The Land Called Holy Palestine In Christian History Thought:

The Land Called Holy Robert Louis Wilken, 1992-01-01 Drawing on both primary texts and archaeology Wilken traces the Christian conception of a Holy Land from its origins in the Hebrew Bible to the Muslim conquest of Jerusalem in the seventh century

The Rowman & Littlefield Handbook of Christianity in the Middle East Mitri Raheb, Mark A. Lamport, 2020-12-15 This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region

Identity and Territory Eyal Ben-Eliyahu, 2019-04-30 Throughout history the relationship between Jews and their land has been a vibrant much debated topic within the Jewish world and in international political discourse Identity and Territory explores how ancient conceptions of Israel of both the land itself and its shifting frontiers and borders have played a decisive role in forming national and religious identities across the millennia Through the works of Second Temple period Jews and rabbinic literature Eyal Ben Eliyahu examines the role of territorial status boundaries mental maps and holy sites drawing comparisons to popular Jewish and Christian perceptions of space Showing how space defines nationhood and how Jewish identity influences perceptions of space Ben Eliyahu uncovers varied understandings of the land that resonate with contemporary views of the relationship between territory and ideology

From the Passion to the Church of the Holy Sepulchre Jordan J. Ryan, 2021-01-14 Since the early 4th century Christian pilgrims and visitors to Judea and Galilee have worshipped at and been inspired by monumental churches erected at sites traditionally connected with the life and ministry of Jesus of Nazareth This book examines the history and archaeology of early Christian holy sites and traditions connected with specific places in order to understand them as interpretations of Jesus and to explore them as instantiations of memories of him Ryan's overarching aim is to construe these places as instantiations of what historian Pierre Nora has called lieux de mémoire sites where memory crystallizes and where possible to track the course and development of the traditions underlying them from their genesis in the Gospel narratives to their eventual solidification in the form of pilgrimage sites So doing will bring rarely considered evidence to the study of early Christian memory which in turn helps to illuminate the person of Jesus himself in both history and reception

The Oxford Handbook of Medieval Christianity John H. Arnold, 2014-08-21 The Oxford Handbook of Medieval Christianity takes as its subject the beliefs practices and institutions of the Christian Church between 400 and 1500AD It addresses topics ranging from early medieval monasticism to late medieval mysticism from the material wealth of the Church to the spiritual exercises through which certain believers might attempt to improve their souls Each chapter tells

a story but seeks also to ask how and why Christianity took particular forms at particular moments in history paying attention to both the spiritual and otherworldly aspects of religion and the material and political contexts in which they were often embedded This Handbook is a landmark academic collection that presents cutting edge interpretive perspectives on medieval religion for a wide academic audience drawing together thirty key scholars in the field from the United States the UK and Europe Notably the Handbook is arranged thematically and focusses on an analytical rather than narrative approach seeking to demonstrate the variety change and complexity of religion throughout this long period and the numerous different ways in which modern scholarship can approach it While providing a very wide ranging view of the subject it also offers an important agenda for further study in the field

Jerusalem Tamar Mayer, Suleiman A. Mourad, 2008-05-09 With contributions from many noted scholars in a wide range of fields this is a multidisciplinary study of one of the world's great cities that is of enormous historical religious and political significance

Conversion in Late Antiquity: Christianity, Islam, and Beyond Arietta Papaconstantinou, Daniel L. Schwartz, 2016-03-03 The papers in this volume were presented at a Mellon Sawyer Seminar held at the University of Oxford in 2009-2010 which sought to investigate side by side the two important movements of conversion that frame late antiquity to Christianity at its start and to Islam at the other end Challenging the opposition between the two stereotypes of Islamic conversion as an intrinsically violent process and Christian conversion as a fundamentally spiritual one the papers seek to isolate the behaviours and circumstances that made conversion both such a common and such a contested phenomenon The spread of Buddhism in Asia in broadly the same period serves as an external comparator that was not caught in the net of the Abrahamic religions The volume is organised around several themes reflecting the concerns of the initial project with the articulation between norm and practice the role of authorities and institutions and the social and individual fluidity on the ground Debates discussions and the expression of norms and principles about conversion conversion are not rare in societies experiencing religious change and the first section of the book examines some of the main issues brought up by surviving sources This is followed by three sections examining different aspects of how those principles were or were not put into practice how conversion was handled by the state how it was continuously redefined by individual ambivalence and cultural fluidity and how it was enshrined through different forms of institutionalization Finally a topographical coda examines the effects of religious change on the iconic holy city of Jerusalem

The Saint's Saints Susan Weingarten, 2018-12-10 The Saint's Saints presents Jerome's world picture as seen through his saints Lives It analyses both his rhetoric and his descriptions of realia and the way he combines classical Christian and Jewish sources to re-write the biblical Holy Land as a new and Christian world for his readers Susan Weingarten looks at how Jerome dovetails his literary sources with his experience of the material world of the fourth century to write the Lives of the saints Paul Hilarion Malchus and Paula effectively using them to write the Life of Saint Jerome This is the first full length study of Jerome's saints Lives It widens the on going debate about mutual influences in Jewish and

Christian literature in the fourth century and revises our picture of the historical geography of Palestine This Holy Place Steven Fine, 2016-10-17 Steven Fine's *This Holy Place* is a comprehensive treatment of the synagogue as a place of sanctity in Late Antiquity. This book is essential for an understanding of how the synagogue became the central Jewish communal institution and how it served as a substitute for the destroyed Jerusalem Temple during the long period of Jewish exile from the Land of Israel. Fine's mastery of both archaeological evidence and a wide variety of literary sources makes this a major contribution to the field. Lawrence H. Schiffman, New York University. Fine has mastered an unusually wide range of disciplines: rabbinical sources, archaeology, art, and epigraphy. His book is thoroughly researched, well written, and engagingly presented. It should be required reading for anyone interested in how this most central institution of Jewish life was perceived and presented. Lee I. Levine, Hebrew University of Jerusalem. I read *This Holy Place* with the greatest profit and enjoyment. It is an important contribution to the entire nature of late antique civilization and not only to Jewish studies. Peter Brown, Princeton University. Steven Fine is the Dean Pinkhos Churgin Professor of Jewish History at Yeshiva University. *From Martyr to Mystic* Ra'anan S. Boustani, 2005 This study provides a critical analysis of Nurcholish Madjid's attempt to interpret Islam within the framework of modern Indonesia. Special attention is paid to his ideas and activities during the years leading to the 1998 downfall of President Soeharto and the development towards democracy that followed. Although many of these ideas have been embraced by significant sectors of official Indonesia, they have also received harsh criticism from the representatives of more conservative interpretations of Islam and more recently from secular Muslims as well. BOOK JACKET

The Global Edwards Rhys S. Bezzant, 2017-10-20 In a globalized world, networks are key, whether they are networks of people, ideas, or interests. In this volume of essays on the texts and teachings of Jonathan Edwards, contributors from each continent ask questions about how the world of Edwards explains or illuminates the world of today, whether in the area of systematics, missions, historiography, politics, church planting, or biblical studies. Such diverse discourses enrich the networks of scholarship that the contributors represent and provide a global snapshot of contemporary research in Edwards studies. These papers were presented in August 2015 at the Jonathan Edwards Congress held at Ridley College in Melbourne, Australia, where personal engagement with the topics at hand made the worldwide network of Edwards aficionados and scholars not merely a virtual aspiration but an experience in time and space. This book will not only inform its readers but surprise them as well as they track the power of eighteenth-century theological ideas in the late modern world. *In the Shadow of the Temple* Oskar Skarsaune, 2008-10-28 Oskar Skarsaune gives us a new look into the development of the early church and its practice by showing us the evidence of interaction between the early Christians and rabbinic Judaism. He offers numerous fascinating episodes and glimpses into this untold story. Late Antique Jewish and Christian Travelogues Reuven Kiperwasser, Aryeh Kofsky, Serge Ruzer, 2024-12-16 Focusing on travel narratives as a setting for spelling out both cultural exchanges and identity building, the present volume maps a variety of strategies employed in travelogues by

Christians and Jews in the late antique Roman East The first part sheds light on the shared cultural background folkloric or mythic reflected in late antique Jewish and Christian sea travel stories and the various attempts to adapt it to a specific religious agenda While the comparative analysis of the sources from two textual communities emphasizes their different religious agendas it also allows for restoring patterns of the broader background with which they converse The second part highlights Christian perceptions of the Land of Israel in missionary enterprises and in the eschatological visions The travelogues offer a window on the interplay between shared inheritance and new agendas within the dialectical development of religious traditions in Late Antiquity

Wandering Monks, Virgins, and Pilgrims Maribel Dietz, 2010-11-01 Dietz finds that this period of Christianity witnessed an explosion of travel as men and women took to the roads seeking spiritual meaning in a life of itinerancy This book is essential reading for those who study the history of monasticism for it was a monastic context that religious travel first claimed an essential place within Christianity

The Specter of the Jews Ari Finkelstein, 2018-10-23 In the generation after Constantine the Great elevated Christianity to a dominant position in the Roman Empire his nephew the Emperor Julian sought to reinstate the old gods to their former place of prominence in the face of intense opposition from the newly powerful Christian church In early 363 c e while living in Syrian Antioch Julian redoubled his efforts to hellenize the Roman Empire by turning to an unlikely source the Jews With a war against Persia on the horizon Julian thought it crucial that all Romans propitiate the true gods and gain their favor through proper practice To convince his people he drew on Jews whom he characterized as Judeans using their scriptures institutions practices and heroes sometimes as sources for his program and often as models to emulate In *The Specter of the Jews* Ari Finkelstein examines Julian's writings and views on Jews as Judeans a venerable group whose religious practices and values would help delegitimize Christianity and surprisingly shape a new imperial Hellenic pagan identity

Authority and Dissent in Jewish Life Leonard J. Greenspoon, 2020-10-15 Throughout the long history of Judaism many individuals and groups have sought to wield authority on the basis of unique religious social familial military or political claims Moving historically from the biblical period to the modern day State of Israel *Authority and Dissent in Jewish Life* discusses a range of those claims to authority from within the Jewish community itself There is no single paradigm that characterizes these instances Yet again and again the same causes of disagreement arise interpretation and application of authoritative texts appropriate ways to remember and memorialize figures from the past the extent to which traditional leadership roles should or should not change in keeping with new cultural or political contexts the degree to which long held beliefs and long practiced rituals are or are not susceptible to modification or abandonment and the tension members of a Jewish community may feel when their leaders make pronouncements at odds with the political policies of the secular state in which they live Written accessibly the essays in this collection examine these phenomena from a wide variety of approaches genres and media They pay close attention to the historical and religious settings of the controversies they analyze yet also allow for ample reflection on the larger issues

of authority and dissent that each occurrence raises Damqatum - Number 17 (2021) Jorge Cano Moreno,2021-12-31

Damqatum is a journal dedicated to the history and archaeology of the Near East oriented to the general public *Holy War in Judaism* Reuven Firestone,2012-07-02 Holy War in Judaism is the first book to consider how the concept of holy war disappeared from Jewish thought for almost 2000 years only to reemerge with renewed vigor in modern times **History and Memory in the Carolingian World** Rosamond McKitterick,2004-07-29 The writing and reading of history in the early Middle Ages form the key themes of this 2004 book The primary focus is on the remarkable manifestations of historical writing in relation to historical memory in the Frankish kingdoms of the eighth and ninth centuries It considers the audiences for history in the Frankish kingdoms the recording of memory in new genres including narrative histories cartularies and Libri memoriales and thus particular perceptions of the Frankish and Christian past It analyses both original manuscript material and key historical texts from the Carolingian period a remarkably creative period in the history of European culture Presentations of the past developed in this period were crucial in forming an historical understanding of the Greco Roman and Judaeo Christian past and in subsequent centuries of early medieval Europe They also played an extraordinarily influential role in the formation of political ideologies and senses of identity within Europe *The Struggle for Jerusalem's Holy Places* Wendy Pullan,Maximilian Sternberg,Lefkos Kyriacou,Craig Larkin,Michael Dumper,2013-11-20 The Struggle for Jerusalem s Holy Places investigates the role of architecture and urban identity in relation to the political economy of the city and its wider state context seen through the lens of the holy places Reflecting the broad disciplinary backgrounds of the authors this book provides perspectives from architecture urbanism and politics and provides in depth investigations of historical ethnographic and policy related case studies The research is substantiated by fieldwork carried out in Jerusalem over the past ten years as part of the ESRC Large Grants project Conflict in Cities By analysing new dynamics of radicalisation through land seizure the politicisation of parklands and tourism the strategic manipulation of archaeological and historical narratives and material culture and through examination of general appropriation of Jerusalem s varied rituals memories and symbolism for factional uses the book reveals how possibilities of co existence are seriously threatened in Jerusalem Shedding new light on the key role played by everyday urban life and its spatial settings for any future political agreements about the city and its religious sites this book is a useful reference work for students and scholars of Middle East Studies Architecture Religion and Urban Studies

The Land Called Holy Palestine In Christian History Thought Introduction

In today's digital age, the availability of The Land Called Holy Palestine In Christian History Thought books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Land Called Holy Palestine In Christian History Thought books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Land Called Holy Palestine In Christian History Thought books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Land Called Holy Palestine In Christian History Thought versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Land Called Holy Palestine In Christian History Thought books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Land Called Holy Palestine In Christian History Thought books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Land Called Holy Palestine In Christian History Thought books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Land Called Holy Palestine In Christian History Thought books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Land Called Holy Palestine In Christian History Thought books and manuals for download and embark on your journey of knowledge?

FAQs About The Land Called Holy Palestine In Christian History Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Land Called Holy Palestine In Christian History Thought is one of the best book in our library for free trial. We provide copy of The Land Called Holy Palestine In Christian History Thought in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Land Called Holy Palestine In Christian History Thought. Where to download The Land Called Holy Palestine In Christian History Thought online for free? Are you looking for The Land Called Holy Palestine In Christian History Thought PDF? This is definitely going to save you time and cash in something you should think about.
