The Kingdom Of God In Spirit And In Truth:

The Kingdom of God In Spirit and In Truth E. Terfa Ula-Lisa, 2005-08-24 This book addresses the issue of who is a Christian and what it means to be a Christian or born again Most new converts have no understanding and are not taught the dynamics of their faith and often the tribulation new converts go through after a true commitment to Jesus Christ baffles them What should be the foundational teaching for every new convert While addressing the needs of the new believer preachers too will find this book very useful This is because the author has set down the essential doctrines of the Christian faith following closely the outline of the elementary principles of doctrine laid out in Hebrews 6 1 3 In addressing contemporary issues in the church seven years of active observation in America he has not shied away from controversy while being governed by love and the Word of God The book moves from the premise that there is a spiritual realm as well as the material The spiritual realm determines every activity of the material 21st Century post modern society in denial of spiritual truths has resorted to psychology in order to circumvent the word of God in seeking for explanations in life Sadly Gospel preachers are also turning to psychology instead of the Word of God with authority in the power of the Holy Ghost to set the captives free The author sets out to correct this anomaly in this treatise The author posits that while it is beneficial that God would give to us happiness on earth it is clearly stated within these pages that true Biblical Christianity is not exclusively the pursuit of worldly happiness Rather it is the pursuit of the will of God What is the chief goal of the believer What does God call true success This book is meant to be an inspirational as well as discipleship material for those interested in more than token religion from the new convert to the mature in ministry **Lessons in Truth Series: THE**

M.L. Werb, 2024-11-06 Near then and here now Jesus references within the Gospels that the Kingdom of God is near as does John the Baptist Many in Scripture had encountered the Kingdom of God God is spirit and resides within His domain His Kingdom He reached out many times throughout scriptural history to numerous people such as Abram Joseph Moses the prophets and David to name a few These encounters with the Kingdom profound occurrences as they were did not constitute entry However Jesus the Messiah changed everything He paid the price for the world s sin set the captives free and most importantly established His Kingdom giving explicit details within the Gospels as to what the Kingdom is its purpose and how one may enter The establishment of the Kingdom at Pentecost began to be lost shortly thereafter and we born again believers will witness its reemergence in these last days **Hymns of the Kingdom of God** Henry Sloane Coffin, Ambrose White

Vernon,1918 The kingdom of God is within you. What is art? graf Leo Tolstoy,1922 The Harmony and Unity of the Kingdom of God John Coutts,1922 **The Spiritual Truth Concerning DV** Emma L. Smith,2012-05 Today more than ever before women are falling victim to violence brought on by the men in their lives whom they have come to trust and are in a relationship with Whether they are husbands significant others fathers or male friends the vicious attacks are too often resulting in death Why are these episodes escalating Because women are more of a threat to the enemy than any other time before The rise in violent episodes is indicative of the rise to dominance that the Lord is promoting women in this hour Women are rising in positions in government law enforcement ministry and many other arenas in our society For this reason the enemy has meticulously assigned a hitman to the woman and he is in the image of man The Spiritual Truth Concerning DV Domestic Violence or Demonic Visitation identifies and exposes this spirit from its root to its prominence in the world today This ancient spirit has gained wisdom and become more subtle since its release in the Garden of Eden Author Emma L. Smith gives revelation into the characteristics of the Hit Man spirit and exposes the many facets of his hellacious existence Women young and old saved and unsaved will have the knowledge necessary to escape the vicious and far too often deadly attacks of this spirit Nuggets of Truth Samuel E. and what the various human religions must do to meet those needs It is time to put human religions under the same scientific microscope we have placed all other human endeavors from aviation to zoology What are our needs what must our my religion do to meet those needs Isnt it time to place all religions which dont foster human unity and well being into the wastebasket as we strive for the larger the more workable and the more beautiful human living Spiritual Truth Richard D. Danso,2010-10 Enter Into Spiritual RealityThe spirit realm is very real Everything that happens in the physical first happens in the spiritual but more importantly what you do now in the physical affects the spiritual realm around you You need to know the reality of the spirit realm so that purpose can be realised We all have a purpose for being here This spiritual manual is designed to take you into a deeper revelation of the spiritual reality around you and will as you take in the mysteries contained within what it says How much you know about the spiritual is dependent on how much you want to know The spiritual principles that govern the existence that we are in right now can be understood and if you receive the Truth and understand the mysteries of the spirit realm you will excel in this life and your purpose for being here will be realised Whatever we do there is a spiritual aspect to it You reading this right now has been orchestrated from the spirit realm but Who has orchestrated you reading this right now and why There is a reason to why all things happen and all the answers come from the spirit realm This spiritual manual will bring you to a deeper understanding of Truth and the reality of the spirit realm As you receive the keys of supernatural spiritual revelation locked doors will be opened for you in this realm and also in the other then you will know the Truth and the Truth will make you free The Axioms of Religion Edgar Young Mullins,2010 Most observers consider E Y Mullins president of Southern Baptist Theological Seminary from 1899 to 1928 to be the most influential Southern Baptist theologian and denominational leader of the twentieth century This title sets a fresh standard in Mullins study and in the study of Baptist history by restoring Mullins to his rightful place *Fragments of truth, expositions of passages of Scripture* John McLeod Campbell,1898 **God's Everlasting Kingdom** Given O. Blakely,2008-07-16 DESCRIPTION An in depth exposition of the person of GOD as viewed through the revelation of His eternal purpose in the Holy Scriptures SUMMARY OF THE BOOK GOD s Everlasting Kingdom sets the jewel of redemption with its facets of faith the Word of God the Savior the church and the knowledge of GOD in the context of GOD s person will and eternal purpose The whole of Truth is put into focus and made more understandable Men of faith are brought into a fellowship of reason with their Maker which is essential to our pilgrimage in this world and obtaining our inheritance in the world to come The believer as with all things is of by and to GOD This is not a book primarily about man and how GOD can be given participation in our lives to make things better for us now Rather it is about GOD who is ruling and reigning according to the councils of His own will and how we can be adopted into that glorious and eternal purpose to everlasting life and joy THE CENTRAL TOPIC OF THE BOOK Who GOD is what He is doing and how man relates to it WHAT QUALIFIED BROTHER BLAKELY TO WRITE THIS BOOK Faith Extensive knowledge of the scriptures Devotion to and exhaustive study in the Word

of God for more than fifty five years Neither reliance upon nor ignorance of the works of other men of GOD long deceased and living

WHAT IS UNIQUE ABOUT THE BOOK Most books on the topic of Scripture deal with a particular aspect of it or is confined to specific accounts personalities or times This work looks upon the whole of GOD s revelation in reference to Him from the foundation of the world through the present into the new heavens and new earth It explains the realities governing this present world and shows the reasonableness of making things which are temporal secondary to things eternal It validates the believer in his assurance of faith and confidence in God

FIVE SINGLE WORDS DESCRIBING THIS BOOK Fresh non sectarian discerning intelligent foundational

WHY SHOULD YOU OBTAIN THIS BOOK 1 No other book like it in content and perspective of which I am aware 2 It is written to communicate profound truths in an understandable manner

THE PRIORITIES OF THE BOOK 1 God Himself 2 The eternal purpose of God 3 The relationship of Jesus Christ to that purpose 4 The relationship of the Word of God to that purpose 5 The relationship of man to that purpose

WHO WILL PROFIT FROM THIS BOOK Theologians Preachers Teachers believers anyone with a genuine interest in the Holy Bible Click here to go to brother Blakely s website

THE OBJECTIVE OF THIS BOOK The objective that dictated both the subject and the content of this volume is the glory of God His kingdom like Himself is great and thus is apt to be perceived less clearly than is possible Because the kingdom of God involves His deliberate dealings with men it is of particular importance to them To neglect the kingdom is to neglect God Himself while to seek first the kingdom of God is to seek Him primarily We cannot think properly about God in separation from His kingdom It is related to His objectives His will and His person The law of God the grace of God the salvation of God all are resident in and associated with the kingdom of God Any concept of God or His kingdom that introduces contradictory thoughts or that mystifies God s person and work contributes to man s basic spiritual ignorance Such concepts obscure deity and thus constitute alienating influences My purpose is to elaborate upon that most worthy objective of the pure religion and sound doctrine to glorify God and to advantage men by clarifying the nature of God s kingdom and establishing the priority of an intelligently revealed religion as evidenced in the holy scriptures

Illustrations Behold, the Man Paul Murray,2018-07-19 John s gospel is unique What makes it unique is the author John and the perspective he brings to the

person and character of Jesus John was Jesus's closest friend You might say his best friend Peter James and John were part of an inner circle that Jesus included exclusively Only these three were allowed into the room when Jesus raised the synagogue official's daughter from the dead Only these three were invited onto the mountain to witness his transfiguration experience It was John that leaned on Jesus's breast at the Last Supper and was told who the betrayer was And in Jesus's moment of deepest distress in the garden before his death only these three were invited deep into the garden to pray with Jesus But more than all that John was the first disciple to be chosen and the only one at the very end Only John was at the foot of the cross comforting Jesus's mother while the rest hid in fear And it was because of John's unique relationship with Jesus that Jesus committed the care of his mother to him John writes long after the other gospel letters had been distributed among the churches John describes seven miracles five unique to his gospel John includes seven I am statements and is the only writer that uses the phrase Truly truly to underscore the extreme importance of these statements John writes not as a follower and not just as an eyewitness but as Jesus's best friend And John writes for one single specific purpose That you may believe that Jesus is the Christ the Son of God and that believing you may have life in His name John 20:31 To miss this is to miss the very reason for your existence on this planet *The Family Treasury* William Arnot, 2023-03-18 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
