The Last Wagon:

The Last Wagon Train William W. Johnstone, J.A. Johnstone, 2024-10-22 Legendary nationally bestselling Western authors return with a brand new West Texas set series for their legions of loyal fans WILL THIS BE THE LAST WAGON TRAIN A new railroad line is coming to Hansen s Bend and the Old West will never be the same Especially for the Callahans They ve been running the local wagon train outfit for years But now a pompous rail boss named Arbuckle wants to put them out of business This big city weasel mocks the Callahans slow poke wagons and bets he can finish laying track all the way to the end of the line before Callahan s wagon train even makes it over the mountains Callahan accepts the challenge and gets gunned down before it even starts But the contest isn t over The wagoner s son Luke Tomahawk Callahan has returned to Hansen s Bend after five years as an army scout He knows nothing about the rail boss s challenge or his father s murder until he sees the newspaper headline The Last Wagon Train The pretty lady journalist who wrote it wants to ride along and follow this story to the end And of course Tomahawk wants to defend his father s honor and avenge his death But Arbuckle has sent his henchmen to sabotage the wagon train to make sure Tomahawk and his wagons are dead on arrival **Where Does It**

Hurt? Jonathan Bush, Stephen Baker, 2014-05-15 A bold new remedy for the sprawling and wasteful health care industry Where else but the doctor s office do you have to fill out a form on a clipboard Have you noticed that hospital bills are almost unintelligible except for the absurdly high dollar amount Why is it that technology in other industries drives prices down but in health care it s the reverse And why in health care is the customer so often treated as a mere bystander and an ignorant one at that The same American medical establishment that saves lives and performs wondrous miracles is also a 2 7 trillion industry in deep dysfunction And now with the Affordable Care Act Obamacare it is called on to extend full benefits to tens of millions of newly insured You might think that this would leave us with a bleak choice either to devote more of our national budget to health care or to make do with less of it But there s another path In this provocative book Jonathan Bush cofounder and CEO of athenahealth calls for a revolution in health care to give customers more choices freedom power and information and at far lower prices With humor and a tell it like it is style he picks up insights and ideas from his days as an ambulance driver in New Orleans an army medic and an entrepreneur launching a birthing start up in San Diego In struggling to save that dying business Bush s team created a software program that eventually became athenahealth a cloud based services company that handles electronic medical records billing and patient communications for more than fifty thousand medical providers nationwide Bush calls for disruption of the status quo through new business models new payment models and new technologies that give patients more control of their care and enhance the physicianpatient experience He shows how this is already happening From birthing centers in Florida to urgent care centers in West Virginia upstarts are disrupting health care by focusing on efficiency innovation and customer service Bush offers a vision and plan for change while bringing a breakthrough perspective to the debates surrounding Obamacare You ll learn how Well intended government regulations

prop up overpriced incumbents and slow the pace of innovation Focused profit driven disrupters are chipping away at the dominance of hospitals by offering routine procedures at lower cost Scrappy digital start ups are equipping providers and patients with new apps and technologies to access medical data and take control of care Making informed choices about the care we receive and pay for will enable a more humane and satisfying health care system to emerge Bush s plan calls for Americans not only to demand more from providers but also to accept more responsibility for our health to weigh risks and make hard choices in short to take back control of an industry that is central to our lives and our economy **Leonard**

Westerns Edward Buscombe,2019-07-25 Addresses the perennial appeal of the Western exploring its 19th century popular culture and its relationship to the economic structure of Hollywood This work considers the defining features of the Western and traces its main cycles from the epic Westerns of the 1920s and singing cowboys of the 1930s to the Spaghetti Westerns of the 1960s

They Came With Faith, Hope, and Courage Glen Ruane,2010-04 **A Widow'S Might** Kathryn Bolser Banks,2016-08-10 West Chester in Southwest Ohio was a small rural community in 1922 when Olive Naomi Jackson and Joseph Franklin Bolser married He was the youngest of six sons and she was reared as an only child after the death of hersister in infancy Both grew up on farms and when they married it was natural they would work together to establish a dairy herd and build a farming operation of their own Their family grew as goals were accomplished but life took some unexpected twists and turns Perseverance endurance and faith played major roles in the survival of their family In 1928 Olive now a young mother of three faces challenges when Joe dies unexpectedly Keeping the family together in the face of tragedy is made more difficult by limited job opportunities for women A Widows Might by author Kathryn Bolser Banks narrates the life experiences of her paternal grandmother who had a gift for remembering details about everyday life and including them in her recollections of days gone by Memories notes and diaries all contributed to the story of how one woman overcame the odds to save herself and preserve her family This memoir shares the joys and challenges of life in a bygone era while illuminating timeless lessons about family ties It highlights how devotion and determination translate into actions that bind people together through difficult situations

Raid on Innocence Billy H. Dean,2011-10 Raid on Innocence In the years before the Civil War began the small town of Salinas Indiana was starting a period of growth that could turn this farming community into a small city The driving force behind the growth was the combined effort of two hard working farmers with a vision to make Salinas one of the major cities in southern Indiana William Consley raised and trained quality saddle team and workhorses for most of the farmers and businessmen in the northern half of the county He always had 30 to 40 horses on his 300 acre farm but could sometimes have as many as 10 additional that were being trained Andrew Davis had an expanding cattle business that reached out to support other businesses in the community His 1000 acres could support over 500 head of cattle that he sent to the slaughterhouse in town and then sent the hides to the tan yard to be made into leather The ice harvesting he did in the winter allowed his beef to be shipped back east to market All of his businesses provided employment for a large portion of the citizens of the community and encouraged an influx of more settlers to the town There weren t any citizens who had a stake in the slavery issue even though most of them still had strong ties to relatives in the south When war does break out only a few young men volunteer to go in the Army either North or South The community makes every attempt to avoid the war until the war came to them What happens that day will surprise and shock you and will explain what becomes of the town afterwards

Oxwagon Jim Woods,2019-10-07 The story opens with a very strange cargo for an

oxwagon driver the comatose body of a woman whose passage is paid by a man fearing for his life When the driver takes on the load he also takes on unexpected adventure for everyone involved on the long and perilous overland trip

Battles of Destiny 2-in-1 Vol. 1 Al Lacy, 2009-10-07 Dramatic Tales of Love and Civil War The Battles of Destiny series is now available in four attractive two in one volumes Bestselling author Al Lacy packs each dramatic novel in the popular historical fiction series with heartwarming romance and solid moral values Set during the Civil War these are the tales of families soldiers nurses and spies as they contend with the deadly threats posed by war and the eternal hope that springs from love Fast moving and historically accurate these stories appeal to men and women who enjoy a trip back in time Now longtime and new Lacy fans can purchase the entire Battles of Destiny classics and enjoy hours of endless reading pleasure It was the war that divided our country shaping the destinies of future generations It was the war that brought forth triumphant men women and families who dared to fight bravely sacrifice unconditionally and love without end THE CIVIL WAR A Promise Unbroken As the first winds of Civil War sweep across the Virginia countryside the wealthy Ruffin family is torn by forces that threaten their way of life and ultimately their promises to one another Mandrake and Orchid slaves on the Ruffin plantation must also fight for the desire of their hearts Heartache and victory Jealousy and racial hatred From a prosperous Virginia plantation to a grim jail cell outside of Lynchburg follow the dramatic story of love indestructible A Heart Divided Wounded early in the Civil War Captain Ryan McGraw is nursed back to health by army nurse Dixie Quade In her tender care love s seed is sown But with the sudden appearance of Victoria the wife who once abandoned Ryan and the five year old son he never knew he had come threats endangering the lives of everyone involved Between the deadly forces of war and two loves McGraw is caught with a heart divided Story Behind the Book While studying American history in high school I was struck with a strange fascination for the Civil War That fascination grew stronger when I studied it again in college and I ve visited many of the sites where the battles took place When I visited the Appomattox Court House in Virginia where General Robert E Lee signed the documents of surrender before General Ulysses S Grant I was struck with the thought of creating a series of novels based upon specific battles in the Civil War I wanted to mold fictional characters with real ones and fill the stories with romance suspense intrigue and the excitement of battle That s how the Battles of Destiny series came to be Al Lacy

Abner's Gulch & Judson's Landing Duane Howard, 2000-05-18 ABNER TATE is a Civil War veteran who journeys to Colorado Territory after the war to find his family He learns quickly in struggles with other men and the forces of nature to fend for himself Battered by a tornado he takes refuge in a gulch which will become his home AMOS JUDSON is an aging mountainman who adopts a Ute Indian boy and settles down to operate a ferry boat As he changes from wild to civilized he is reminded that a man must remember how to protect himself when the villainous cousins of a competitor attempt to rob him

Barrens Donald G. Williams, 2023-05-24 Barrens is a historical fiction saga of a young lad s travails into manhood set in the turbulent times of mid eighteenth century colonial America Through the desperate and violent era of the colonial frontier

external events and circumstances either by fate or Providence help fashion the mind and soul of a man left searching for answers John Scott is a young Welsh boy when he is thrust into indentured servitude on the frontier of colonial Virginia Unexpected events leave him with questions only caused he deems by the hand of fate John embarks on a journey into young manhood on a search for freedom and purpose John finds purpose when reacquainted with a family who befriended him years ago John Scott's quest leads him further into the western frontier where he finds the adventure to satisfy his need to be free from the control of choices of others that marred his youth but led him afoul of the law In the Virginia frontier he thrives on dangers that confront him and the freedom of his own choices Follow John into the land named Barrens as he searches for answers or at least peace for his barren heart *Escaping Madness* Klaus G Förg, 2024-12-30 a valuable addition to the historical record The Luftwaffe officer's account for being selected for the May 1945 submarine trip to Japan also proved interesting from a last gasp point of view Historical Miniatures Gaming Society This fascinating collection of personal narratives challenges the view that all Germans knew of the crimes perpetrated by the Third Reich and were complicit The five accounts recall the lives of individuals born in the 1920s who resisted joining the SS were horrified by atrocities or otherwise remained true to their principals Spanning their early life during the rise of the Nazi Party through their adolescence in the war to the early post war years they offer a compelling perspective on the diverse experiences and beliefs of Germans of the wartime generation From Wehrmacht infantrymen to a Luftwaffe officer and a young woman on the home front the accounts range from the relative comfort of German occupied territories to the harrowing front lines against the Soviets Standout stories include Heinz Polke's haunting description of the Warsaw Ghetto Rising and three accounts of the often overlooked aspect of being a prisoner of war in the USSR providing valuable insights into the post war German experience Skilfully compiled by journalist Klaus Förg and with additional commentary by historian Roger Moorhouse this is a powerful and worthy addition to World War II literature **Direct Democracy in Telearea** , Miserere Nobis Claude Pierre-Jerome, 2011-05-25 The content of this book is about human trafficking immigration survival and romance This book could be easily entitled The good foreigners But no it would be too simple too trivial he says instead he chooses to name it Miserere Nobis the Latin translation for Have Mercy On Us The title says it all With this book the author pays tribute to all who have the privilege to learn what it takes to be a good foreigner It is so nice to know that we are all foreigners on earth Smile and enjoy the book Stuntman! Hal Needham, 2011-02-09 The classic no holds barred memoir from Hollywood's most legendary stuntman an inspiration for Brad Pitt's character Cliff Booth in Once Upon a Time in Hollywood is full of incredible stories as told by a real man of action Arnold Schwarzenegger Yep that's me Hal Needham on the cover doing a fire stunt When you're on fire you don't dare breathe because if you do you'll suck those flames right down your throat I was Hollywood's highest paid stuntman so I should know I wrecked hundreds of cars fell from tall buildings got blown up was dragged by horses and along the way broke 56 bones my back twice punctured a lung and knocked out a few teeth I hung
