represented in commercial cinema independent film and network television Mask examines the function of these stars in seminal yet underanalyzed films She considers Dandridge s status as a sexual commodity in films such as Tamango revealing the contradictory discourses regarding race and sexuality in segregation era American culture Grier s feminist camp performances in sexploitation pictures Women in Cages and The Big Doll House and her subsequent blaxploitation vehicles Coffy and Foxy Brown highlight a similar tension between representing African American women as both objectified stereotypes and powerful self defining icons Mask reads Goldberg s transforming habits in Sister Act and The Associate as representative of her unruly comedic routines while Winfrey s daily television performance as self made self help guru echoes Horatio Alger narratives of success Finally Mask analyzes Berry s meteoric success by acknowledging the ways in which Dandridge s career made Berry s possible

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
