

The History Of Philosophy In Colonial Mexico

KJ Lindholm-Leary

The History Of Philosophy In Colonial Mexico:

The History of Philosophy in Colonial Mexico Mauricio Beuchot, 1998 Colonial Mexico represents a period of enduring philosophical importance In areas of contemporary interest such as semiotics ontology and logic the work of Hispanic philosophers provides a valuable resource This book presents a study of philosophical activity in Mexico from 1500 to 1800 *The Intimate Frontier* Ignacio Martínez, 2019-10-22 For millennia friendships have framed the most intimate and public contours of our everyday lives In this book Ignacio Martínez tells the multilayered story of how the ideals logic rhetoric and emotions of friendship helped structure an early yet remarkably nuanced fragile and sporadic form of civil society *societas civilis* at the furthest edges of the Spanish Empire Spaniards living in the isolated borderlands region of colonial Sonora were keen to develop an ideologically relevant and socially acceptable form of friendship with Indigenous people that could act as a functional substitute for civil law and governance thereby regulating Native behavior But as frontier society grew in complexity and sophistication Indigenous and mixed raced people also used the language of friendship and the performance of emotion for their respective purposes in the process becoming skilled negotiators to meet their own best interests In northern New Spain friendships were sincere and authentic when they had to be and cunningly malleable when the circumstances demanded it The tenuous origins of civil society thus developed within this highly contentious social laboratory in which friendships authentic and feigned set the social and ideological parameters for conflict and cooperation Far from the coffee houses of Restoration London or the lecture halls of the Republic of Letters the civil society illuminated by Martínez stumbled forward amid the ambiguities and contradictions of colonialism and the obstacles posed by the isolation and violence of the Sonoran Desert *The Answer / La Respuesta (Expanded Edition)* Sor Juana Inés de la Cruz, 2009-06-01 Defiant writing by the first feminist of the Americas the Mexican nun Sor Juana Inés de la Cruz in response to the church officials that tried to silence her Known as the first feminist of the Americas the Mexican nun Sor Juana Inés de la Cruz enjoyed an international reputation as one of the great lyric poets and dramatists of her time *The Answer La Respuesta* 1691 is Sor Juana's impassioned response to years of attempts by church officials to silence her While earlier translators have ignored Sor Juana's keen awareness of gender this volume brings out her own emphasis and diction and reveals the remarkable scholarship subversiveness and even humor she drew on in defense of her cause This expanded bilingual edition combines new research and perspectives on an inspired writer and thinker It includes the fully annotated primary text responding to the church officials the letter that ultimately provoked the writing of *The Answer* an expanded selection of poems an updated bibliography and a new preface *The Philosophical Foundations of Early German Romanticism* Manfred Frank, 2004-01-01 Explores the philosophical contributions and contemporary relevance of early German Romanticism **The Unheard Voice of Law in Bartolomé de Las Casas's *Brevísima Relación de la Destrucción de las Indias*** David T. Orique, 2021-04-13 *The Unheard Voice of Law in Bartolomé de las Casas's *Brevísima**

relaci n de la destruici n de las Indias reinterprets Las Casas s controversial treatise as a legal document whose legal character is linked to civil and ecclesial genres of the Early Modern and late Renaissance juridical tradition Bartolom de las Casas proclaimed I have labored to inquire about study and discern the law I have plumbed the depths and have reached the headwaters The Unheard Voice also plumbs the depths of Las Casas s voice of law in his widely read and highly controversial Brev sima relaci n a legal document published and debated since the 16th century This original reinterpretation of his Very Brief Account uncovers the juridical approach voiced in his defense of the Indigenous peoples of the Americas The Unheard Voice innovatively asserts that the Brev sima relaci n s legal character is intimately linked to civil and ecclesial genres of the late Renaissance juridical tradition This paradigm shifting book contextualizes the formation of Las Casas s juridical voice in canon law and theology initially as a secular cleric subsequently as a Dominican friar and finally as a diocesan bishop and demonstrates how his experienced juridical voice fought for justice in trans Atlantic debates about Indigenous peoples level of humanity religious freedom enslavement and conquest Reaching the headwaters of Las Casas s hitherto unheard juridical voice of law in the Brev sima relaci n provides readers with a previously unheard interpretation an appealing voice for readers and students of this powerful Early Modern text that still resonates today The Unheard Voice of Law is a valuable companion text for many in the disciplines of literature history theology law and philosophy who read Bartolom de las Casas s Very Brief Account and study his life labor and legacy The Oxford Handbook of Neo-Latin Stefan Tilg, Sarah Knight, 2015 From the dawn of the early modern period around 1400 until the eighteenth century Latin was still the European language and its influence extended as far as Asia and the Americas At the same time the production of Latin writing exploded thanks to book printing and new literary and cultural dynamics Latin also entered into a complex interplay with the rising vernacular languages This Handbook gives an accessible survey of the main genres contexts and regions of Neo Latin as we have come to call Latin writing composed in the wake of Petrarch 1304-74 Its emphasis is on the period of Neo Latin s greatest cultural relevance from the fifteenth to the eighteenth centuries Its chapters written by specialists in the field present individual methodologies and focuses while retaining an introductory character The Handbook will be valuable to all readers wanting to orientate themselves in the immense ocean of Neo Latin literature and culture It will be particularly helpful for those working on early modern languages and literatures as well as to classicists working on the culture of ancient Rome its early modern reception and the shifting characteristics of post classical Latin language and literature Political social cultural and intellectual historians will find much relevant material in the Handbook and it will provide a rich range of material to scholars researching the history of their respective geographical areas of interest *Sor Juana* Gonzalez, Michelle A., 2014-04-10 Sor Juana In s de la Cruz a seventeenth century Mexican nun is one of the most compelling figures of her age A prolific writer a learned scholar and the first woman theologian of the Americas she was also a defender of the dignity and rights of women in the midst of a fiercely patriarchal culture In this study Michelle Gonzalez examines Sor Juana s

contributions as a foremother of many currents of contemporary theology In particular in joining aesthetics with the quest for truth and justice her work and witness suggest new avenues for Hispanic feminist and other liberation theologies **Emilio**

Uranga's Analysis of Mexican Being Emilio Uranga,2021-01-14 Emilio Uranga a founding member of the famed el grupo Hiperi n devoted his life to characterizing the nuances and uniqueness of Mexican existence His landmark book An lisis del ser del mexicano became an instant classic This is the first English translation of the work which accompanied by a comprehensive introduction features Key moments in the development of 20th century Mexican philosophy up to the writing of Uranga s text A detailed overview of the translated text and its most significant movements Discussion of Uranga s relevance to contemporary debates in the phenomenology of culture decolonial philosophy phenomenology and Latin American philosophy itself Considerations of Uranga s ontology and how he justified his project by appealing to 20th century Mexican poetry and existential phenomenology Reading Uranga s brilliant words expertly translated and introduced by Carlos Alberto S nchez finally allows us to understand why this Mexican philosopher is considered one of the most fearless and original thinkers of the 20th century **Slavery and Race** Julia Jorati,2024-07-26 Philosophers from Europe and colonial America engaged in heated debates about the morality of slavery in the sixteenth and seventeenth centuries and these debates provide insights into the roots of modern racism Julia Jorati explores the philosophical ideas theories and arguments that are central to early modern discussions of slavery Some texts explicitly examine the morality of the transatlantic slave trade or of the enslavement of indigenous people in the Americas others discuss slavery in predominantly theoretical ways Based on these texts Jorati shows that race and slavery came to be closely associated in this period This association was often made through an endorsement of the theory of natural slavery Black and indigenous people were commonly viewed as natural slaves or naturally destined for slavery The theory that some people are natural slaves also features prominently in theoretical discussions of slavery and many philosophers in the sixteenth and seventeenth centuries embraced versions of it Jorati surveys a wide range of historical material from the views of Thomas Hobbes John Locke and Gottfried Wilhelm Leibniz to many less widely studied philosophers like Gabrielle Suchon Morgan Godwyn and Epifanio de Moirans Jorati s volume along with its companion Slavery and Race Philosophical Debates in the Eighteenth Century illustrates the significance and philosophical sophistication of early modern debates about slavery and serves as a valuable resource for scholars instructors and students who are curious about this widely neglected topic **Lucretius Poet and**

Philosopher Philip R. Hardie,Valentina Prospero,Diego Zucca,2020-07-06 Six hundred years after Poggio s retrieval of the De rerum natura and with the recent surge of interest in Lucretius and his influence there has never been a better time to fully assess and recognize the shaping force of his thought and poetry over European culture from antiquity to modern times This volume offers a multidisciplinary and updated overview of Lucretius as philosopher and as poet with special attention to how these two aspects interact The volume includes 18 contributions by established as well as early career scholars working on

Lucretius philosophical and poetic work and his reception both in ancient and early modern times All the chapters present new and original research Section I explores core issues of Epicurean Lucretian epistemology and ethics Section II expounds much new material on ancient response to and reception of Lucretius Section III presents new material and analysis on the immediate fraught early modern reception of the poem Section IV offers a wide collection of new and original papers on Lucretius fortunes in the period from Machiavelli up to Victorian times Section V explores little known aspects of the iconographical and biographical motifs related to the *De rerum natura*

The Enigmatic Realm of **The History Of Philosophy In Colonial Mexico**: Unleashing the Language is Inner Magic
