Crazy for Trying Joni Rodgers,1999-10 Crazy for Trying is a funny and sexy novel about a love so unlikely that it can only laugh at itself **Lucky** Jonathan Allen,Amie Parnes,2021-03-02 The inside story of the historic 2020 presidential election and Joe Biden s harrowing ride to victory from the 1 New York Times bestselling authors of Shattered the definitive account of Hillary Clinton s 2016 campaign Almost no one thought Joe Biden could make it back to the White House not Donald Trump not the two dozen Democratic rivals who sought to take down a weak front runner not the mega donors and key endorsers who feared he could not beat Bernie Sanders not even Barack Obama The story of Biden s cathartic victory in the 2020 election is the story of a Democratic Party at odds with itself torn between the single minded goal of removing Donald Trump and the push for a bold progressive agenda that threatened to alienate as many voters as it drew In Lucky 1 New York Times bestselling authors Jonathan Allen and Amie Parnes use their unparalleled access to key players inside the Democratic and Republican campaigns to unfold how Biden s nail biting run for the presidency vexed his own party as much as it did Trump Having premised his path on unlocking the Black vote in South Carolina Biden nearly imploded before he got there

after a relentless string of misfires left him freefalling in polls and nearly broke Allen and Parnes brilliantly detail the remarkable string of chance events that saved him from the botched Iowa caucus tally that concealed his terrible result to the pandemic lockdown that kept him off the stump where he was often at his worst More powerfully Lucky unfolds the pitched struggle within Biden s general election campaign to downplay the very issues that many Democrats believed would drive voters to the polls especially in the wake of Trump s response to nationwide protests following the murder of George Floyd Even Biden s victory did not salve his party s wounds instead it revealed a surprising complicated portrait of American voters and crushed Democrats belief in the inevitability of a blue wave A thrilling masterpiece of political reporting Lucky is essential reading for understanding the most important election in American history and the future that will come of it

Due Dates Kathy Clark, 2013-11-11 A Originally released as Baby Daddy An inheritance brought her more than she ever could have imagined Killeen Ames has it all beauty brains a college softball scholarship and a rich and handsome boyfriend who has helped to stretch her college funds and fill her social calendar He is the only boy she ever allowed past second base and now he s her baby daddy However being a father was not in his short range plans He graduates then he splits leaving Killeen to decide what she wants to do about the pregnancy and to worry about how she s going to keep her scholarship With no marketable skills no job no home and medical bills for her and the baby on the horizon she knows she must move forward A knock at the door of her boyfriend s apartment changes the game forever when an attorney gives her the news of an inheritance from an unknown dead relative and another due date looming After traveling to Austin Killeen walks into the meeting and is surprised to find out that the relative was actually her birth father and he had been a popular music star who recently died of an overdose Even more shocking are the four strangers who share the same absentee dad He has left them a highly successful private investigation agency Scandals The catch is they have to make the commitment to work there Their introduction to the P I business almost gets them killed when a bomb goes off in the warehouse that sends Killeen to the hospital She has kept the secret of her pregnancy from everyone including Christopher the totally irresistible manager of Scandals Their hot night of wild sex in the office was a one time thing right She chalks up her attraction to him as just raging hormones They have no chance of a future together He s gorgeous intelligent and successful He would never want anyone with so much baggage Christopher has a secret of his own

He's been investigating the possibility that despite popular opinion their father's death hadn't been an accidental overdose. He thinks it was murder. Even though the five siblings still haven't accepted the fact that they have a father who made no attempt to be a part of their lives, they join together to discover the truth about his death. The search throws Killeen and Christopher together and their passion grows hotter. As her feelings for him slowly become more serious, she knows she must tell him about the baby. After a fun day in the sun, an event happens that outs Killeen's secret. Christopher, as expected, doesn't take the news well. But they must continue to work together to track down a killer, especially since the killer has now focused on them. Someone doesn't want them to stay and take over the business. In fact, someone wants them all dead, and now the decision on whether or not to be a part of the agency seems very unimportant compared to the job of trying to stop from being killed. They set up a trap that goes terribly wrong. Suddenly, Killeen must make a big decision: Who should she save? Her baby, Christopher, her new brothers and sisters. Their lives are in her hands.

Due Dates is the first book in the Scandals New Adult series of romantic suspense. Each book of the series will focus on one of the offspring of Roger Elliott, a famous musician who left them with a legacy they weren't expecting. This book is about Killeen Ames, who must deal with an unexpected pregnancy, an absentee baby daddy, an irresistible attraction to a hot new guy, and four new half brothers and sisters.

Killer Date, the second book in this series, will be released in Spring 2014 and will tell Reno's story. Bonus chapters of other Kathy Clark and Bob Kat books are included.

I Am Charlie Wilson Charlie Wilson, 2015-06-30

The long-awaited New York Times bestselling memoir of seven-time Grammy-nominated artist Charlie Wilson, the iconic R&B and Funk singer, songwriter, producer, and former lead singer of The Gap Band, interwoven with his recollections of collaborating with fellow artists such as Stevie Wonder, Kanye West, and Snoop Dogg. Recognized the world over for his distinct voice and timeless hits spanning a career of nearly half a century, Charlie Wilson is one of the most celebrated musicians of his generation. So it took friends and family by surprise when he checked into rehab and revealed that he had been not only homeless but also helpless. Here is the riveting story of how love and faith carried him through not only his addiction but also prostate cancer. Here too is the story of his work in the music business, including a career resurgence that saw collaborations with some of the most sought-after artists of today, including Pharrell and Justin Timberlake. Now, over twenty years sober, Wilson recounts a life filled with vertiginous highs and heartbreaking lows. His is a story of triumph over adversity, courage in the face of extreme hardship, and love when all else is lost. It is a tale of the last sixty years in social and pop culture history, and one that will stay with you for years to come.
