manhood While onboard the Norwegian liner he meets Percy a somewhat flamboyant British gentleman grandly seeking wealth and good fortune and Archibald an author and historical lecturer nearly thirty years his senior whose lifetime search for acceptance and love inevitably leaves him in circles Together they set out on their journey to circumnavigate the globe Unknowingly however they are destined for an epic adventure of great challenge learning and naked self discovery The events of the world clearly define their roles and along the way their unique relationships evolve from initial denial and great distrust to a close and dynamic bond never before expected forever true [The Cruise Ship Phenomenon in North America](#) Brian J.
