The Poetical Works of Sir Walter Scott, Comprising Minstrelsy of the Scottish Border ... Walter Scott, 1839

Sir Walter Scott and the Border Minstrelsy Andrew Lang, 2020-03-28 IT was through his collecting and editing of The Border Minstrelsy that Sir Walter Scott glided from law into literature The history of the conception and completion of his task a labour of love truly if ever such there was says Lockhart is well known but the tale must be briefly told if we are to understand the following essays in defence of Scott's literary morality Late in 1799 Scott wrote to James Ballantyne then a printer in Kelso I have been for years collecting Border ballads and he thought that he could put together such a selection as might make a neat little volume to sell for four or five shillings In December 1799 Scott received the office of Sheriff of Selkirkshire or as he preferred to say of Ettrick Forest In the Forest as was natural he found much of his materials The people at the head of Ettrick were still says Hogg 1a like many of the Highlanders even now in that they cheered the long winter nights with the telling of old tales and some aged people still remembered no doubt in a defective and corrupted state many old ballads Some of these especially the ballads of Border raids and rescues may never even have been written down by the original authors The Borderers says Lesley Bishop of Ross writing in 1578 take much pleasure in their old music and chanted songs which they themselves compose whether about the deeds of their ancestors or about ingenious raiding tricks and stratagems

Minstrelsy of the Scottish Border, 1873

Walter Scott and the Border Minstrelsy Andrew Lang, 2006 As to the character of Sir Walter Scott I have proved I hope that he worked on a copy of the ballad which was not the Elliot version or the Sharpe copy so that this copy may have represented the Scotts as taking the leading part while for the reasons given it is apparently earlier than the Elliot version cannot at least be proved to be later and is topographically the more correct of the two I have given antique examples of the same sort of perversions in Otterburn If I am right Colonel Elliot's charge against Scott lacks its base

Sir Walter Scott and the Border Minstrelsy Andrew Lang, 2018-02-16 Excerpt No one now believes it may be said in the aged persons who lived at the head of Ettrick and recited Otterburne to Hogg Colonel Elliot disbelieves but he shows no signs of having read Hogg s curious letter in two parts about these old parties a letter written on the day when Hogg he says twice pumped their memories I print this letter and if any one chooses to think that it is a crafty fabrication I can only say that its craft would have beguiled myself as it beguiled Scott We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
