**The Christian's Guide to Living in the Last Days Vol.2** Billy Crone,2019-01-03 It s not enough to just know we re living in the Last Days the point is to do something about it We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it s too late Time is simply running out The problem is most Christians are distracted disinterested or flat out apathetic making no difference for Jesus in these Last Days On top of that their countenance is a bad walking advertisement for Jesus Therefore this book The

Christian s Guide to Living in the Last Days Vol 2 seeks to equip you the reader with pivotal keys that are absolutely crucial if we re ever going to have that life changing walk with Jesus in these final hours Here you will learn such insights as The Dangers of a Misplaced Mind The Dangers of a Misplaced Lifestyle Focus Attitude Behavior Understanding and Posture Turn your walk and witness around for Jesus before it s too late Signposts of the Last Days Bill Goodwin,2012-06-07

SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around Last Days Fables Gerald Shugart,2019-06-04 Eschatology the Bible is incredibly clear on most components of the subject However many Bible scholars attempt to muddy the waters regarding the study of the last days of this age by adhering to a flawed basic interpretation of the Bible Many individuals miss the mark of Biblical truth as God intended man to understand it while causing confusion and concern amongst the masses even Christians This is a cycle of failure that perpetuates error and bewilderment for many who search for accurate information pertaining to the future Author and Bible teacher Gerald Shugart presents the truth of God s Word plainly herein to guide readers away from confusion and error and into a place of information accuracy and contentedness in the Lord and His perfect plan Do you desire to have a more complete understanding of eschatology the study of the future period described commonly as the last days Follow along with the author as he provides Biblical truth and guidance in a simple to understand manner **In the Last Days , The Last Days of Aurelian; Or, The Nazarenes of Rome** William Ware,1838 **Despotism, Or, The Last Days of the American Republic** Reuben Vose,1856 **The last days of Aurelian; or, The Nazarenes of Rome. By the author of 'Zenobia, queen of the East'.** William Ware,1838 **The Suffering Savior; Or, Meditations on the Last Days of Christ** Friedrich Wilhelm Krummacher,1860 **The Last Days of Everest** Dean Allen,2010-08 Members of a Nepalese family are embroiled in a blood feud that is decades old The feud involves the legitimate property rights to land which members of the family have shared for over a century China to the east gets involved when she sends an emissary agent to mediate the dispute over the land in question The emissary is not forthright when he portrays the ownership of the land to be that of one of the two individuals involved in the dispute He has lied to the man The emissary had reasons of his own for the dispute to devolve into a bloody battle A massacre results with the deaths of all but the youngest son of one of

the men involved in the dispute Years pass and China has found out that the Himalayan Plateau has an immense pocket of geothermal energy deep below the surface She desperately needs to gain access and control of this energy source for her to become a major world power in the next century China sees this one particular family s blood feud as an opportunity to tap this energy source with whatever means necessary and focus the blame on someone else China s plot is successful but it doesn t go exactly as planned
