Egyptian Entrepreneurs in Italy through the Global Crisis Fears, Hopes and Strategies, The Daredevil Entrepreneur Thomas Gotshall, 2013-12. A Daredevil is defined as a person without fear. Also an individual that dares to try and achieve things most others would not consider trying. An Entrepreneur is a person that starts a business and is willing to risk loss in order to make money. To truly be successful as an entrepreneur you must at times be a daredevil. You have to possess a high tolerance for risk. The simple fact is few dare to become an entrepreneur because of fear along with the possibility of failure. However, failure is part of the process of becoming really successful. The Wright Brothers crashed many times before taking flight. All highly successful entrepreneurs experience failure. However, they learn, regroup, and move forward again. One of the few ways to achieving great financial independence is by becoming a proven entrepreneur. This manuscript you are holding in your hands or viewing on line is one step towards success. I hope you read and learn from all of my experiences. Move forward and believe in yourself. Thomas J Gotshall.
