Excerpt from The Four Last Things Death Judgment Hell Heaven And if some people apparently pass away most peacefully this is because nature exhausted by suffering has no longer the force to struggle with death We know from the testimony of Our Redeemer Himself that no agony is like the agony of death Although throughout the whole course of His sorrowful Passion He was tortured in a terrible manner yet all the martyrdom He endured was not to be compared with what He suffered at the moment of His death This we gather from the Gospels Nowhere do we find that at any period of His life the greatness of the pains He bore extorted from Our Lord a cry of anguish But when the moment came for Him to expire and the ruthless hand of death rent His Heart asunder we read that He cried out with a loud voice and gave up the ghost Hence it is evident that at no period of the Passion did Christ suffer so acutely as at the most painful separation of His sacred soul from His blessed body About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Four Last Things** Robert Bolton,2014-07-18 **The Four Last Things** William Bates,1691 **The Four Last Things** William Bates,1825 [The Four Last Things](#) Martin Von Cochem,2019-11-26 This book is based on the 1899 edition of the same author This new edition is unique because of the following It improves the formatting of the book for a better reading experience This book is not a scanned version of the 1899 edition but a totally new edition This book contains more than 10 pictures relevant to the subjects treated on this book to assist at the meditation of the subjects What Other people who have bought this book have said about its content I am 69 years old and have read many hundreds of books during my lifetime None of them has impacted me to the degree that The Four Last Things has Seldom if ever have I read a book more than once I am now on my third reading of The Four Last Things This book will never be placed in my bookshelf to gather dust It will be on my coffee table or side table for the duration This is a book that I will
