery that a troop of advancing Germans was nothing more than few short willow shrubs waving about in the breeze The young soldier describes how his comrades gradually fall one by one until he and three remaining fellow soldiers are captured by the enemy an event that abruptly ends the narrative A Month at the Front is not penned by a famous author nor does it claim to offer any broad perspective Rather it is the lone voice of an unknown young man thrust into fatal circumstances *The Diary of a Boy Soldier* Alexander Ochogwu,2018-09-23 The Creed of Brotherhood is the totem that binds Boy Soldiers of the Nigerian Military School Zaria *The Diary of a German Soldier...
