Preminger began his Hollywood career in 1936 as a contract director When the conditions emerged that led to the fall of the studio system he had the insight to perceive them clearly and the boldness to take advantage of them turning himself into one of America's most powerful filmmakers More than anyone else Preminger represented the transition from the Hollywood of the studios to the decentralized wheeling and dealing New Hollywood of today Chris Fujiwara's critical biography the first in more than thirty years follows Preminger throughout his varied career penetrating his carefully constructed public persona and revealing the many layers of his work *NIV* Graham Lord, 2004-12-14 This is the first and only authorized biography of Academy Award winning actor David Niven
