Sleep No More:

Secrets of the Himalayan Mountain Masters Yogi Wassan, 1996-09 1927 Out of India comes this secret book seldom known to America Contents Universal Brain Mysterious Kundalini Spiritual Lake Holy Water Sea of Soul Pineal Gland Kala Kundalini Kala Chakra Himalaya Mountain Spirit *Emursive Presents Punchdrunk's Sleep No More*, 2011 A souvenir program for the play Sleep no more done in the fashion of a souvenir book for the fictional McKittrick Hotel in which the play takes place The play premiered in the United States on March 7 2011 in New York City Sleep No More and the Discourses of Shakespeare Performance D. J. Hopkins, 2024-02-29 This Element focuses on Sleep No More theatre adaptation of Macbeth produced by the British company Punchdrunk This Element frames the Shakespeare adaptation as part of a system of ghostly citationality through which audiences understand the significance of the past in performances today Hopkins introduces the concept of uncanny spectatorship to describe audience practice in Sleep No More and other performance contexts The Element positions experiences like Sleep No More as forms of critical inquiry and despite its seemingly analog format Sleep No More is discussed as a valuable site for media research Ultimately Sleep No More and the Discourses of Shakespeare Performance Sleep No More offers an opportunity to explore a set of concepts that are significant to the subject of Shakespeare Performance and to consider the ways in which audiences interact with bodies spaces text and media Avant-Garde Hamlet R. S. White, 2015-09-10 Hamlet stands as a high water mark of canonical art yet it has equally attracted rebels and experimenters those avant garde writers dramatists performers and filmmakers who in their adaptations and appropriations seek new ways of expressing innovative and challenging thoughts in the hope that they can change perceptions of their own world One reason for this as the book argues is that the source text that is their inspiration was written in the same spirit Hamlet as a work of art exhibits many aspects of the vanguard movements in every society and artistic milieu an avant garde vision of struggle against conformity which retains an edge of provocative novelty Accordingly it has always inspired unorthodox adaptations and can be known by a neglected portion of the company it keeps the avant garde in every age After placing Hamlet alongside cutting edge works in Shakespeare's time such as Marlowe's Doctor Faustus and Kyd's The Spanish Tragedy chapters deal with the ways in which experimental writers theatre practitioners and film makers have used the play down to the present day to develop their own avant garde visions This is a part of the uncanny ability of Shakespeare's Hamlet to be ever now ever new **Theatre and the Macabre** Meredith Conti, Kevin J. Wetmore, Jr., 2022-03-01 The macabre as a process and product has been haunting the theatre and more broadly performance for thousands of years In its embodied meditations on death and dying its thematic and aesthetic grotesquerie and its sensory rich environments macabre theatre invites artists and audiences to trace the stranger darker contours of human existence In this volume numerous scholars explore the morbid and gruesome onstage from freak shows to the French Grand Guignol from Hell Houses to German Trauerspiel from immersive theatre to dark tourism stopping along the

way to look at phantoms severed heads dark rides haunted mothers and haunting children dances of death and dismembered bodies From Japan to Australia to England to the United States the global macabre is framed and juxtaposed to understand how the theatre brings us face to face with the deathly and the horrific

Worthen, 2014-06-26 Taking a performance studies perspective on Shakespearean theatre W B Worthen argues that the theatrical event represents less an inquiry into the presumed meanings of the text than an effort to frame performance as a vehicle of cultural critique Using contemporary performances as test cases Worthen explores the interfaces between the origins of Shakespeare's writing as literature and as theatre the modes of engagement with Shakespeare's plays for readers and spectators and the function of changing performance technologies on our knowledge of Shakespeare This book not only provides the material for performance analysis but places important contemporary Shakespeare productions in dialogue with three influential areas of critical discourse texts and authorship the function of character in cognitive theatre studies and the representation of theatre and performing in the digital humanities This book will be vital reading for scholars and advanced students of Shakespeare and of performance studies
