Quite a Year for Plums Bailey White,2008-12-10 Anyone who has read the best selling *Mama Makes Up Her Mind* or listened to Bailey White's commentaries on NPR knows that she is a storyteller of inimitable wit and charm Now in her stunningly accomplished first novel she introduces us to the peculiar yet lovable people who inhabit a small town in south Georgia Meet serious studious Roger the peanut pathologist and unlikely love object of half the town's women Meet Roger's ex mother in law Louise who teams up with an ardent typographer in an attempt to attract outer space invaders with specific combinations of letters and numbers And meet Della the bird artist who captivates Roger with the sensible but enigmatic notes she leaves on things she throws away at the Dumpster This fan works but makes a clicking sound and will not oscillate Heartbreakingly tender often hilarious *Quite a Year for Plums* is a delectable treat from a writer who has been called a national treasure **Internal Rhetorics: Toward a History and Theory of Self-persuasion** Jean Nienkamp,2001

After O'Connor Hugh Ruppersburg,2003 Georgia has produced some of the major figures of modern literature including Carson McCullers Erskine Caldwell and most notably Flannery O'Connor While such writers are firmly established in American literary history all too few readers are aware of how the state's tradition of literary excellence persists in the

present day The thirty stories in After O Connor were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state Embracing the social cultural and ethnic variety in today s Georgia After O Connor both advances and helps redefine the great southern storytelling tradition **5-Star**

Programming and Services for Your 55 Library Customers Barbara T. Mates,2003-02-07 As the population approaches 55 and above libraries are faced with an opportunity to serve an underserved population In this handbook Barbara Mates explains the ins and outs of planning developing marketing and finding successful programmes and services for the greying population Piano Lessons Noah Adams,1997-03-10 Piano Lessons is Noah Adams s delightful and moving chronicle of his

fifty second year a year already filled with long fast workdays and too little spare time as he answers at last a lifelong call to learn to play the piano The twelve monthly chapters span from January when after decades of growing affection for keyboard artists and artisans he finally plunges in and buys a piano through December when as a surprise Christmas present for his wife he dresses in a tuxedo and in flickering candlelight snow falling outside the windows he attempts their favorite piece of music a difficult third year composition he s been struggling with in secret to get to this very moment Among the up tempo triumphs and unexpected setbacks Noah Adams interweaves the rich history and folklore that surround the piano And along the way set between the ragtime rhythms and boogie woogie beats there are encounters with and insights from masters of the keyboard from Glenn Gould and Leon Fleisher I was a bit embarrassed he writes telling Leon Fleisher about my ambitions for piano lessons is like telling Julia Child about plans to make toast in the morning to Dr John and Tori Amos As a storyteller Noah Adams has perfect pitch In the foreground here like a familiar melody are the challenges of learning a complex new skill as an adult when enthusiasm meets the necessary repetition of tedious scales at the end of a twelve hour workday Lingering in the background like a subtle bass line are the quiet concerns of how we spend our time and how our priorities shift as we proceed through life For Piano Lessons is really an adventure story filled with obstacles to overcome and grand leaps forward eccentric geniuses and quiet moments of pre dawn practice as Noah Adams travels across country and keyboard pursuing his dream and keeping the rhythm Nothing with Strings Bailey White,2008-10-28 For more than a decade Bailey White has delivered a story each Thanksgiving to National Public Radio s All Things Considered listeners Long awaited by her many fans Nothing with Strings is the entire collection of these Thanksgiving stories published together for the first time With wit and charm Bailey White writes about an almost gone little town where a spoon player is a guardian angel an old woman fears that John James Audubon is living in her attic and a homely governess wins a baby bull in a raffle and loses her heart It s the kind of place where Heavenly Blue morning glories grow in through the windows of old houses and funeral food is shared on a Greyhound bus on a fall afternoon You may not have ever been there but you will feel right at home in these pages Bailey White s beautifully written stories teetering on the edge of the unreal are sure to bring back memories you don t really have

Poor Man's Provence Rheta Grimsley Johnson,2008-09-01 For over a decade syndicated

columnist Rheta Grimsley Johnson has been spending several months a year in Southwest Louisiana deep in the heart of Cajun Country Unlike many other writers who have parachuted into the swampy paradise for a few days or weeks Rheta fell in love with the place bought a second home and set in planting doomed azaleas and deep roots She has found an assortment of beautiful people in a homely little town called Henderson right on the edge of the Atchafalaya Swamp These days much is labeled Cajun that is not and the popularity of the unique culture's food songs and dance has been a mixed blessing The revival of French Louisiana's traditional music and cuisine often has been cheapened by counterfeits Confused pilgrims sometimes look to New Orleans for a sampler platter of all things Cajun Close but no cigar Poor Man's Provence helps define what's what through lively characters and stories The book is both personal odyssey and good reporting travelogue and memoir funny and frank This beguiling place is as exotic as it gets without a passport The author shares what keeps her coming home to French Louisiana And as NPR commentator Bailey White observes in her foreword Both Rheta's readers and the people she writes about will be comfortable well fed highly entertained and happy they came to Poor Man's Provence
