Michener whose novels hurtle from the far reaches of history to the dark corners of the world paints an intoxicating portrait of a land whose past and present are as turbulent fascinating and colorful as any other on Earth When an American journalist travels to report on the upcoming duel between two great matadors he is ultimately swept up in the dramatic story of his own Mexican ancestry from the brilliance and brutality of the ancients to the iron fist of the invading Spaniards to modern Mexico fighting through dust and bloodshed to build a nation upon the ashes of revolution Architectural splendors frenzied bullfights horrific human sacrifice Michener weaves them all into an epic human story that ranks with the best of his beloved bestselling novels **BONUS** This edition includes an excerpt from James A. Michener's *Hawaii* Praise for Mexico Michener the storyteller at his finest There are splendid and authentic scenes in the plaza de toros that are as dramatic as any written by Ernest Hemingway or Barnaby Conrad The New York Times Book Review Astounding fast moving intriguing Michener is back in huge familiar form with Mexico Los Angeles Daily News An enthralling story Michener artfully combines the history of Mexico with the art of bullfighting teaching the reader about both and telling a grand story at the same time St Louis Post Dispatch A novel of epic proportions abounding in visual and historical detail Richmond Times Dispatch *Out of the Woods* Stuart T. Hauser, Joseph Patrick Allen, Eve Golden, 2008-04-30 Seventy deeply troubled teenagers spend weeks months even years on a locked psychiatric ward They're not just failing in school not just using drugs They are out of control violent or suicidal in trouble with the law unpredictable and dangerous Their futures are at risk Twenty years later most of them still struggle But astonishingly a handful are thriving They're off drugs and on the right side of the law They've finished school and hold jobs that matter to them They have close friends and are responsible loving parents What happened How did some kids stumble out of the woods while others remain lost Could their strikingly different futures have been predicted back during their teenage struggles The kids provide the answers in a series of interviews that began during their hospitalizations and ended years later Even in the early days the resilient kids had a grasp of how they contributed to their own troubles They tried to make sense of their experience and they groped toward an understanding of other people's inner lives In their own impatient voices *Out of the Woods* portrays edgy teenagers developing into thoughtful responsible adults Listening in on interviews through the years narratives that are often poignant sometimes dramatic frequently funny we hear the kids growing into more composed yet always recognizable versions of their tough and feisty selves [Reports of the Tax Court of the United States](#) United States.
