## **Slaughter Of The Innocents Coercive Birth Control In China:**

**Slaughter of the Innocents** John Shields Aird,1990 The author traces the one child per family population control policy in China using Chinese documents many translated here for the first time as primary documents [Slaughter of the Innocents](#) John S. Aird,1990 **Birth Control in China 1949-2000** Thomas Scharping,2013-07-04 This comprehensive volume analyses Chinese birth policies and population developments from the founding of the People's Republic to the 2000 census The main emphasis is on China's Hardship Number One Under Heaven the highly controversial one child campaign and the violent clash between family strategies and government policies it entails Birth Control in China 1949 2000 documents an agonizing search for a way out of predicament and a protracted inner Party struggle a massive effort for social engineering and grinding problems of implementation It reveals how birth control in China is shaped by political economic and social interests bureaucratic structures and financial concerns Based on own interviews and a wealth of new statistics surveys and documents Thomas Scharping also analyses how the demographics of China have changed due to birth control policies and what the future is likely to hold This book will be of interest to students and scholars of Modern China Asian studies and the social sciences [China's Family Planning Program](#) Judith Banister,Christina Wu Harbaugh,1994

*China's Deep Reform* Lowell Dittmer,Guoli Liu,2006-04-07 China's rapid and complex political and socioeconomic changes provide fertile ground for pioneering analysis but they also present daunting theoretical and practical challenges This reader takes up the challenge offering the most comprehensive assessment of Chinese domestic politics available by bringing together the best recent scholarship in the field The anthology focuses on the origin content and significance of the post 1989 phase of China's reform and opening to the world commonly known in the PRC as deep reform This period has been unfolding in interaction with globalization marketization privatization political institutionalization as well as with financial and legal changes Deep reform includes new policy initiatives that have penetrated political legal economic and social sectors untouched by previous initiatives as reformers have been forced to deal with the consequences intended and unintended of earlier reforms These carefully selected essays by leading scholars have been revised and updated for this text In addition a substantive introduction and conclusion place the articles in their broader context for readers new to the subject With the successful transition of the leadership of the party state and military since 2002 the time is ripe for a comprehensive evaluation of China's deep reform as it enters a new stage This timely reader will offer students scholars and policymakers invaluable insights into the dynamics of change in one of the world's emerging political and economic dynamos Contributions by Marc Blecher Bruce J Dickson Lowell Dittmer Joseph Fewsmith Ting Gong Baogang Guo William Hurst Cheng Li Guoli Liu Andrew J Nathan Kevin J O'Brien Veronica Pearson Randall Peerenboom Yingyi Qian Tony Saich Tianjian Shi Edward S Steinfeld Shaoguang Wang Lynn White Yu Shan Wu and Guobin Yang **Embodying Middle Class Gender Aspirations** Kailing Xie,2021-04-25 This book takes a feminist approach to analyse the lives of well educated urban Chinese

women who were raised to embody the ideals of a modern Chinese nation and are largely the beneficiaries of the policy changes of the post Mao era It explores young women s gendered attitudes to and experiences of marriage reproductive choices careers and aspirations for a good life It sheds light on what keeps mainstream Chinese middle class women conforming to the current gender regime It illuminates the contradictory effects of neoliberal techniques deployed by a familial authoritarian regime on these women s striving for success in urban China and argues that paradoxically women s individualistic determination to succeed has often led them onto the path of conformity by pursuing exemplary norms which fit into the party state s agenda

China And The World Samuel S Kim,2018-02-02 As the postwar international system continues its dramatic transformation the fundamental question of what role China will play is becoming increasingly central Contributors to the volume focus on the developments of the post Tiananmen years addressing the issues raised by China s expanding and increasingly complex relationships with a rapidly changing global environment They consider such questions as What is the principal challenge of post Tiananmen foreign policy How will China cope with the call for a more peaceful equitable democratic and ecological world order How has the nexus between China and the world changed in this transition period and why What are the implications for China s future and for the future of the rest of the world Combining a broad theoretical framework with specific case studies this text tackles themes that have long puzzled Westerners Seeking the often elusive sources of Chinese foreign policy the contributors assess the relative influences of domestic and foreign factors in shaping policy goals They also examine the changes and continuities that have characterized Chinese foreign relations over the years identifying the patterns underlying China s interactions with the major global actors and its policies on specific international issues Special attention is paid to the word deed and at times word word disjuncture in Chinese foreign relations with several chapters probing the discrepancies between rhetoric and reality policy pronouncements and policy performance and intent and outcome The human rights component of China s foreign policy and China s foreign policy options for the last decade of the century are also discussed New to this revised and updated edition of China and the World are discussions concerning Chinese foreign policies and international relations theories the relationship between China and the Third World and China s environmental diplomacy

*Understanding China* John Bryan Starr,2001-03-14 Derived from a course on contemporary Chinese politics taught at Yale where he was head of Yale s China Association Starr is now director of the Annenberg Institute for School Reform at Brown U this revised edition of the 1997 text offers an overview of the geography political systems power structure and economic makeup of China before turning to problem areas such as environmental pollution ethnic separatism population growth urban and rural concerns China s relations with Taiwan Hong Kong and Macao and its broader economic political and strategic relations round out this study which is supplemented with maps and tables Annotation copyrighted by Book News Inc Portland OR

Comparing Environmental Policies in 16 Countries David Howard Davis,2013-12-13 Based on the author s 39 years of teaching environmental policy working in

Washington and traveling Comparing Environmental Policies in 16 Countries offers a complete primer in environmental dilemmas and policies from a comparative perspective The book covers 16 countries according to five themes participation interest groups political parti     People Who Count Dorothy Stein,2023-10-02 Originally published in 1995 this book confronts the contentious political issues on all sides of the population debate including immigration demographic competition gender ratios reproductive research and children s rights The book argues that lower fertility rates are preferred by women themselves are beneficial in their own right to both women and children and should not be used as a bargaining chip in any other area of the development debate Drawing on a large body of research in anthropology child psychology and population studies the book presents evidence that the poor do not necessarily have large families as form of financial security or to put them to work people without offspring are less lonely in old age immigration and refugee controls in the Northern Hemisphere have been more driven by politics than rational calculation and human rights social security does not require a large cohort of young workers This book is a challenging contribution to the development debate It presents a persuasive case for policies which recognise hopeful trends in relieving the environmental and social pressures of a globally increasing population     *Asian American Fiction, History and Life Writing* Helena Grice,2012-11-12 The last ten years have witnessed an enormous growth in American interest in Asia and Asian American history In particular a set of key Asian historical moments have recently become the subject of intense American cultural scrutiny namely China s Cultural Revolution and its aftermath the Korean American war and its legacy the era of Japanese geisha culture and its subsequent decline and China s one child policy and the rise of transracial international adoption in its wake Grice examines and accounts for this cultural and literary preoccupation exploring the corresponding historical political situations that have both circumscribed and enabled greater cultural and political contact between Asia and America     **Women in China from Earliest Times to the Present** Robin D. S. Yates,2009 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan     Applied Ethics Larry May,2017-07-05 This best selling text continues to fill an existing gap in the literature taught in applied ethics courses As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum texts are needed that represent more multicultural and diverse histories and backgrounds This new edition enhances gender coverage as nearly half of the pieces are now authored by women The new edition also increases the

percentage of pieces written by those who come from a non Western background It offers twelve up to date articles not found in previous editions on human rights environmental ethics poverty war and violence gender race euthanasia and abortion all of these topics are addressed from Western and non Western perspectives *Abortion* Belinda Bennett,2017-03-02 Abortion remains one of the most complex and controversial issues in contemporary law and bioethics This volume draws together key essays from leading scholars on the ethical and regulatory aspects of abortion The essays explore the complex issues of personhood prenatal life and reproductive rights international perspectives on the regulation of abortion health professionals and the provision of abortion services and prenatal diagnosis and abortion This volume will be an invaluable tool for all those interested in this challenging area *Nationalizing Sex* Richard Togman,2019-02-13 Nationalizing Sex explains how governments worldwide have tried to nationalize sex and harness procreation as a tool of the state By using case studies from France Germany Russia India and China it examines how population emerged as an object of governance and how natalist policy has changed over time and place Nationalizing Sex analyzes the origins growth and development of fertility as a national and international political issue the rise and fall of the narratives used to ascribe meaning to natality and the global proliferation of oddly similar policies adopted by widely dissimilar states Ultimately this book explains why government seeks to harness the womb as a state resource **Congressional Record** United States. Congress,1992 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Lost Daughters of China* Karin Evans,2008-10-02 In 1997 journalist Karin Evans walked into an orphanage in southern China and met her new daughter a beautiful one year old baby girl In this fateful moment Evans became part of a profound increasingly common human drama that links abandoned Chinese girls with foreigners who have traveled many miles to complete their families At once a compelling personal narrative and an evocative portrait of contemporary China The Lost Daughters of China has also served as an invaluable guide for thousands of readers as they navigated the process of adopting from China However much has changed in terms of the Chinese government's policies on adoption since this book was originally published and in this revised and updated edition Evans addresses these developments Also new to this edition is a riveting chapter in which she describes her return to China in 2000 to adopt her second daughter who was nearly three at the time Many of the first girls to be adopted from China are now in the teens China only opened its doors to adoption in the 1990s and this edition includes accounts of their experiences growing up in the US and in some cases of returning to China in search of their roots Illuminating the real life stories behind the statistics The Lost Daughters of China is an unforgettable account of the red thread that winds from China's orphanages to loving families around the globe *Bibliography of the History of Medicine* ,1993 **Handbook of**

**Clinical Gender Medicine** K. Schenck-Gustafsson, P. R. DeCola, D. W. Pfaff, D. S. Pisetsky, 2012-08-17 Gender medicine is an important new field in health and disease. It is derived from top quality research and encompasses the biological and social determinants that underlie the susceptibility to disease and its consequences. In the future, consideration of the role of gender will undoubtedly become an integral feature of all research and clinical care. Defining the role of gender in medicine requires a broad perspective on biology and diverse skills in biomedical and social sciences. When these scientific disciplines come together, a revolution in medical care is in the making. Covering twelve different areas of medicine, the practical and useful Handbook of Clinical Gender Medicine provides up-to-date information on the role of gender in the clinical presentation, diagnosis, and management of a wide range of common diseases. The contributing authors of this handbook are all experts who, in well-referenced chapters, cogently and concisely explain how incorporation of gender issues into research can affect the medical understanding and treatment of heart disease, osteoporosis, arthritis, pain, violence, and malaria among other conditions. This intriguing and unique medical textbook provides readers with a valuable new perspective to understand biology and incorporate gender issues into the different branches of medicine. Prosperous Paupers and Other Population Problems Nick Eberstadt, 2000 In this wide-ranging and carefully reasoned book, renowned demographer and social scientist Nicholas Eberstadt challenges these ideas and exposes their glaring intellectual shortcomings.

## **Slaughter Of The Innocents Coercive Birth Control In China** Book Review: Unveiling the Magic of Language
