Alice B. Emerson

The Honeymoon Car:

The Honeymoon Car Eugene Nordstrom,2005-06-29 The Honeymoon Car is a love story about two couples decades apart who are drawn together in an extraordinary way Out of the mists of time a pristine Packard Super 8 pulls up to the main entrance of a fashionable lakeside resort How could curious onlookers know its young passengers have come from a wedding that occurred fifty three years earlier From their own tragic experiences with loss Larry and Molly Hill have learned how love can heal Now possessing a revelation powerful enough to even survive death they have returned with a message that can change troubled lives forever The Marmon News Nordyke & Marmon Company,1917 **Skinny Legs and All** Tom Robbins,2003-06-17 An Arab and a Jew open a restaurant together across the street from the United Nations It sounds like the beginning of an ethnic joke but it s the axis around which spins this gutsy fun loving and alarmingly provocative novel in which a bean can philosophizes a dessert spoon mystifies a young waitress takes on the New York art world and a rowdy redneck welder discovers the lost god of Palestine while the illusions that obscure humanity s view of the true universe fall away one by one like Salome s veils **Skinny Legs and All** deals with today s most sensitive issues race politics marriage art religion money and lust It weaves lyrically through what some call the end days of our planet Refusing to avert its gaze from the horrors of the apocalypse it also refuses to let the alleged end of the world spoil its mood And its mood is defiantly upbeat In the gloriously inventive Tom Robbins style here are characters phrases stories and ideas that dance together on the page wild and sexy like Salome herself Or was it Jezebel **The Motor Car Journal** ,1901 **Armstrong Siddeley Motors** Bill Smith,2006 What did Armstrong Siddeley Motors achieve A car that looked good did what it was intended to do and was thoroughly reliable **Ruth Fielding Down East** Alice B. Emerson,2014-04-04 Across the now placidly flowing Lumano where it widened into almost the proportions of a lake just below the picturesque Red Mill a bank of tempestuous clouds was shouldering into view above the sky line of the rugged and wooded hills These slate colored clouds edged with pallid light foredoomed the continuance of the peaceful summer afternoon Not a breath of air stirred on the near side of the river The huge old elms shading the Red Mill and the farmhouse connected with it belonging to Mr Jabez Potter the miller were like painted trees so still were they The brooding heat of midday however had presaged the coming storm and it had been prepared for at mill and farmhouse The tempest was due soon The backyard of the farmhouse a beautiful lawn of short grass sloped down to the river On the bank and over the stream itself was set a summer house of fair proportions covered with vines a cool and shady retreat on the very hottest day of midsummer A big robin redbreast had been calling his raucous weather warning from the top of one of the trees near the house but with her back to the river and the coming storm the girl in the pavilion gave little heed to this good intentioned weather prophet **The Auto Era** ,1917 The Wedding Night Jane Merrill,Chris Filstrup,2011-04-07 This enlightening narrative takes a look at the wedding night its origins history customs cultural expressions and fictional representations through the ages Though just outside of public view the wedding

night is loaded with expectation and consequence The Wedding Night A Popular History is an entertaining accessible touching and humorous volume that looks at the previously unexplored topic of wedding history between the sheets Covering a kaleidoscopic array of cultural expressions this unique study zooms in on what's quintessential and shares insights into the history of intimacy through the ages The book traces the formalization of the wedding night in the ancient Near East and classical world provides many examples of historically significant unions in European and American history and describes the lively variety of traditions leading up to the present Spicing their narrative with many piquant quotes from contemporary sources the authors explore the rich cultural context for the wedding night processions royal rituals apparel food related traditions and pranks throughout Europe and America in the 19th and 20th centuries Separate chapters examine sex guides jokes and the bed as a special conjugal space [Realisations](#) Geoff Attewell,2021-02-02 What is REALISATIONS
