Comedy Frank Holder, Darryl Littleton, 2019-11-04 On This Day in Comedy is not just an encyclopedia but a celebration of comedy. In humorous prose, the book takes readers through the often neglected subcultures of comedy in America, acknowledging the inclusiveness of the performers as well as shows and films that made this art form so vital to comics of all backgrounds. It's artistically criminal that a search for Native American or Asian comedy information yields a virtually blank slate. Look for Middle Eastern comics and you'll be provided information on the region's comic book revolution and search results for Latin comedy are confined to a series of outdated articles. This encyclopedia will offer rare and in some cases never before seen photos and obscure facts, making it an indispensable comedy essential. **Small Press Record of Books in Print** Len Fulton, 1994 **The Library Journal Book Review**, 1977
