The Epic of the Buddha Chittadhar Hridaya, 2019-05-21 A translation of the modern Nepalese classic Winner of the Toshihide Numata Book Award in Buddhism and the Khyentse Foundation Prize for Outstanding Translation This award winning book contains the English translation of Sugata Saurabha The Sweet Fragrance of the Buddha an epic poem on the life and teachings of the Buddha Chittadhar H day a master poet from Nepal wrote this tour de force while imprisoned for subversion in the 1940s and smuggled it out over time on scraps of paper His consummate skill and poetic artistry are evident throughout as he tells the Buddha s story in dramatic terms drawing on images from the

natural world to heighten the description of emotionally charged events It is peopled with very human characters who experience a wide range of emotions from erotic love to anger jealousy heroism compassion and goodwill By showing how the central events of the Buddha's life are experienced by Siddhartha as well as by his family members and various disciples the poem communicates a fuller sense of the humanity of everyone involved and the depth and power of the Buddha's loving kindness For this new edition of the English translation the translators improved the beauty and flow of most every line The translation is also supplemented with a series of short essays by Todd Lewis one of the translators that articulates how H day incorporated his own Newar cultural traditions in order to connect his readership with the immediacy and relevancy of the Buddha's life and at the same time express his views on political issues ethical principles literary life gender discrimination economic policy and social reform Himalayan Buddhist Villages John Crook, Henry Osmaston, 2001-12-31 Preface PART One Introduction to the Philosophy of Navya Nyaya PART Two Summaries of Works Notes Index **CHAMPA**

The Dreamer Journeys To The Land Of the Buddha Asha Shankardass, 2013-12-01 Eleven year old Champa lives with her family in a little village on the banks of a river in Punjab A dreamer she longs to see the world beyond her little village On a holiday Champa goes to visit her friend Meera in Lucknow the City of Nawabs It is her very first train journey She experiences the culture and history of the region through the new and intriguing sights and smells and the adventures she has Champa then travels with Meera and her family and discovers the land of the Buddha his stories his teachings and the places which marked the journey of his life *Popular Buddhist Texts from Nepal* Todd T. Lewis, 2000-09-07 This book demonstrates how popular ritual texts and story narratives have shaped the religious life and culture of the only surviving South Asian Mahayana Buddhist society the Newars of Kathmandu It begins with an account of the Newar Buddhist community's history and its place within the religious environment of Nepal and proceeds to build around five popular translations several of which were known across Asia the Srngabheri Avadana the Simhalasarthabahu Avadana the Tara the Mahakala Vratas and the Pancaraksa Lewis documents how the respective texts have been domesticated in Nepal's art and architecture healing traditions and rituals He shows how they provide paradigmatic case studies that transcend the Nepalese context illustrating universal practices or issues in all Buddhist communities such as gender relations and stupa veneration the role of merchants ethnicity violence devotions to celestial bodhisattvas by kings and women and the role of mantra recitations and healing rituals in the lives of Buddhists **The Path of the Buddha** Renuka Singh, 2004 So compelling is the story of Prince Siddhartha Gautama that it loses none of its sheen with a retelling Impelled by a desire to deal with the sorrows of human existence he renounces the world when barely ninety nine and find Buddhism Varied and meaningful this book provides a rare glimpse into Buddhism Approaching the Buddhist Path Dalai Lama, Thubten Chodron, 2017-08-15 The first volume in a multi volume collection presenting the Dalai Lama's comprehensive explanation of the Buddhist path His Holiness the Dalai Lama has been publicly teaching Buddhism for decades This series collects his presentations of every step of the path to

enlightenment compiled and coauthored by one of his chief Western disciples the American nun Thubten Chodron The Buddha wanted his students to investigate to see for themselves whether what he said were true As a student of the Buddha the Dalai Lama promotes the same spirit of investigation and as the rich tradition of the Buddha makes its way into new lands and cultures His Holiness has recognized that new approaches are needed to allow seekers in the West to experience the relevance of the liberating message in their own lives Such an approach cannot assume listeners are free from doubt and already have faith in Buddhism s basic tenets The Library of Wisdom and Compassion series therefore starts from the universal human wish for happiness and presents the dynamic nature of the mind This first volume also provides a wealth of reflections on Buddhist history and fundamentals contemporary issues and the Dalai Lama s own personal experiences It stands alone as an introduction to Buddhism but it also provides a foundation for the systematic illumination of the path in the volumes to come The Library of Wisdom and Compassion collects the Dalai Lama s decades of presentations of every step of the path to enlightenment It has been compiled and coauthored by one of his chief Western disciples the American nun Thubten Chodron
