The Human Face Of Love:

The Human Face of Love Mary Rudge, 2010-12-23 The island where you live whether a geographical or mental state which you might well hope will be your personal paradise is still an effect of the sea of humanity of which each of us is a part not apart Those featured in this book have come together through poetry readings in Alameda island in the San Francisco Bay and together present an impassioned collection of poems songs art journal excerpts and stories showing the human face of love Here is concern for mental health issues brain chemistry balance head injury emotional trauma genetics and social attitudes all that affects the human persona the psyche that makes human a humanity where each can better love and be loved *The Wonder Working Power of Imagination* Neville, 2015-09-24 If one is looking for answers to the meaning of life and how to make a happier richer existence e g relationships finances health then Nevilles teaching from personal experience testimonies from students and his amazing visions paralleling and explaining the mysteries of the Old and New Testament will answer those questions Learn his techniques unleash your power to create believe in your imaginary acts and no power in this world can stop the desired results from appearing in your world Its the only creative power one that everyone is operating moment to moment Learning how to direct it deliberately is essential to producing loving positive changes in ones life These 1963 lectures also begin a nine year odyssey of discovering the deepest meanings of six visions of the end that had unfolded in Neville 1959-1963 The visions are the signs that this long journey as limited man the terrible opacity and contraction is over that the purpose of human life has been completed man has endured and overcome six thousand years of amnesia plus the fires of experience and has emerged victorious Hes been transformed by his inner being I Am or God back into the divinity he truly is and always was **The Wound of Love** A. Carthusian, 2006-03 This volume provides background information on the Carthusian Order including letters from St Bruno its founder and a reflection on Bruno s continuing significance today Catholic **God as Love** Johannes M. Oravec, 2014-04-19 The development and principal characteristics of Russian religious thought in the nineteenth and twentieth centuries The theme of love in the manuals of the nineteenth century Academic theology The birth of lay and ecclesial modern theology The concept of love with the two founders of Russian religious philosophy N F Fedorov and V S Solov'ev The moralist school of theology The mystical wisdom stream of theology To ponder and to pronounce love in exile between philosophy and poetry The theology of love in the perspective of return to the fathers the neopatristic school of the twentieth century **The Power of Love** Bishop Michael Curry, 2018-10-30 Love is the way Love is the only way Those who follow in my way follow in the way of unconditional unselfish sacrificial love And that kind of love can change the world Bishop Michael Curry Two billion people watched Bishop Michael Curry deliver his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle now the Duke and Duchess of Sussex at Windsor Castle Here he shares the full text of the sermon plus an introduction and four of his favorite sermons on the themes of love and social justice The world has met Bishop Curry and has

been moved by his riveting hopeful and deceptively simple message love and acceptance are what we need in these strange times **Luminescence, Volume 3** C. K. Barrett, Fred Barrett, 2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament **A Brief History of Love** Liat Yakir, 2024-02-13

Is love about chemistry or do biology evolution and psychology all have a part to play Love is one of the most complex and confusing emotions in the human experience It consumes so much of our lives and yet we don t truly understand it what it is on a biological chemical and evolutionary level This book takes you on a fascinating journey to explore the science of love looking closely at the interplay between genes hormones emotions and relationships Discover everything you need to know about why you are attracted to certain people the brain s role in your emotions how to pick the one and how to preserve that love over time Learn how to have better healthier and more loving relationships by understanding the inner workings of love in your body

Works of Love Robert L. Perkins, 1999 To claim that *Works of Love* is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

The Word of Love Stephen Elkins-Williams, 2015-08-07 Stephen Elkins Williams had the extraordinary good fortune to preach in the same pulpit for 30 years and it was equally fortuitous for generations of parishioners at the Chapel of the Cross in the vibrant university community of Chapel Hill North Carolina Guiding his listeners through a thorough grasp of scripture as well as personal insight and lively storytelling his preaching also reflects a keen understanding of his place in the leadership lineage of a 170 year old parish Stephen made the Chapel of the Cross a trusted leader among churches in a caring giving and activist community and a source of inspiration comfort and teaching to young minds and hearts on a college campus In the words of a long time associate When Steve preaches I always learn

something that changes my understanding of God and or the practice of faith Stephen joined the Society of Jesus while completing his studies toward degrees in philosophy and divinity and was ordained a Catholic priest in 1975 He soon realized that Gods purposes for his life were changing he left the Jesuits and was received as an Episcopal priest in 1982 He arrived in Chapel Hill that year as associate for parish ministry and was chosen rector three years later Here are more than 80 of his sermons that bring ancient liturgy thoroughly alive to a modern faith community The Way of Love Livio Melina, Carl Anderson, 2010-09-17 In response to Benedict XVI s first encyclical the Pontifical John Paul II Institute for Studies and Marriage and Family reflects together with the Holy Father on love From the very beginning the fundamental work of the Institute has been pursuing a deeper understanding of God s plan for marriage and family In these twenty five years various generations of students and professors following the legacy of John Paul II have been able to discover and communicate the beauty of the vocation for which all men have been created the call to love Twenty six professors from the Institute s various sessions express what in their understanding are the main themes of the document approaching the topics raised by the Holy Father with different theological and philosophical perspectives by so doing they have highlighted the significance and fecundity of the lines of thought suggested by the Pope This book is offered as a path towards a fuller understanding of the profundity and richness of the love with which God fills us and wants us to communicate in our turn
