thousands of years until now Why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid offspring called the Nephilim Is it possible that these beings used gateway technology housed within pyramids and holy temples to travel between the heavenly and earthly realms Do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own Do the recorded voices of the dead known as Electronic Voice Phenomena EVP indicate that we may be able to communicate with these other realms Was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it Does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history Drawing from a variety of historical sources and years of meticulous research the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together formulate a radically new narrative concerning the history and destiny of the human race

The Lost Civilization Enigma Philip Coppens,2012-10-22 An examination of archaeological controversies with arguments showing evidence of prehistoric civilizations not recorded as part of human history Are history books giving us the whole story Or is civilization far more complex and older than we have been taught Our school textbooks barely mention the 6 000 year old Sumerian civilization yet the latest archaeological findings at sites such as Jericho and most recently Gobekli Tepe in Turkey have been dated to 10 000 BC Civilization goes back at least another 10 000 years if we are willing to believe what our ancestors themselves claimed The Lost Civilization Enigma reveals the truth about Lost magnitudes to known cultures such as the Bosnian Pyramids and the civilization of Old Europe The fabled lost golden cities of South America and the Amazon which are slowly being rediscovered Fascinating examples of lost technology such as the Antikythera Device Atlantis and the fact that it was a real civilization Analyzing the historical and archaeological record best selling author Philip Coppens
