Sister Circle:

The Sister Circle Vonette Z. Bright, Nancy Moser, 2003 A Victorian house becomes a refuge for seven women of all ages and backgrounds as they bond together in sisterhood *Soothe Your Nerves* Angela Neal-Barnett, 2010-06-15 Do you or someone you love suffer from bad nerves Denise is constantly on edge She's convinced something bad is going to happen Ruth will drive an hour out of her way to avoid driving over a bridge When she has to do it her chest thumps her heart starts racing and she breaks out in a sweat She's beginning to think she shouldn't leave her house Bernice hasn't slept in two months for fear that the witch is going to ride her again What do these women have in common They are struggling with crippling anxiety disorders Thousands of Black women suffer from anxiety What's worse is that many of us have been raised to believe we are Strong Black Women and that seeking help shows weakness So we often turn to dangerous quick fixes that only exacerbate the problem like overeating and drug and alcohol abuse or we deny that we have problems at all In *Soothe Your Nerves* Dr Angela Neal Barnett explains which factors can contribute to anxiety panic and fear in Black women and offers a range of healing methods that will help you or a loved one reclaim your life Here finally is a blueprint for understanding and overcoming anxiety from a psychological spiritual and Black perspective *Sister Circle: The Power of Sisterhood* Cheryle T. Ricks, 2015-01-09 This book is written with courage and bracing honesty The author before she does anything else shares her own story of pain and confusion thereby making it clear that she writes from a well of understanding This is not some abstract checklist of what it takes to be a whole woman rather it is a heartfelt guide composed by a woman who has suffered through and survived the very challenges she wants to help other women overcome Every woman should give this book to at least one other woman and certainly every mother to her daughter And it must be pointed out no man will be the poorer for reading this for a better understanding of how very different a woman's struggles and needs are from his own This book says Woman heal thyself The author makes it clear that this must happen first before a woman can heal others and that this can only happen by embracing God's healing love The author's tone is conversational sometimes even humorous in the midst of calamity Clearly recalled details draw the reader into her experiences teaching through example and the message of God's omnipresence and faithfulness is brought home repeatedly There is universally sound advice here for struggling men as well you are not the mistakes you make Xulon Press Every woman should have a mentor or friend they can look to for advice during both the challenging and joyful times in life Cheryle T Ricks is that friend and through her conversational style of writing you feel as if she's right next to you as you read Her transparency lends authenticity to her life story and credibility to her wise words You'll walk away from this book feeling as if you've made a new friend Erika Bennett Xulon Press Editor **Still Working While Black** Antione D. Tomlin, 2023-06-01 Just as the first edited volume of this book *Working While Black* The Untold Stories of Student Affairs Practitioners examined student affairs professionals' narratives and how they navigate their professional experiences this one has a similar aim This new volume birthed from the

The Unchosen Me Rachelle Winkle-Wagner,2009-12-01 Racial and gender inequities persist among college students despite ongoing efforts to combat them Students of color face alienation stereotyping low expectations and lingering racism even as they actively engage in the academic and social worlds of college life The Unchosen Me examines the experiences of African American collegiate women and the identity related pressures they encounter both on and off campus Rachelle Winkle Wagner finds that the predominantly white college environment often denies African American students the chance to determine their own sense of self Even the very programs and policies developed to promote racial equality may effectively impose unchosen identities on underrepresented students She offers clear evidence of this interactive process showing how race gender and identity are created through interactions among one s self others and society At the heart of this book are the voices of women who struggle to define and maintain their identities during college In a unique series of focus groups called sister circles these women could speak freely and openly about the pressures and tensions they faced in school The Unchosen Me is a rich examination of the underrepresented student experience offering a new approach to studying identity race and gender in higher education

We're Not OK Antija M. Allen,Justin T. Stewart,2022-05-05 Explores racial inequity within higher education and its impact on the inclusion retention and mental health of Black faculty

Soul Sisters Pythia Peay,2002-05-27 A unique workbook to help women cultivate their full potential through the lives and lessons of the heroines of world spiritual traditions Filled with exercises anecdotes quotes and

inspiration Pythia Peay's *Soul Sisters* is designed to help women foster the traits that can be found in the great spiritual traditions of the world and that are most needed in contemporary life. Each chapter shows how to cultivate the five divine qualities: Courage, Faith, Beauty, Love, and Magic. *Soul Sisters* offers an abundance of examples of different female figures from the spiritual past and present who have embodied these characteristics in a distinctly feminine way. Through the road they have walked, readers can learn to discover their own individual heart path to these strengths. Both an immensely practical workbook and an education in spiritual ideas, *Soul Sisters* is a companion for a lifetime. *Black Women Navigating Historically White Higher Education Institutions and the Journey Toward Liberation* Logan, Stephanie R., Good, Tyra L., 2022-05-27 Black women in higher education continue to experience colder institutional climates that devalue their presence. They are relied on to mentor students and expected to commit to service activities that are not rewarded in the tenure process and often lack access to knowledgeable mentors to offer career support. There is a need to move beyond the individual resistance strategies employed by Black women to institutional and policy changes in higher education institutions. Specifically, higher education policymakers and administrators should understand and acknowledge how the race and gender makeup of campuses and departments impact the successes and failures of Black women as they work to recruit and retain Black women graduate students, faculty, and administrators. *Black Women Navigating Historically White Higher Education Institutions and the Journey Toward Liberation* provides a collection of ethnographies, case studies, narratives, counter stories, and quantitative descriptions of Black women's intersectional experience learning, teaching, serving, and leading in higher education. This publication also provides an opportunity for Black women to identify the systems that impede their professional growth and development in higher education institutions and articulate how they navigate racist and sexist forces to find their versions of success. Covering a range of topics such as leadership, mental health, and identity, this reference work is ideal for higher education professionals, policymakers, administrators, researchers, scholars, practitioners, academicians, instructors, and students. *Balance and Boundaries in Creating Meaningful Relationships in Online Higher Education* Jarvie, Sarah H., Metz, Cara, 2023-12-21 In the wake of the COVID-19 pandemic, educational institutions worldwide were compelled to embrace online learning, leading to a significant shift in the dynamics of education. As schools, colleges, and universities adapted to virtual learning environments, teachers and learners alike found themselves navigating unfamiliar terrain. *Balance and Boundaries in Creating Meaningful Relationships in Online Higher Education* explores the art of forging connections in virtual classrooms. This book provides educators with valuable guidance and strategies for cultivating relationships in virtual learning environments. It covers synchronous, asynchronous, and hybrid learning, offering a comprehensive understanding of relationship-building techniques for higher education and beyond. Addressing the unique challenges of online instruction, it empowers faculty members to create classrooms based on trust, connection, and support. With practical ideas and resources, it serves as a critical reference for transitioning to online teaching. Essential for cross-

departmental higher education faculty and graduate level students it revolutionizes the field by empowering educators to thrive in the evolving landscape of online instruction *A Place to Belong* Vonette Z. Bright, Nancy Moser, 2005 When Evelyn first opened Peerbaugh Place to boarders she had no idea how it would transform her life Now after experiencing the ongoing love and support of the Sister Circle she is surprised to discover her true purpose **Messages from the Holy Spirit** Aminah Paden, 2003-10-07 Messages from the Holy Spirit is one woman's spiritual journey The business and personal lessons that she's learned can be applicable to anyone's life Aminah Paden learned to check in with the Holy Spirit on every decision and to follow its guidance without question or hesitation She's learned basic truth principles and the spiritual and financial lessons of life She's listened for the still small voice and triumphed Read Messages from the Holy Spirit and learn how she went from pain to peace from fear to love from hell to Heaven The Holy Spirit is in everyone everywhere waiting for you to listen and obey This is no coincidence This is a divine appointment It is time for you to search your inner self and listen for the way out of your situation into the peace ordained for you Happiness Peace and Prosperity is your birthright The Holy Spirit is waiting to show you the way *The Self Love Lessons* Kellye Queenie Brown, 2011-12-07 Your life doesn't have to be overwhelmed by worry fear illness failed relationships or financial instability If you have ever struggled with any of these you are holding the solution in your hands Queenie Brown has helped countless women overcome these challenges and she will help you too In The Self Love Lessons the first volume from The Self Love Library you will learn who you are who you are not and how to never forget You will also learn how to step powerfully into your life's assignment how to overcome the obstacles that prevent you from achieving your wildest dreams and how to stand boldly as one of God's most powerful creations WOMAN The invaluable lessons Queenie shares in this book are undoubtedly the rites of passage for women and girls worldwide Queenie's candor and humor illuminate her tragedies her trials and her triumphs over life's obstacles Discover in these pages the priceless vault of wisdom that can only be revealed to you as you begin your own personal journey towards self love The best thing is that no one has to endure this journey alone Queenie has built a community of women around this work to support us all in embracing and living The Self Love Lessons This isn't just a book it's a family heirloom a treasured resource you can turn to for the rest of your life **Gardening at the Dragon's Gate** Wendy Johnson, 2008 Johnson and Te Salle deliver a meditative beautifully illustrated yet profoundly practical book that takes readers deep into the natural world and into a new understanding of the art of gardening *Women Who Dance the Sacred in Words* The Olive Branch Writers Group, 2014-01-17 In February of 2008 some of us decided we wanted a writing group Our plan was to encourage each other to write the important things of our life or just to share our stories and our musings We have been doing this monthly since that time The offerings in this book do not include everyone in our group or all of the writing that has gone on around laughter and joy and a few tears but we offer a little glimpse into the joy we have been for each other to be encouraged and to be heard *Black Sisterhoods: Paradigms and Praxis* Denise Davis Maye, Sophia Rahming, Jill Andrews, Tamara Bertrand

J,2022-03-18 Sisterhood is oft elusive if not a misunderstood concept Despite all the factors that could impede the development elevation and maintenance of sistering relationships Black women continue to acknowledge the value of sisterhoods Sistering offers a lifeline of support and validation Holding membership in an empowering woman centered relationship is a special kind of privilege The authors in this volume contest any assumption that sisterhood is limited to blood relationships and physical proximity In this volume we consider sisterhood simultaneously as paradigm and praxis We approach Sisterhood as Paradigm and attempt to parse out the nature of Sisterhood as it is understood in Black communities in the United States We hope to convey an organized set of ideas about sisterhood to create sisterhood as a model of interaction or way of being with one another specifically among Black women As we consider how sisterhood could be enacted as practice Using Sisterhood as a framework we explore Sisterhood as Peer Support examining how Black women provide support to peers in academic and professional settings we embark on a provision of applied exemplars of sistering in emerging digital media in Digital Sisterhood
