Lupton, Jakob M. Najman,1995 Second edition of a collection of readings on the health of Australians originally published in 1989 From a sociological perspective consideration is given to the major social aspects of behaviour likely to affect one s health and the outcome of any health care one may receive Discusses health services recipients of services providers of services and disease prevention and promotion Includes a bibliography and index Gillian Lupton is a senior lecturer and Jake Najman is professor of sociology in the Department of Anthropology and Sociology at the University of Queensland Lupton is co author of *Society and Gender An Introduction to Sociology* and Najman is the editor of *A Sociology of Australian Society*     *Autology, Study Thyself* Edmond Raymond Moras,1912     **Bubblegum** Adam Levin,2021-03-16 Adam Levin is one of our wildest writers and our funniest and Bubblegum is a dazzling accomplishment of wit and inventiveness George Saunders Levin s brains may have earned him a cult but here he swells to a democratic reach Give him a try sometime His gate s wide open Garth Risk Hallberg The New York Times Book Review The astonishing new novel by the NYPL Young Lions Fiction Award winning author of *The Instructions* Bubblegum is set in an alternate present day world in

which the Internet does not exist and has never existed Rather a wholly different species of interactive technology a flesh and bone robot called the Curio has dominated both the market and the cultural imagination since the late 1980s Belt Magnet who as a boy in greater Chicago became one of the lucky first adopters of a Curio is now writing his memoir and through it we follow a singular man out of sync with the harsh realities of a world he feels alien to but must find a way to live in At age thirty eight still living at home with his widowed father Belt insulates himself from the awful and terrifying world outside by spending most of his time with books his beloved Curio and the voices in his head which he isn't entirely sure are in his head After Belt's father goes on a fishing excursion a simple trip to the bank escalates into an epic saga that eventually forces Belt to confront the world he fears as well as his estranged childhood friend Jonboat the celebrity astronaut and billionaire In Bubblegum Adam Levin has crafted a profoundly hilarious resonant and monumental narrative about heartbreak longing art and the search for belonging in an incompatible world Bubblegum is a rare masterwork of provocative social and self awareness and intimate emotional power

Simplicity and Success Bruce Elkin, 2006-09-29 I would not give a fig for the simplicity this side of complexity but I would give my life for the simplicity on the other side of complexity Oliver Wendell Holmes Crafting a simple life would be easy if getting rid of stress and clutter was all that simplicity seekers sought but it isn't we also seek success We long to create results that matter in our lives work and relationships However by defining simplicity as a solution to life's stress and complexity many approaches point us toward relief rather than results Because relief is usually temporary we often oscillate between simplicity and success without realizing either At best the simplicity we achieve is the simplicity on this side of complexity Simplicity and Success Creating the Life You Long For will help you go beyond merely getting rid of what you don't want It will help you discover what you love and create a life that shows it It will help you integrate conflicting desires by shifting your focus from solving problems to creating what matters It will empower you to embrace life's complexity appreciate its richness and move through its often chaotic messiness to the deep lasting and fulfilling simplicity on the other side of complexity Driven by vision grounded in reality and focused on results that matter this simple yet powerful approach will help you simplify your life achieve the success you long for and feel energized authentic and whole
