**Camilla Rothe**

## Sir Perceval Of Galles And Ywain Gawain:

Sir Perceval of Galles and Ywain and Gawain Mary Flowers Braswell,1995-10-01 This volume contains the only known English version of Chretien de Troyes's romance of the naive knight Perceval Sir Perceval of Galles The work uses Perceval's ridiculous behavior as a late medieval satire of courtliness Accompanying this tale is Ywain and Gawain a translation of a second Chretien poem Le Chevalier au Lion Unlike Sir Perceval this poem extols the virtues of chivalry and honor These complementary works form an excellent introduction to Middle English Arthurian romance as they include editing glosses introductions and a very helpful glossary for beginning students *Approaches to emotion in Middle English literature* Carolyne Larrington,2024-04-16 Over the last twenty five years the history of emotion field has become one of the most dynamic and productive areas for humanities research This designation and the marked leadership of historians in the field has had the unlooked for consequence of sidelining literature in particular secular literature as evidence source and object of emotion study Secular literature whether fable novel fantasy or romance has been understood as prone to exaggeration hyperbole and thus as an unreliable indicator of the emotions of the past The aim of this book is to decentre history of emotion research and asks new questions ones that can be answered by literary scholars using literary texts as sources how do literary texts understand and depict emotion and crucially how do they generate emotion in their audiences those who read them or hear them read or performed Negotiating Boundaries in Medieval Literature and Culture Valerie B. Johnson,Kara L. McShane,2022-03-21 Thomas Hahn's work laid the foundations for medieval romance studies to embrace the study of alterity and hybridity within Middle English literature His contributions to scholarship brought Robin Hood studies into the critical mainstream normalized the study of historically marginalized literature and peoples and encouraged scholars to view medieval readers as actively encountering others and exploring themselves This volume employs his methodologies careful attention to texts and their contexts cross cultural readings and theoretically informed analysis to highlight the literary culture of late medieval England afresh Addressing long established canonical works such as Chaucer Christine de Pizan and Malory alongside understudied traditions and manuscripts this book will be of interest to literary scholars of the later Middle Ages who like Hahn work across boundaries of genre tradition and chronology Arthurian Literature Bart Besamusca, Frank Brandsma, Keith Busby,2007 Essays demonstrating that Arthur belonged to the whole of Europe not just England **The Complete Harley 2253 Manuscript, Volume 1** ,2015-04-01 British Library MS Harley 2253 is one of the most important literary works to survive from the English medieval era In rarity quality and abundance its secular love lyrics comprise an unrivaled collection Intermingled with them are contemporary political songs as well as delicate lyrics designed to inspire religious devotion The Complete Harley 2253 Manuscript, Volume 3 ,2015-02-01 British Library MS Harley 2253 is one of the most important literary works to survive from the English medieval era In rarity quality and abundance its secular love lyrics comprise an unrivaled collection Intermingled with them are contemporary political songs as well as

delicate lyrics designed to inspire religious devotion      **Poems and Carols (Oxford, Bodleian Library MS Douce 302)**

John the Blind Audelay, 2009-10-01 Audelay's idiosyncratic devotional tastes, interesting personal life history and declared political affiliations, loyalty to king, upholder of estates, anxiety over heresy, make him worthy of careful study. Beside his better known contemporaries, Of particular note MS Douce 302 preserves Audelay's own alliterative *Marcolf* and *Solomon*, a poem thought to be descended from Langland's *Piers Plowman*. The Audelay Manuscript also contains unique copies of other alliterative poems of the ornate style seen in *Gawain and the Green Knight* and *The Pistel of Swete Susan*. These pieces are *Paternoster* and *Three Dead Kings*, both set at the end of the book. Whether or not they are Audelay's own compositions, they seem certain to be his own selections. Audelay also displays a persistent habit of sequencing materials in generic and devotionally affective ways. His is a pious sensibility delicately honed by reverence for the liturgy and by an awe of God. That Audelay's poetry can awaken us to new poetic sensitivities in medieval devotional verse is reason enough to bring him into the ambit of canonical fifteenth century English poets.

**Oton de Granson, Poems**, 2015-09-01 Oton de Granson, slain in a duel in 1397, was a knight, diplomat and poet who lived an active, almost storybook life at or near the center of many of the most important events in the last half of the fourteenth century. He was almost certainly a personal friend to both Chaucer and Eustache Deschamps and among the first and most successful of the poets who were also courtiers. This new translation makes Granson's poetry available again to English readers.

**The Digby Mary Magdalene Play** Theresa Coletti, 2018-02-28 The Digby Play of Mary Magdalene is a rare surviving example of the Middle English saint play. It provides a window on the deep embedding of biblical drama and performance in late medieval devotional practices, social aspiration and critique, and religious discourses. Fully annotated and extensively glossed, this edition adds to the METS Drama series an essential resource for the study of late medieval English religious drama.

**Mummings and Entertainments** John Lydgate, 2010-03-01 John Lydgate is known as the most distinguished poet of fifteenth century England. This volume presents his brilliant and underappreciated dramatic texts written for both private and public entertainment, encompassing both religious and secular topics. This is the first time since 1934 that many of these poems have been reprinted or reedited. They are published here with an extensive gloss and notes, as well as a glossary and an introduction, making them accessible to a new generation of students of the Middle Ages. These works are indispensable to any study of medieval English drama.

**The York Corpus Christi Plays** Clifford Davidson, 2011-10-01 The feast of Corpus Christi, celebrated annually on Thursday after Trinity Sunday, was devoted to the Eucharist, and the normal practice was to have solemn processions through the city with the Host, the consecrated wafer that was believed to have been transformed into the true body and blood of Jesus. In this way the cultus Dei thus celebrated allowed the people to venerate the Eucharistic bread in order that they might be stimulated to devotion and brought symbolically, even mystically, into a relationship with the central moments of salvation history. Perhaps it is logical, therefore, that pageants and plays were introduced in order to access yet another way of

visualizing and participating in those events Thus the invisible things of the divine order from the creation of the world might be displayed The York Corpus Christi Plays contained in London British Library MS Add 35290 and comprising more than thirteen thousand lines of verse actually represent a unique survival of medieval theater They form the only complete play cycle verifiably associated with the feast of Corpus Christi that is extant and was performed at a specific location in England

**Ten Bourdes** Melissa M Furrow,2013-05-01 A bourde is an English comedic poem similar to a French fabliau but with a moralizing element and less of an emphasis on violence In this fresh edition of ten Middle English bourdes Melissa M Furrow aims to put funny or would be funny Middle English poems under the eyes of a much broader readership than the scholarly researchers she appealed to in her earlier edition of many of the same poems This collection is specifically designed for students and has contextualizing introductions copious notes glosses and a glossary

**Chaucer and the Poems of 'Ch'** James I Wimsatt,2009-03-01 On several counts one particular collection of French lyrics made in France in the late fourteenth century University of Pennsylvania MS 15 is the most likely repository of Chaucer s French poems It is the largest manuscript anthology extant of fourteenth century French lyrics in the formes fixes balade rondeaux virelay lay and five stanza chanson with by far the largest number of works of unknown authorship

**Two Middle English Prayer Cycles** Ben Parsons,2023-10-09 This book is the first critical edition of two fascinating but overlooked devotional texts Each shines its own light on medieval faith The Holkham Prayers and Meditations ca 1410 is a rare example of female authorship written by an unnamed woman to guide a religious sustir Simon Appulby s Fruyte of Redempcyon 1514 is more popular in aim composed by one of England s last anchorites to serve his urban community Both texts are accompanied by extensive notes and introductory essays to aid students and specialists alike

**The Roland and Otuel Romances and the Anglo-Norman Otinel** Susanna Fein,Elizabeth Melick,David Raybin,2020-09-30 This edition contains four Middle English Charlemagne romances from the Otuel cycle Roland and Vernagu Otuel a Knight Otuel and Roland and Duke Roland and Sir Otuel of Spain A translation of the romances source the Anglo French Otinel is also included The romances center on conflicts between Frankish Christians and various Saracen groups and deal with issues of racial and religious difference conversion and faith based violence

**Mankind** Kathleen M Ashley,Gerard NeCastro,2010-04-01 Mankind is at once conventional in its adherence to morality and extraordinary in its effervescence and wit The text is a morality play warning Mankind how it may be led astray by temptation while simultaneously entertaining the audience with banter between the characters representing vice In its small scale staging with a smaller number of actors and props it was written for a theater troupe of the kind that foreshadows modern professional English drama Presented with a gloss notes an introduction and a glossary this edition of the lively Middle English play is perfect for any level of Middle English instruction and invaluable to those who teach early drama

**The Game and Playe of the Chesse** William Caxton,2009-05-01 Despite its title Caxton s Game and Playe of the Chesse does not in fact have much to say about a game or about playing it Instead the work uses the

chessboard and its pieces to allegorize a political community whose citizens contribute to the common good Readers first meet the king queen bishops imagined as judges knights and rooks here depicted as the king's emissaries They are then introduced to the eight different pawns who represent trades that range from farmers to messengers Paired with each profession is a list of moral codes These pairings reinforce the idea of a kingdom organized around professional ties and associations ties that are in turn regulated by moral law from the Introduction Guillaume de Machaut, The Complete Poetry and Music, Volume 9 Jacques Boogaart, 2017-12-31 This long overdue new edition of Guillaume de Machaut's twenty-three motets the largest surviving collection of such works by a single composer in this period is based on the most authoritative of the surviving manuscripts and is designed to meet the needs both of advanced scholars and musicians as well as students and performers This user friendly format indicates variants on the scores and has a layout that makes each work's structure clearly visible the lyrics with full English translation are presented at the end of each work **John Lydgate's Dance of Death and Related Works** Megan L Cook, Elizaveta Strakhov, 2019-10-31 This volume joins new editions of both texts of John Lydgate's The Dance of Death related Middle English verse and a new translation of Lydgate's French source the Danse macabre Together these poems showcase the power of the danse macabre motif offering a window into life and death in late medieval Europe In vivid often grotesque and darkly humorous terms these poems ponder life's fundamental paradox while we know that we all must die we cannot imagine our own death *The Complete Harley 2253 Manuscript, Volume 2*, 2014-09-01 British Library MS Harley 2253 is one of the most important literary works to survive from the English medieval era In rarity quality and abundance its secular love lyrics comprise an unrivaled collection Intermingled with them are contemporary political songs as well as delicate lyrics designed to inspire religious devotion
