## **Sipping Life Through A Straw:**

**Upright on Broken Limbs** Barbara J. Weekley, 2013-05-24 This book addresses the other casualties of trauma and loss. It is a tool and guide designed to help the spouse and family members process the catastrophic event affecting their loved one. For Barbara, her husband's Traumatic Brain Injury left her emotionally paralyzed and physically drained until she devised a simple sense ability therapy which she could implement at any time of the day or night. Barbara demonstrates how her personal 911 experience evolved into a positive progression which piques the senses and strengthens the most forlorn spirit.

*Communism. Selections from Marx, Engels, Kropotkin, Lenin, Stalin, Trotsky* Karl Marx, Friedrich Engels, Peter Kropotkin, Vladimir Lenin, Joseph Stalin, Leon Trotsky, 2025-03-26 Communism is a left wing to far left sociopolitical philosophical and economic ideology within the socialist movement whose goal is the establishment of a communist society, a socioeconomic order centered around common ownership of the means of production, distribution and exchange that allocates products to everyone in the society. Communist society also involves the absence of private property, social classes, money, and the state. Communists often seek a voluntary state of self-governance but disagree on the means to this end. This reflects a distinction between a more libertarian approach of communization, revolutionary spontaneity, and workers' self-management and a more vanguardist or Communist party-driven approach through the development of a constitutional socialist state followed by the withering away of the state. As one of the main ideologies on the political spectrum, communism is placed on the left wing alongside socialism, and communist parties and movements have been described as radical left or far left. Contents: Karl Marx, Manifesto of the Communist Party, The Class Struggles in France, The Eighteenth Brumaire of Louis Bonaparte, Friedrich Engels, Socialism: Utopian and Scientific, Peter Kropotkin, The Conquest of Bread, Mutual Aid: A Factor in Evolution, Vladimir Lenin, State and Revolution, What Is to Be Done, Imperialism: the Highest Stage of Capitalism, Joseph Stalin, The Foundations of Leninism, Anarchism or Socialism, Marxism and the National Question, Organization of a Russian Federal Republic, The October Revolution and the National Question, Dialectical and Historical Materialism, Marxism and Problems of Linguistics, Leon Trotsky, History of the Russian Revolution, My Life, The Revolution Betrayed, Our Revolution, Essays on Working Class and International Revolution, 1904-1917, Dictatorship vs Democracy, From October to Brest-Litovsk, Lenin, Results and Prospects, The Permanent Revolution, Literature and Revolution, The Bolsheviks and World Peace. **The Collected Works. Illustrated** Leon Trotsky, 2021-09-09 Leon Trotsky was a Ukrainian Russian Marxist revolutionary, political theorist, and politician. Ideologically a communist, he developed a variant of Marxism which has become known as Trotskyism. His politics differed from some aspects from those of Stalin or Mao Zedong, most importantly in his rejection of the theory of Socialism in one country and his declaring of the need for an international permanent revolution. This book contains Trotsky on Lenin, My Life, The Revolution Betrayed, The Bolsheviks and World Peace, and others. 1. My Life 2. The Revolution Betrayed 3. Our Revolution, Essays on Working Class and International Revolution, 1904-1917 4. Dictatorship vs

Democracy 5 From October to Brest Litovsk 6 Lenin 7 Results and Prospects 8 The Permanent Revolution 9 Literature and Revolution 10 The Bolsheviks and World Peace      *The Futurist Files* Iva Glisic, 2018-10-26 Futurism was Russia's first avant-garde movement Gatecrashing the Russian public sphere in the early twentieth century the movement called for the destruction of everything old so that the past could not hinder the creation of a new modern society Over the next two decades the protagonists of Russian Futurism pursued their goal of modernizing human experience through radical art The success of this mission has long been the subject of scholarly debate Critics have often characterized Russian Futurism as an expression of utopian daydreaming by young artists who were unrealistic in their visions of Soviet society and naïve in their comprehension of the Bolshevik political agenda By tracing the political and ideological evolution of Russian Futurism between 1905 and 1930 Iva Glisic challenges this view demonstrating that Futurism took a calculated and systematic approach to its contemporary socio-political reality This approach ultimately allowed Russia's Futurists to devise a unique artistic practice that would later become an integral element of the distinctly Soviet cultural paradigm Drawing upon a unique combination of archival materials and employing a theoretical framework inspired by the works of philosophers such as Lewis Mumford Karl Mannheim Ernst Bloch Fred Polak and Slavoj Žižek *The Futurist Files* presents Futurists not as blinded idealists but rather as active and judicious participants in the larger project of building a modern Soviet consciousness This fascinating study ultimately stands as a reminder that while radical ideas are often dismissed as utopian and impossible they did and can have a critical role in driving social change It will be of interest to art historians cultural historians and scholars and students of Russian history      **Russian and Soviet Views of Modern Western Art** Ilia Dorontchenkov, N. A. Gur'ianova, 2009 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections      *Literature and Revolution* Leon Trotsky, 1925      *Mindful Leadership* Jeffrey L. Buller, 2019-03-12 This book applies the concept of mindfulness to the challenges faced by academic leaders such as department chairs deans provosts presidents or chancellors and faculty leaders In addition to instructing academic leaders how to become more mindful the book also provides clear and practical explanations about what mindful leadership means in the setting of higher education Unlike other books on mindfulness this work does not assume that the only pathway to becoming more mindful is meditation Although meditation is discussed as a technique the book also presents numerous other strategies for becoming a more mindful leader without a meditation

practice The book is designed for use by individual academic leaders administrative teams in a retreat leadership workshops or training programs and courses in higher education leadership **Chance Is A Fine Thing** Philip Temple,2014-10-03 A compelling and thoughtful memoir about a significant figure on New Zealand s literary and natural landscape The stories that I think worth telling are of how as a young man I left home on the other side of the world half a century ago and took the chance to become a New Zealander More of becoming a New Zealand writer now able to look back over 50 years and relate not only what happened to me of how I grew up but also something of how the country has grown and changed It is about my developing relationship with my country and some of its people As Philip Temple explains in his preface this is about his life and the country he chose to call home His memoir shows how he made this decision how he left England at a young age and how he came to explore and love this country scaling its mountains and writing its stories New Zealand has always pulled him back despite adventures overseas exploring previously unknown regions of the world sailing in exciting waters trailing through Europe and a long love affair with Berlin Despite all this New Zealand became and remains his country In an honest and remarkably diverse appraisal of his life he reveals his personal and professional relationships including his search for his father the failure of his marriage difficult times working for the Listener and his campaigning for MMP It is also a fascinating account of how he has made a living as a full time writer Compelling thoughtful and moving this is an important view of the last fifty years **The Net Beneath Us** Carol Dunbar,2022-09-13 WINNER OF THE WISCONSIN WRITERS EDNA FERBER FICTION BOOK AWARD In her debut novel Carol Dunbar draws from her own lived experiences vividly describing the wonder and harshness of life off the grid Told over the course of a year The Net Beneath Us is a lyrical exploration of loss marriage parenthood and self reliance a tale of how the natural world without and within us offers us healing if we can learn where to look Dunbar delivers both a tumble through the shifting light of grief and a forgiving forest floor on which to land

Leif Enger New York Times bestselling author of Peace Like a River and Virgil Wander He promised her he would never let go She s willing to risk everything to hold on In the aftermath of her husband s logging accident Elsa has more questions than answers about how to carry on while caring for their two small children in the unfinished house he was building for them in the woods of rural Wisconsin To cope with the challenges of winter and the near daily miscommunications from her in laws she forges her own relationship with the land learning from and taking comfort in the trees her husband had so loved If she wants to stay in their home she must discover her own capabilities and accept help from the people and places she least expects At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

**Objects of His Affection** Scotty Smith,2010-05-11 To see our sins wounds idols and failures apart from God s is simply too much We will either minimize our condition thus marginalizing our need of grace or we will run away in hopeless despair to the arms of a lesser love or to the worship of lesser gods But God pursues us in our restlessness receives us in our sinfulness holds us in our brokenness and frees us from our lovelessness Scotty Smith excerpt from Objects of His Affection

*Stirring Green Water* Betty Kiehm,2023-09-05 I have always considered myself to be shy and socially awkward even though I enjoy being with people But on this day as I watched the lifeless staggered steps of a familiar stranger walk by as if futility was his only hope God completely crushed my heart I immediately knew what He wanted me to do Shy awkward and all somehow I needed to barge my way into the life of this elderly Einstein like stranger and share the love and hope of Jesus with him God wanted to breathe life back into the body and soul of this broken lifeless man and my obedience was part of His plan I had no idea how this would happen but I knew God did My part was to trust and obey The rest was up to God It was by obeying the promptings God placed in my heart that I felt Him working to touch the life of this stranger as He breathed life back into his vacant and withering soul Through obedience I was given a front row seat as I watched God touch the life of this precious little man The unorthodox friendship that followed was something only God could have foreseen The Art of Penography Bruce Byrne,2012-12-18 The Art of Penography is Don Savant s way of breaking new literary ground to introduce his readers to his the artistic side of his poetry while still maintaining a level of love that is to be expected from everything he writes Mansion on the Hill Olmond M. Hall,2000 This story begins as a parody of a famous trial that took place in the 1990s However the travesty develops a life of its own The spoof takes place in the 1930s in the deep South It has similar names and in a number of other ways parallels the 1990 trial This satiric drama has hardships fun times romance murder suspense and mystery It delves into the backgrounds of some of the key players **Everest Base Camp** Jenny Smith,AI,2025-01-25 Everest Base Camp explores how the human body survives extreme high altitude environments blending mountaineering history with cutting edge physiology The book centers on three pillars how our organs cope with oxygen deprivation why genetics like the EPAS1 gene give some populations a natural edge and the strategies climbers use to avoid altitude sickness By dissecting Himalayan expeditions and lab studies it reveals that conquering Everest isn t just about endurance it s a delicate dance between biology preparation and technology The book stands out by weaving gripping narratives from climbers with digestible science such as explaining hypoxia through atmospheric pressure analogies or linking Tibetan genetic adaptations to a biological lottery Structured in three parts it progresses from foundational concepts like how hemoglobin binds oxygen to real world applications including acclimatization protocols and emerging gear like portable hyperbaric chambers A chapter on the 2019 National Geographic expedition pairs climbers heart rates with their diary entries making abstract terms like ventilatory threshold relatable Beyond mountaineering the research informs medical treatments for sleep apnea and critical care Practical checklists recognizing early hypoxia symptoms or optimizing sleep at altitude bridge science to daily life By framing Everest as both a biological puzzle and a metaphor for human resilience this book offers universal lessons on adapting to stress proving that survival at 8 848 meters holds insights for sea level challenges too *Life'S Twists* Corinne Oates,2015-04-16 For Carina Rosario and her family their lives had been an intertwined life of tragedy loss love and struggle After losing her husband she decides its time to relocate with her sons and

sister to Baltimore for a fresh start As she throws herself into work her nightmares and depression worsen till one night on a dark highway she meets Jackson Smith while broken down As neither of them are looking for love their friendship becomes the start of something new Both have experienced tragedies and found comfort in their friendship But every time she feels life is improving she and her siblings are hit with more and more tragic events Carina and her siblings bond and their faith is tested and made stronger as new relationships are built and new misfortunes are experienced It will take some unexpected people and lies to help them avoid an evil plot and bring more family together Never in their wildest dreams did they imagine that their move to Maryland would lead to some of the worst and best twists life could give them Take a Walk with Me

Marcia Lynn McClure,2011-08 Cozy is very close to her grandmother Dottie a widow in her sixties They are both enthralled when a widower Buck also in his sixties moves in next door Buck has a very handsome grandson Jesse The grandchildren scheme to bring their grandparents together and the grandparents are also colluding to bring their grandchildren together

**Our Better Angels** ,2016-06-28 Do children and adults with disabilities enrich our lives Far more than most people imagine Our Better Angels is a testament to the value of individuals with disabilities and the value that society could derive from being more welcoming to and inclusive of them The reward is the powerful humanizing influence that they can have on others even some of the most hardened people among us Colorful real life examples illustrate how a disability can be a valuable human attribute a powerful source of compassion from which everyone can benefit What are the challenges that face us as we strive for a more inclusive society What are the values that should guide us in our efforts Smith approaches these questions by examining his own experience and other unique perspectives Meet the children and adults with disabilities who have touched his own life Consider what science and pseudoscience has said about disability View disability through the lens of history and literature The result is a compelling case for understanding and celebrating human diversity Smith asks us to summon the better angels of our character and affirm our commitment to a society based on equality and democracy Investigating Science - 5 Sr.Chanthal,C.G.Nagaraja, Constructing Death Clive Seale,1998-10-08

Constructing Death reviews sociological anthropological and historical studies of death grief and mourning in order to illuminate present day experience It is both an introduction to the sociological study of death dying and bereavement and an original contribution to death studies and social theory combining a theoretical argument with original research material The volume will be of use to students and scholars of sociology as well as health care practitioners *Host Bibliographic Record for Boundwith Item Barcode 30112114734418 and Others ,1922*
