The Dickens Country Frederic George Kitton, 2015-06-27 Excerpt from *The Dickens Country* It seems but a week or two ago that Frederic Kitton first mentioned to me the preparation of the volume to which I have now the melancholy privilege of prefixing a few words of introduction and valediction It was in my office in Covent Garden where he used often to drop in of an afternoon and talk for a spare half hour at the end of the day of Dickens and Dickensian interests We were speaking of a book which had just been published somewhat similar in scope to the volume now in the reader's hand and Kitton with that thoroughly genial sympathy which always marked his references to other men's work praised warmly and heartily the good qualities which he had found in its composition Then quite quietly and as though he were alluding to some entirely unimportant side issue he added I have a book rather on the same lines on the stocks myself but I don't know when it will get finished That was a little more than a year ago and in the interval how much has happened The book has indeed got finished in the pressure of that indefatigable industry which his friends knew so well but its author was never to see it in type Almost before it had received his finishing touches the bright kindly humane spirit of Frederic Kitton was at rest and forever He died on Saturday September 10 1904 and left the world appreciably poorer by the loss of a sincere and zealous student a true and generous man As I turned over the pages of the book in proof and recalled this passing conversation it seemed to me that the whole character of its author was displayed as under a sudden light in that quite unconscious attitude of his towards the two books the one his friend's the other his own For no one that I ever met was freer from anything like literary jealousy or the spirit of rivalry in art no one was ever more modest concerning his own achievements About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Dickens Country* Frederic George Kitton, 1911 **The Dickens Country ... The first full length account of modernism from the perspective of literary geography Homes and Haunts Alison Booth, 2016 This is the first full length study of literary tourism in North America as well as Britain and a unique exploration of popular response to writers literary house museums and the landscapes or countries associated with their lives and works An interdisciplinary study ranging from 1820 1940 *Homes and Haunts Touring Writers Shrines and Countries* unites museum and tourism studies book history narrative theory theories of gender space and things and other approaches to depict and interpret the haunting experiences of exhibited houses and the curious history of topo biographical writing about famous authors In illustrated chapters that blend Victorian and recent first person encounters that range from literary shrines and plaques to guidebooks memoirs portraits and monuments Alison Booth discusses pilgrims such as William and Mary Howitt Anna Maria and Samuel Hall and Elbert Hubbard and magnetic hosts and guests as Washington Irving Wordsworth Martineau Longfellow Hawthorne James and Dickens Virginia Woolf s feminist response to homes and haunts shapes a chapter on Mary Russell Mitford Gaskell and the Brontes and another on the Carlyles house and Monk s House Booth rediscovers collections of personalities haunted shrines and imaginative re enactments that have been submerged by a century of academic literary criticism

The Dickens Industry Laurence W. Mazzeno, 2008 The story of the surprisingly fluctuating critical reputation of one of the great writers of the English language Undoubtedly the best selling author of his day and well loved by readers in succeeding generations Charles Dickens was not always a favorite among critics Celebrated for his novels advocating social reform for half a century after his death he was ridiculed by those academics who condescended to write about him Only the faithful band of devotees who called themselves Dickensians kept alive an interest in his work Then during the Second World War he was resurrected by critics and was soon being hailed as the foremost writer of his age a literary genius alongside Shakespeare and Milton More recently Dickens has again been taken to task by a new breed of literary theorists who fault his chauvinism and imperialist attitudes Whether he has been adored or despised however one thing is certain no other Victorian novelist has generated more critical commentary This book traces Dickens s reputation from the earliest reviews through the work of early 21st century commentators showing how judgments of Dickens changed with new standards for evaluating fiction Mazzeno balances attention to prominent critics from the late 19th century through the first three quarters of the 20th with an emphasis on the past three decades during which literary theory has opened up new ways of reading Dickens What becomes clear is that in attempting to provide fresh insight into Dickens s writings critics often reveal as much about the predilections of their own age as they do about the novelist Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania
