New York Court of Appeals. Records and Briefs. New York (State)., *Landmarks Preservation and the Property Tax* David Listokin,2017-07-12 Historic preservation is an issue of growing importance and public commitment Federal and state mechanisms have been established to identify and support historic buildings sites while local governments have been active in supporting and protecting historic resources Communities across the country have established designation programs whereby individual buildings or districts of historical architectural significance are accorded landmark status Designation activity has been accompanied by growing interest in other local incentives disincentives to the support of historic buildings In this regard the property tax is viewed as either a possible powerful drawback to or a catalyst of preservation This study examines the relationship between historic preservation and the property tax focusing on the question of how designated buildings should be assessed for real taxation purposes Listokin focuses on New York City in considering the effects of historic status on property value and in evaluating assessment practices But this book s findings are transferrable to other communities because the base conditions are similar Many other cities have designation programs modeled on New York City s In addition New York s property tax system and administrative processes resemble those found in communities across the nation To enhance the transferability of this study s findings Listokin refers to the national experience and literature typically on a side by side basis with the New York City counterpart **Preserving New York** Anthony Wood,2013-10-28 Preserving New York is the largely unknown inspiring story of the origins of New York City s nationally acclaimed landmarks law The decades of struggle behind the law its intellectual origins the men and women who fought for it the forces that shaped it and the buildings lost and saved on the way to its ultimate passage span from 1913 to 1965 Intended for the interested public as well as students of New York City history architecture and preservation itself over 100 illustrations help reveal a history richer and more complex than the accepted myth that the landmarks law sprang from the wreckage of the great Pennsylvania Station Images include those by noted historic photographers as well as those from newspaper accounts of the time Forgotten civic leaders such as Albert S Bard and lost buildings including the Brokaw Mansions are unveiled in an extensively researched narrative bringing this essential episode in New York s history to future generations tasked with protecting the city s landmarks For the first time the story of how New York won the right to protect

its treasured buildings neighborhoods and special places is brought together to enjoy inform and inspire all who love New York
