THE CARSON CITY
SILVER DOLLARS

This historic coin is a valuable memento of an era in American history when pioneers were challenging the West. The silver in this dollar was mined from the rich Comstock Lode, discovered in the mountains near Carson City, Nevada. The Carson City Mint was established there in 1870, and although it was in operation for a short time, it produced many coins which have become a collectors' treasure, among them the 50 pure silver dollar medals of 1870-1871. These look much like Indian pennies in our nation's history, giving them a unique artistic appeal.

This coin is an authenticated specimen of the Morgan dollar, designed by George Morgan, which was minted in 1878. It is one of the most beautiful of all coins. This coin, designed by a famous artist in 1878, is one of the most beautiful of all coins.
