Demons of Aether - Wings of Steel Alexander Gordon, 2022-06-18 Behind the world as it is known lies the Aether a shadow of the living realm inhabited not by humans but rather demons and monsters Souls of the dead received neither by heaven nor hell reside in this unforgiving limbo However some have managed to break free from this purgatory into the real world once again setting foot on Earth to do as they please Some do so to create chaos and bloodshed others wish to do right and help maintain order and peace And then there are those who merely wish to exact revenge on the ones that struck them down in life By any means necessary Follow the journey of a fallen young man who is reborn as a demon of the Aether Donned with the name Talon gifted with angelic wings of steel and armed with inhuman strength his quest for revenge will take him through the Aether and into the mortal world as he chases after the one who struck him down This is his mission in the afterlife and his beginnings of becoming something more A hero **Steel Pot** Curt Stocker, 2023-06-15 BACK COVER COPY Curt Stocker began smoking pot in October 1966 more than a year before he went to Vietnam In this memoir he shares a true account of his service fighting for America Considering all the pot he smoked he understands why some people may find it amazing that he is able to remember that time Ironically the DuPont Corp became one of the main proponents of antimarijuana legislation because it sought to stamp out the hemp industry The company's motivation was the immense profit it would reap by switching everybody over from hemp rope and canvas sails to DuPont's newly invented synthetics such as nylon rope and rayon fabrics The bald faced lies its executives invented about hemp were totally off the charts Vietnam exposed many young Americans to marijuana who otherwise would have never found it Because of this the author believes that the war may be the single most important factor in today's looming marijuana legalization Unfortunately there are still people who want to continue the War on Drugs and put people in jail on marijuana charges It is time to end the federal marijuana
