The Kings Good Servant Sir Thomas More

Ian Pickup

The Kings Good Servant Sir Thomas More:

Thomas More Ernest Gordon Rupp, 1978 The life and times of Sir Thomas More during the reign of King Henry the Eighth "The King's Good Servant" Hubertus Schulte Herbrüggen, 1977 The King's Good Servant But God's First James Monti, 1997 St Thomas More is widely recognized as the good humored Renaissance humanist scholar who wrote Utopia and two decades later died a martyr's death in defense of papal primacy Yet More's sacrifice of his life was but the culminating act of a lifelong dedication to his faith This work seeks to provide a new portrait of Thomas More by engaging upon a comprehensive exploration of More's books and letters a veritable library of Catholic spirituality and Church doctrine All of More's spiritual works are examined in detail revealing the inner life of a saint sustained by an undying love for the Eucharist and molded by an ever deepening reflection upon the Passion of Christ climaxing in one of the most profound meditations upon the Agony in the Garden ever written The correspondence of More during his imprisonment receives particular attention an eloquent testament to the depth of More's love for his family and friends In addition to Thomas More's writing the testimony of early biographies of the saint together with the recent findings of Tudor and Reformation era scholars are utilized to reconstruct the events of More's life and execution Subjects explored include More's devotion to his family the roots of his spirituality and intellectual formation his participation in the Renaissance movement of Christian humanist scholarship and the state of the pre Reformation Church The King's Good Servant but God's First is a meticulously documented work with over 1 400 footnotes that makes considerable use of recent research regarding the life writings and times of Saint Thomas More Hence this book was also written to provide Morean and Reformation scholars with a new synthesis based upon these materials This book is an eye opener Monti a very skilled research writer provides a unique very readable book on St Thomas More that gives new insights on this most powerful figure in the Catholic resistance in England Fr Benedict Groeschel C F R A thoroughly excellent work More has many poignant things to say to us in our day Fr George Rutler James Monti is an author writer and historian who has contributed numerous articles to Catholic publications His other books include The Week of Salvation and In the Presence of Our Lord The new work on St Thomas More is the result of five years of research **Sir Thomas More** Joseph B. Trapp, 1977 *"The King's Good Servant", Sir Thomas More, 1477/8-1535* Joseph Burney Trapp, Hubertus Schulte Herbrüggen, National Portrait Gallery (Great Britain), 1977 *Sir Thomas More* Mary Pettman, 1977 **Thomas More's Vocation** Frank Mitjans, 2023-01-31 The book considers Thomas More's early life choices An early letter is cited by biographers but most miss More's reference to the market place More's great grandson Cresacre a Londoner understood it correctly and that gives reason to trust him on other aspects of More's youth This study is based on early testimonies those of Erasmus Roper Harpsfield Stapleton and Cresacre More as well as More's early writings the Pageant Verses and his additions omissions to the Life of Pico evidence drawn from authors he recommended like Hilton and Gerson and finally his epitaph Attention is given to his lectures on St Augustine's City of God

and to St John Chrysostom It is argued More studied Chrysostom's Homilies on the Gospel of St Matthew from a Greek manuscript Chrysostom in the introductory homily spoke of the city and the market place as the setting in which Christians practice the teaching of Christ More practiced law and taught it He was attracted to becoming a Christian humanist alongside Grocyn Colet Linacre and Lily With them he studied Greek the classics and Fathers of the Church Helped by them he became a man of prayer aware of the need to seek holiness in the midst of the world as a layman Faced with the dilemma of the humanist in choosing between the contemplative life of the philosopher and an active life of engagement with the world he deliberately chose the active life in service to society and the contemplative life of the Christian as a married man This awareness and choice is what is called vocation implying determination to persevere throughout life More saw his life as a pilgrimage towards heaven as described in the last chapter focusing on More's last work *De tristitia tedio pavore et oratione christi ante captionem eius*

The Life of Thomas More Peter Ackroyd, 2012-06-27 Peter Ackroyd's *The Life of Thomas More* is a masterful reconstruction of the life and imagination of one of the most remarkable figures of history Thomas More 1478-1535 was a renowned statesman the author of a political fantasy that gave a name to a literary genre and a worldview Utopia and most famously a Catholic martyr and saint Born into the professional classes Thomas More applied his formidable intellect and well placed connections to become the most powerful man in England second only to the king As much a work of history as a biography *The Life of Thomas More* gives an unmatched portrait of the everyday religious and intellectual life of the early sixteenth century In Ackroyd's hands this renowned man for all seasons emerges in the fullness of his complex humanity we see the unexpected side of his character such as his preference for bawdy humor as well as his indisputable moral courage

Thomas More's Trial by Jury Henry Ansgar Kelly, Louis W. Karlin, Gerard Wegemer, 2011 This book challenges the recently established consensus that the trial was a carefully prepared and executed judicial process in which the judges were amenable to reasonable arguments Thomas More's treason trial in 1535 is one of history's most famous court cases yet never before have all the major documents been collected translated and analyzed by a team of legal and Tudor scholars This edition serves as an important sourcebook and concludes with a docudrama reconstructing the course of the trial based on these documents Legal experts H A Kelly and R H Helmholz take different approaches to the legalities of this trial and four experienced judges including Justice of the Queen's Bench Sir Michael Tugendhat discuss the trial with some disagreements notably on the meaning and requirement of malice called for in the Parliamentary Act of Supremacy More's own accounts of his interrogations in prison are analyzed and the trial's procedures are compared to and contrasted with 16th century concepts of natural law and also modern judicial practices and principles The book is a must read not only for students of law and Tudor history but also for all concerned with justice and due process As a whole the book challenges Duncan Derrett's conclusions that the trial was conducted in accord with contemporary legal norms and that More was convicted only on the single charge of denying Parliament the power to declare Henry VIII Supreme Head of the

English Church testified to by Richard Rich a position that has been uniformly accepted by historians since 1964 HENRY ANSGAR KELLY is past Director of the Center for Medieval and Renaissance Studies UCLA LOUIS W KARLIN is an attorney with the California Court of Appeal and Fellow of the Center for Thomas More Studies University of Dallas GERARD B WEGEMER is Director of the Center for Thomas More Studies

If Is the Only Peacemaker Greg Maillet, 2022-06-13 *If Is the Only Peacemaker* explores the drama of Shakespeare through a cultural lens that can be shown to be central to the formation of this theatrical art fourteenth to sixteenth century Catholic Humanism Part I of this book traces this tradition through key figures in Medieval and Renaissance Humanism including Dante Chaucer Erasmus and Thomas More The latter two especially convey Catholic Humanism to Shakespeare's England and help to establish a rhetorical ideal the union of eloquentia and sapientia of wit and wisdom Part II then closely reads one of Shakespeare's major comedies *As You Like It* through this ideal finding in this play an outstanding example of the Catholic Humanist rhetoric central to Shakespeare's art This part of the book also mingles rhetorical and performance criticism citing six different productions of *As You Like It*

A Thomas More Source Book Gerard B. Wegemer, Dr. Stephen W. Smith, Stephen W. Smith, 2004 *A Thomas More Sourcebook* brings together classic texts by and about Thomas More to reflect his views on education politics church state relations love and friendship The writings shed light on More's distinctive Christian humanism and feature three famous sixteenth century accounts of More's life by Erasmus Roper and a team of London playwrights including William Shakespeare Catholic University of American Press

Thomas More Dorothy Smith, Robert Broomfield, 1990-09-01 Examines the life of the sixteenth century English scholar and statesman whose clash of wills with Henry the Eighth led to his execution and eventual canonization

Thomas More's Utopia Lawrence Wilde, 2016-08-12 The 500th anniversary of the first publication of Thomas More's *Utopia* invites a reappraisal of its significance not just as an ironic and playful fiction but as a serious contribution to social and political thought More delivers a searing critique of the injustices of his time and imagines a radical alternative based on common ownership and representative government In this new interpretation Wilde surveys the context from which *Utopia* emerged and analyses its key themes politics economics social relations crime and punishment war and religion Although the society of the Utopians is created as a remedy to the ailments of the old world there are restrictions on individual freedom which reflect More's suspicion of human nature's innate fragility Wilde argues that this should not detract from the power of the book in challenging the root causes of inequality and oppression The true legacy of *Utopia* lies in its plea for social justice in the face of a world driven by greed and the lust for power A compelling case is made for the continued relevance of this masterpiece a legacy that should not be diminished by attempts to discredit More's character which are dealt with here in the epilogue Offering a new perspective on this important historical text this book is essential reading for students and scholars working in radical politics the history of social thought and literature as well as anyone interested in learning more about this fascinating work

The Great Ones V. K. Subramanian, 2004 Like Its Predecessor

The Disintegrating Conscience and the Decline of Modernity Steven D. Smith, 2023-10-15 This book considers how the modern concept of conscience turns the historic commitment on its head in a way that underlies the decadence of modern society Steven D Smith s books are always anticipated with great interest by scholars jurists and citizens who see his work on foundational questions surrounding law and religion as shaping the debate in profound ways Now in *The Disintegrating Conscience and the Decline of Modernity* Smith takes as his starting point Jacques Barzun s provocative assertion that the modern era is coming to an end Smith considers the question of decline by focusing on a single theme conscience that has been central to much of what has happened in Western politics law and religion over the past half millennium Rather than attempting to follow that theme step by step through five hundred years the book adopts an episodic and dramatic approach by focusing on three main figures and particularly portentous episodes first Thomas More s execution for his conscientious refusal to take an oath mandated by Henry VIII second James Madison s contribution to Virginia law in removing the proposed requirement of religious toleration in favor of freedom of conscience and third William Brennan s pledge to separate his religious faith from his performance as a Supreme Court justice These three episodes Smith suggests reflect in microcosm decisive turning points at which Western civilization changed from what it had been in premodern times to what it is today A commitment to conscience Smith argues has been a central and in some ways defining feature of modern Western civilization and yet in a crucial sense conscience in the time of Brennan and today has come to mean almost the opposite of what it meant to Thomas More By scrutinizing these men and episodes the book seeks to illuminate subtle but transformative changes in the commitment to conscience changes that helped to bring Thomas More s world to an end and that may also be contributing to the disintegration of per Barzun the modern era

The Renaissance Reform of the Book and Britain David Rundle, 2019-05-02 Reform of the script was central to the humanist agenda this book suggests a new explanation of its international success

The Impact of Humanism on Western Europe During the Renaissance A.

Goodman, Angus Mackay, 2014-06-11 An up to date synthesis of the spread and impact of humanism in Europe A team of Renaissance scholars of international reputation including Peter Burke Sydney Anglo George Holmes and Geoffrey Elton offers the student academic and general reader an up to date synthesis of our current understanding of the spread and impact of humanism in Europe Taken together these essays throw a new and searching light on the Renaissance as a European phenomenon

Biblical Scholarship and the Church Allan K. Jenkins, Patrick Preston, 2016-04-15 Conflicting claims to authority in relation to the translation and interpretation of the Bible have been a recurrent source of tension within the Christian church and were a key issue in the Reformation debate This book traces how the authority of the Septuagint and later that of the Vulgate was called into question by the return to the original languages of scripture and how linguistic scholarship was seen to pose a challenge to the authority of the teaching and tradition of the church It shows how issues that remained unresolved in the early church re emerged in first half of the sixteenth century with the publication of Erasmus Greek Latin New Testament of 1516 After examining the differences between Erasmus and his critics the authors contrast the situation in England where Reformation issues were dominant and Italy where the authority of Rome was never in question Focusing particularly on the dispute between Thomas More and William Tyndale in England and between Ambrosius Catharinus and Cardinal Cajetan in Italy this book brings together perspectives from biblical studies and church history and provides access to texts not previously translated into English

The Thought and Culture of the English Renaissance Elizabeth M. Nugent, The King's Cardinal Peter J Gwyn, 2011-04-30 Proud greedy corrupt and driven by overwhelming personal ambition Such is the traditional image of Thomas Wolsey Lord Chancellor Archbishop of York Bishop of Winchester Abbot of St Albans Bishop of Tournai and Papal Legate It is an image which Peter Gwyn examines challenges and decisively overturns in this remarkable book From exceedingly humble beginnings Wolsey rose to a pinnacle of power unsurpassed by any other British commoner Peter Gwyn explores every aspect of the Cardinal's career not least his relationship with Henry VIII and sets it firmly in a vividly recreated Tudor world The Wolsey who emerges is a man of prodigious energy and ability a tireless dispenser of justice an enlightened reformer wholly dedicated to his king and country a man who has been consistently misrepresented and maligned for four and a half centuries

Getting the books **The Kings Good Servant Sir Thomas More** now is not type of challenging means. You could not abandoned going in the manner of ebook stock or library or borrowing from your contacts to entrance them. This is an no question easy means to specifically acquire lead by on-line.
