## **The Last September:**

*The Last September* Elizabeth Bowen, 2025 The Last September masterfully depicts the decline of the Anglo Irish aristocracy during the Irish War of Independence

**The Last September** Elizabeth Bowen, 2025-05-25 The story of Elizabeth Bowen's *The Last September* unfolds at the fading country estate of Sir Richard and Lady Myra Naylor in Danielstown. Set against the backdrop of the Irish War of Independence in the early 1920s, the novel is chiefly concerned with the character of Lois Farquar, the Naylor's 19-year-old niece who comes to live with them following the death of her parents. As Lois faces the struggles of emerging from adolescence into adulthood, her emotional uncertainty reflects the broader struggle of Ireland as the nation collectively grapples with its own search for identity. As the summer draws to a close, the Naylor's and their guests largely continue their social routines yet are plagued by a sense that their era, like the social season, is coming to an end. The dwindling grandeur of the country estate mirrors the broader sense of decay that belies the Anglo Irish aristocracy as a whole. *The Last September* is as much a reflection on this mood of uncertainty in the face of change for the characters and the country as it is about anything else.

*The Last September* Nina de Gramont, 2016-07-05 If you liked *The Girl on the Train*, read *The Last September*, a literary whodunit set on Cape Cod weaving a murder mystery with the emotionally intense story of a fraying marriage. Newsday: Impossible to put down. With an artist's eye and a poet's heart, de Gramont realizes a world of love, mystery, and the shattering sorrow of mental illness, deceit, hope, and lives cut short. Library Journal starred review: Brett has been in love with her husband Charlie from the day she laid eyes on him in college. When he is found murdered, Brett is devastated. But if she is honest with herself, their marriage had been hanging by a thread for quite some time. All clues point to Charlie's mentally ill brother Eli, but any number of people might have been driven to kill Charlie, a handsome charismatic man who unwittingly damaged almost every life he touched. Brett is determined to understand how such a tragedy could have happened and whether she was somehow complicit. Set in the desolate autumn beauty of Cape Cod, this riveting emotional puzzle explores the psyche of a woman facing down the meaning of love and loyalty. *The Last September* is a wonderful glowing book populated by characters that become a part of your life long after the last page has been turned. It is the type of novel writers admire and readers long for. Jason Mott, author of *The Returned*. Brilliant rendering of love story and murder mystery. I was hooked by the first paragraph, which somehow contains all the beautiful, luminous grief of the whole story, and I truly did not want to let it go. In the end, Brad Watson, author of *Aliens in the Prime of Their Lives*. A moody murder mystery. Boasts lovely understated writing, sharply drawn settings, and once again, characters who are irresistibly attractive, flawed, and dangerous. A fine literary whodunit from an accomplished storyteller. Kirkus Reviews.

**The Last September**, 1969 **The Last September** Elizabeth Bowen, 1979 **The Last September** Elizabeth Bowen, 1990-01 Livet på det lokale gods i Danielstown i Irland med tennis, baller og omgang med de engelske officerer fra den lokale garnison. Stærk kontrast til det ulmende irske oprør mod englænderne. *Twentieth-century Fiction by Irish Women*

Heather Ingman,2007 Heather Ingman's study argues that reading twentieth century Irish women's fiction in the light of Kristeva's theories of nationhood places Irish women at the heart of writing about the nation and demonstrates that the political dimension of their fiction has often been underestimated Her book is an important contribution to the study of gender in Irish writing that changes the way we view Irish women's writing **Ireland's Gramophones** Zan

Cammack,2021-08-10 Because gramophonic technology grew up alongside Ireland's progressively more outspoken and violent struggles for political autonomy and national stability Irish Modernism inherently links the gramophone to representations of these dramatic cultural upheavals Many key works of Irish literary modernism like those by James Joyce Elizabeth Bowen and Sean O Casey depend upon the gramophone for their ability to record Irish cultural traumas both symbolically and literally during one of the country's most fraught developmental eras In each work the gramophone testifies of its own complexity as a physical object and its multiform value in the artistic development of textual material In each work too the object seems virtually self placed less an aesthetic device than a thing belonging primordially to the text The machine is also often an agent and counterpart to literary characters Thus the gramophone points to a deeper connection between object and culture than we perceive if we consider it as only an image enhancement or instrument This book examines the gramophone as an object that refuses to remain in the background of scenes in which it appears forcing us to confront its mnemonic heritage during a period of Irish history burdened with political and cultural turbulence *Miscellaneous Documents* United States. Wells Woodbridge Cooke,1888 **Traces of Another Time** Margaret Scanlan,2014-07-14 Is the historical novel the outmoded genre that some people imagine form inseparable from romanticism nationalism and the nineteenth century In this stimulating volume Margaret Scanlan answers a convincing no as she demonstrates the relevance of historical novels by well known figures such as Anthony Burgess John le Carr Graham Greene Doris Lessing Iris Murdoch and Paul Scott as well as by less well established writers such as Joseph Hone and Thomas Kilroy Scanlan shows what a skeptical experimental approach to the relationship between history and fiction these writers adopt and how radically they depart from the mimetic conventions usually associated with historical novels Drawing on contemporary historiography and literary theory Scanlan defines the problem of writing historical fiction at a time when people see the subject of history as fragmentary and uncertain The writers she discusses avoid the great events of history to concentrate on its margins what interests them is history as it is experienced usually reluctantly by human beings who would rather be doing something else The first section of the book looks at fictional representations of England's difficult history in Ireland the second examines spies aliens and the loss of

public confidence and the third probes the theme of Apocalypse nuclear or otherwise and depicts the collapse of the British Empire as an instance of the greatly diminished importance of Western culture in the world Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Joint Publications Research Service,1972      **Marking Whiteness** Sonita Sarker,Jennifer Nesbit,2025-09-01 The collection is divided into three parts to address the practices of Whiteness in modernist studies Aesthetics Intersectionality and Inter disciplinary Practice We begin with aesthetics because modernism is the aesthetic produced in dynamic relation to the cultural formations of modernity perceived rapid changes in labor transportation technology and perceptions of body mind and even character Essays in this section examine how the production of Whiteness is baked in as a positive value in assessing the value of cultural production The second section focuses on the embodiment of Whiteness primarily through the gendered and racialized female body as a deflative practice that unmarks Whiteness while making it central to cultural crises around morality national borders and futurity The third section considers the tacit prioritization of Whiteness as a positive value through institutional structures and pedagogical practice these case studies ruminate on the generative potential of isolating and marking these effects In each essay scholars examine the stakes of marking Whiteness as a category of analysis distinct from yet wholly imbricated with racial categorization given the potential for reification inherent in all strategies of marking

**Crop Production** ,2006      **Troubled Histories, Troubled Fictions** ,2022-05-20 Twentieth century Irish fiction powerfully reflects the intensely political nature of the Irish experience for the last hundred years and earlier The essays in *Troubled Histories Troubled Fictions* Twentieth Century Anglo Irish Prose focus upon the various ways in which the work of authors otherwise as diverse as James Joyce James Stephens Elizabeth Bowen Molly Keane Eimar O Duffy Jennifer Johnston William Trevor Julia O Faolain and a number of recent women writers synchronizes with items that are or were high on the agenda of Irish politics Discussion ranges from the political and ideological use to which Joyce puts etymology sex and early Irish history the symbolical importance of the Big House and the politics of sexuality in the immediate post independence period to representations of the recent Troubles

**Irish Childhoods** Pádraic Whyte,2011-05-25 While much has been written about Irish culture s apparent obsession with the past and with representing childhood few critics have explored in detail the position of children s fiction within such discourses This book serves to redress these imbalances illuminating both the manner in which children s texts engage with complex cultural discourses in contemporary Ireland and the significant contribution that children s novels and films can make to

broader debates concerning Irish identity at the end of the twentieth and beginning of the twenty first centuries Through close analysis of specific books and films published or produced since 1990 *Irish Childhoods* offers an insight into contrasting approaches to the representation of Irish history and childhood in recent children s fiction Each chapter interrogates the unique manner in which an author or filmmaker engages with twentieth century Irish history from a contemporary perspective and reveals that constructions of childhood in Irish children s fiction are often used to explore aspects of Ireland s past and present
