Alouette's Song, Second Edition ANDREW JONATHAN FINE, 2015-02-14. Whoever saves a life saves a world: an ancient Jewish maxim. Alouette's Song is a New Adult romantic action adventure featuring two couples: one heroic and one support, each having a college-aged teen plus a teen accelerated into college or beyond. Themes from government conspiracy thrillers, inspirational fiction, and coming of age are presented through a dramatic storytelling style infused with frequent humor and irony. There are even a few small paranormal elements: a sworn protector of humanity hiding behind someone else's eyes; a 6000-year-old guardian spirit keeping safe a treasure that, if used selflessly, could save a people; and an inherited gift infused with generation after generation of sacred use from a Jewish village in Eastern Europe.

Meet Dotty and Rick. Dotty is a professional violinist with a GED. Rick is a college sophomore having graduated high school early to pursue interests that steer him away from an abusive home. While not a typical love-at-first-sight scenario, they do get thrown together in a spectacular manner. Dotty gets mugged in a subway and falls onto the tracks of a train due to arrive in a minute, getting injured in the fall. Rick is considering suicide by the very same train, but the moment he decides to do so, he hears Dotty's screams. He places Dotty's need to live above his own need to die. Their collision turns into a kiss that lights up the universe for both of them.

Martin and Margie have been friends from childhood. Margie has autism but is brilliant enough to hide her condition at the price of extreme loneliness. Martin is the only one who accepts her for exactly who and what she is. Margie won't reveal her hopeless love for him because of this, as she knows he's gay. But Margie stumbles onto an answer for them both, having to do with the power of Time. Martin takes Margie's discovery and, along with his engineering talent, utilizes both to build a spacecraft. Soon both couples are together and, in a way over their heads, within the sea of stars, only ingenuity, compassion, valor, and prayer can get them safely home.

Indian Summer Arthur J. Frankel, 2014-02. Under the shadow of the turbulent 1960s, this is my story of a journey through village India as an American Peace Corps Volunteer. I graduated college in 1966 with no idea of what I wanted to do in life. I asked the Peace Corps to send me to a place that was more different than anything I had ever known. I got what I asked for. India unfolded into a kaleidoscope of fascinating people and unforgettable scenes in a culture that never failed to amaze me. The sights, smells, and sounds of village India offer the backdrop of what happened: some stories quite incredible but all true. After two years, I was infused

with the spiritual and mystical quality that was and still is India something that is almost beyond explaining It cannot be found by touring India or even visiting an ashram but only by living there learning the local language and being with Indians in their homes and work Forty four years after leaving the Peace Corps I returned to village India Surprisingly very little had changed All of the profits from the sale of this book will be donated to the Vishwa Bharati non profit village school in Anavatti India and to the School of Social Work at the University of North Carolina Wilmington to support students and faculty in visiting India

Cave Lupus Christian Martin, 2012-03-16 Thousands of years before this story begins in a world rife with war savagery and power a prophesy was made one amongst many of that time Then it was forgotten but prophesies have a tendency to be forgotten do they not Yet prophesies have a better chance of being realised when forgotten than when the two legs try to favour it or to mingle with its natural development This scroll tells the story of how our family became involved with its onset development and conclusion This is my saga I almost started this scroll with the classical once upon a time but this story is on going and you too will be part of it writing your own saga in time Sons Daughters learn that the past may guide but must never stifle your thinking Nothing we hold dear is permanent and this is right for permanence equals stability leading to disappearance Let us begin our trip Uncle Silver Wolf Nearly eight thousand years after the Nuclear Cataclysm threw back civilization to the cave age society is fighting its way up the ladder again The political structure matches the Middle Age with Kingdoms Trade Orders Roads of Initiation and Symbols of Mastery There exists one huge historical difference Each six year old Child is taken from home by the Diviners travels for a year to get hands on work experience before being incorporated into an Order for life Another issue is the effects of the Cataclysm on life numerous mutant life forms have emerged while huge swaths of the world have become inhospitable Thus begins the story of Harold Companion Ironsmith and how he discovers his unexpected heritage

Yerney's Justice Ivan Cankar, 1926 Sound Practices in the Global South Budhaditya Chattopadhyay, 2022-08-01 This book develops a comprehensive understanding of the unique sound worlds of key regions in the Global South through an auto ethnographic method of self reflective conversations with prominent sound practitioners from South Asia Africa the Middle East and Latin America The conversations navigate various trajectories of sound practices illuminating intricate sonic processes of listening thinking through sounds ideating exposing and performing with sound This collection of conversations constitutes the main body of the book including critical and scholarly commentaries on aural cultures sound theory and production The book builds a ground up approach to nurturing knowledge about aural cultures and sonic aesthetics moving beyond the Eurocentric focus of contemporary sound studies Instead of understanding sound practices through consumption and entertainment they are explored as complex cultural and aesthetic systems working directly with the practitioners themselves who largely contribute to the development of the sonic methodologies Refocusing on the working methods of practitioners the book reveals a tension between the West's predominant colonial consumerist cultures and the collective desires of practitioners to resist colonial models of listening by
