Hymel,2023-04-07 Winner of the 2023 Army Historical Foundation Distinguished Writing Award for Biography This second of three volumes of Patton s War picks up where the first one left off examining General George S Patton s leadership of the U S Third Army The book follows Patton s contributions to both the Normandy and Brittany campaigns the closing of the Falaise Pocket in Normandy and racing to the port cities in Brittany It ends with Patton and his corps rescuing the besieged town of Bastogne in the Battle of the Bulge As he did in the preceding volume Hymel relies not only on Patton s diaries and letters but countless veteran interviews surveys and memoirs He also provides a unique insight missed by previous Patton scholars Instead of using Patton s transcribed diaries which were heavily edited and embellished he consults Patton s original hand written diaries to uncover previously unknown information about the general This second volume of Hymel s groundbreaking work shows Patton at the height of his generalship successfully leading his army without the mistakes and caustic behavior that almost got him sent home earlier even if we also see a Patton still guided at times by racism and antisemitism **The regional travel guide for Grevenmacher (Luxembourg)** ,2025-09-24 , **The Californian** ,1881 Nierstein and Oppenheim 1945 Russ Rodgers,2020-06-25 A highly illustrated updated study of Patton s daring attempt to bounce the river Rhine in March 1945 In January 1945 the collapse of the German front along the Siegfried Line led to a large scale dissolution of German combat forces and capability Pressed hard by Allied forces advancing eastward German units often found themselves trapped west of the Rhine River With his eye on history US Lt Gen George S Patton Jr was determined to be the first leader since Napoleon to make an assault crossing of the Rhine The most logical crossing place was at Mainz as it served as a major railroad logistical link from west to east However Patton was aware that this would be obvious to the Germans and therefore he and his staff made rapid plans for another site at Nierstein and Oppenheim about 12 miles south of Mainz The crossing began at 2230 hours on 23 March when the first boats carrying 11th Infantry Regiment troops left the western bank of the Rhine They met with little opposition despite a few sharp counterattacks overall resistance was light and American forces suffered few casualties By 24 March the US 4th Armoured Division under Brig Gen William Hoge crossed the Rhine and began the exploitation phase By 26 March the exploitation to the Main River was clearly a rout exacerbated by additional crossings of the Rhine by other Allied units over the next few days Illustrated throughout with stunning full colour artwork maps and bird s eye views this title details the complete history of this dramatic campaign Who's who ,1975 **The adventures of mr.
