Small Parties in Western Europe

Comparative and National Perspectives

SAGE Modern Politics Series Volume 27 sponsored by
the European Consortium for Political Research (ECPR)

Small parties in Western Europe have become an important feature of the political landscape. This book provides a comparative and national perspective on the role of small parties in the political system.

The book is divided into two parts. The first part, 'Comparative Perspectives', examines the role of small parties in the political system of Western Europe. The second part, 'National Perspectives', examines the role of small parties in the political system of individual Western European countries.

The book is a valuable contribution to the study of small parties in Western Europe. It provides a comprehensive overview of the role of small parties in the political system and offers a comparative and national perspective on the role of small parties in the political system.

The book is a valuable contribution to the study of small parties in Western Europe. It provides a comprehensive overview of the role of small parties in the political system and offers a comparative and national perspective on the role of small parties in the political system.

Small Parties In Western Europe Comparative And National Perspectives

Nesrin Kenar, Philipp O. Amour

Small Parties In Western Europe Comparative And National Perspectives:

Small Parties in Western Europe Ferdinand Müller-Rommel, Geoffrey Pridham, 1991-02-01 This is the first comparative analysis of small parties in Western Europe It fills a significant gap in the comparative study of political parties and party systems in the region It formulates five approaches to the study of small parties and then applies these to selected national case studies This original work will be of value to all political scientists interested in parties and party systems in Western Europe

Regionalist Parties in Western Europe Lieven De Winter, Huri Tursan, 2003-08-29 Ethnoregionalist parties are an increasingly influential political phenomenon in many Western European countries Despite this there has been little systematic study of these important political parties This volume fills the gap with an exploration of the successes and failures experienced by ethnoregionalist parties in post war Europe Regionalist Parties in Western Europe looks in detail at the fortunes of twelve regionalist parties in the Basque country Corsica French speaking Belgium Scotland Wales Catalonia Flanders Italy and South Tyrol

New Challenger Parties in Western Europe Airo Hino, 2012-06-12 This book provides a systematic and comparative account of the rise of new challenger parties across Western Europe It analyses how parties that challenge the conventional party system by addressing issues neglected by existing parties can succeed and fail Systematically comparing 229 elections since 1950 across 15 European democracies including the United Kingdom France Germany Italy the Benelux and Scandinavian countries this book questions why new challenger parties are more successful in some countries than others and analyses the conditions that determine their emergence and subsequent success or failure As one of the first systematic and comparative examinations of new challenger parties this book looks at both new politics parties and extreme right parties and the structures to aid their emergence at the time of an election Identifying two distinctive stages of party development the author adopts a double hurdle model involving first the chances of emergence and second sustained success This framework in combination with a wide range of empirical data provides for an innovative and insightful analysis of a neglected topic New Challenger Parties in Western Europe will be of interest to students and scholars of government comparative politics and political parties

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah L. de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark

Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

The extreme Right in Western Europe Elisabeth Carter,2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

Green Parties in Europe Emilie van Haute,2016-04-28 The emergence of green parties throughout Europe during the 1980s marked the arrival of a new form of political movement challenging established models of party politics and putting new issues on the political agenda Since their emergence green parties in Europe have faced different destinies in countries such as Germany Belgium Finland France and Italy they have accumulated electoral successes participated in governments implemented policies and established themselves as part of the party system In other countries their political relevance remains very limited After more than 30 years on the political scene green parties have proven to be more than just a temporary phenomenon They have lost their newness faced success and failure power and opposition grassroots enthusiasm and internal conflicts *Green Parties in Europe* includes individual case studies and a comparative perspective to bring together international specialists engaged in the study of green parties It renews and expands our knowledge about the green party family in Europe

Farewell to the Party Model? Marion Reiser, Everhard Holtmann,2008-05-14 Marion Reiser Everhard Holtmann Local independent lists as political actors are a common phenomenon on the local level in many European countries in established Western democracies as well as in the new democracies in Central and Eastern Europe In some West

European countries these non partisan groups have been an established and stable element in the local political system for decades. They call themselves as protectors of a harmonious factual political style. In their opinion good local politics is not compatible with party politics so they consequently perceive themselves as non parties. During the last two decades presence and success of local lists have steadily increased in these countries. Furthermore during the last years local lists emerged also in countries which had been formerly fully party politicised on the local level. Explanations offered for these developments are often based on the observation of a general decline of trust in established parties and politicians. Hence it has been argued that the disenchantment with political parties is a fertile ground for local lists. For the Central and East European countries this argument can be played only to a certain extent. Local lists established themselves in the early 1990s as important actors on the local level especially due to a lack of party organisation in the process of democratic consolidation.

Anti-Political Establishment Parties Amir Abedi, 2004-07-31 Recent electoral success of the Freedom Party in Austria, List Pim Fortuyn in The Netherlands, the People's Party in Denmark and the National Front in France have demonstrated the appeal of parties that challenge the political establishment. This book seeks to explain why these parties have achieved a political breakthrough but unlike other studies in the area does not concentrate on only one type of party. Instead it attempts to determine preconditions for the success of anti political establishment parties in general avoiding any time specific or ideology specific explanations.

Radical or Redundant? Liam Weeks, 2011-11-30 While the type of small political party in Ireland has varied their fate it seems has not. Although some enjoy a brief time in the sun termination is the long term prospect for all minor parties. The usual pattern is a speedy ascent an impact on the political system including a time in government followed by a prolonged termination. This book examines this pattern of evolution for minor or small parties in Irish politics. As the Irish state has changed so too have the types of parties that have emerged. With the first time entry of the Greens into government in 2007 their wipeout in 2011 the termination of the Progressive Democrats in 2009 and the failure of a new party to emerge despite the on going financial crisis the time is ripe for this analysis.

Parties, Governments and Elites Philipp Harfst, Ina Kubbe, Thomas Poguntke, 2017-04-26 Parties governments and elites are at the core of the study of democracy. The traditional view is that parties as collective actors play a paramount role in the democratic process. However this classical perspective has been challenged by political actors observers of modern democracy as well as political scientists. Modern political parties assume different roles contemporary leaders can more heavily influence politics governments face new constraints and new collective bodies continue to form propose new ways of participation and policy making and attract citizens and activists. In the light of these observations the comparative study of democracy faces a number of important and still largely unsolved questions that the present volume will address.

Political Parties and the European Union John Gaffney, 2002-09-11 Political Parties and the European Union offers a panoramic survey of the political parties of contemporary Europe. It covers party politics from Scandinavia to Greece focusing on how parties in

the individual member states have responded to the processes of European integration Despite a trend towards political convergence national traditions continue to shape politics across Europe In order to reflect and do justice to the diversity of political cultures the book combines case studies comparative approaches and supranational perspectives It examines the history of the main national parties offers new comparative perspectives on communist green and extreme right parties and analyses party politics at the European level

Green Parties in Transition Paul Lucardie, 2016-12-05 When green parties emerged in the 1980s not only did they question established ideas about nature and economic growth they also challenged the iron law of Roberto Michels that all parties inevitably follow a similar path towards informal concentration of power and oligarchy Grass roots democracy was both an ideological tenet and an organizational project for practically all green parties These days the greens have lost their glamour and innocence They have grown up and even joined governing coalitions in several countries Did they leave grass roots democracy by the roadside on the way to power This book investigates to what extent green parties have remained true to their identity or have been transformed Country specialists analyze the development of green parties in 14 countries across the world not only Western Europe but also Australia Canada New Zealand and the United States These analyses also offer clues on broader questions about party types and party change in contemporary democracies

Reflections On International Relations & Politics & History & Law Nesrin Kenar, Philipp O. Amour, 2019-12-18 Does social science matter Yes Why does social science matter It provides humans with knowledge in form of research and theory that allows us to understand our surroundings and how the social realm works In addition to the theoretical and empirical understanding of the social realm social science allows us to anticipate and shape aspects of future social developments and outcomes e g demography and human security and social unrests or actions and potential reactions between and among individuals state actors and non state actors and their implication on the social realm Thus social science matters due to its canon of knowledge which empowers humans with tools to not just understand the social realm but also mediate in social dynamics and suggest policy reforms Humans keen on the social science develop practical skills distinctly valued in all forms of social dynamics For instance individuals can understand their social surroundings assess decisions they attempt to make and such which political leadership conducts on their behalf Without our knowledge in social science our understanding of the social realm is less complete and our objectivity is less robust This book provides a platform for readers scholars and for practitioners to learn about present trends and debates in Social Sciences und conduct creative and fresh interdisciplinary research to discuss common encounters and brainstorm innovative solutions This book includes Twelve chapters which are divided into four sections related to the disciplines of International Relations Politics History and Law The chapters are written with different depth and quality they demonstrate the validity which the social science can stimulate our understanding and anticipation of our world

Ethnopolitics in the New Europe John T. Ishiyama, Marijke Breuning, 1998 Applying a framework derived from comparative politics and IR theory the authors of this text explore two sets of empirical

cases the emergence of new nationalisms in old European democracies and the re emergence of old nationalisms in several new democracies

Migration Policies and Political Participation P. Odmalm,2005-10-26 Comparing differences in migrant political participation the author discusses the influence that institutions have on opportunities and constraints for migrants political engagement The book adopts a multi country comparative approach highlighting three areas where institutions influence the scope for migrant actors in Sweden the Netherlands France Germany and the UK Strategies adopted by organized migrant interests in response to specific political structures The role of identity and its relevance in explaining varying political participation Institutional effects on the relationship between migrant organizations and political parties

Federalism and Decentralization in European Health and Social Care J. Costa-Font,S. Greer,2016-01-12

This is the first book to examine the processes of territorial federalization and decentralization of health systems in Europe drawing from an interdisciplinary economics public policy and political science approach It contains key theoretical and empirical features that allow an understanding of when health care decentralization is successful

Voting Behavior in Europe Erik Oppenhuis,1995

On Parties, Party Systems and Democracy Peter Mair,2014-09-01 This collection brings together some of the most significant and influential work by leading comparativist Peter Mair 1951 2011 The selection ranges from considerations on the relevance of concept formation to the study of party systems and party organisations and from reflections on the democratic legitimacy of the European Union to the future of party democracy Including frequently cited papers alongside lesser known work the writings collected in this volume attest to the broad scope and depth of Mair s insights into comparative party politics and the changing realities of party government As such they form an important and enduring contribution to the study of politics and a fitting tribute to an inspirational and much missed figure in the global political science community Edited and introduced by Ingrid van Biezen with an intellectual portrait of Peter Mair by Stefano Bartolini and Hans Daalder

The Politics of Southern Europe José Magone,2003-02-28 European integration has had a profound impact on the politics of Southern Europe a region that was initially at the margin of the decision making processes of the European Union but is gradually becoming more and more influential This volume offers a comparative overview of modern politics in Spain Portugal Italy and Greece focusing in particular on the process of integration of these countries into the European Union and on the impact of European public policy The author analyzes the development of Southern European political systems from the establishment of democratic governments to the most recent political events looking at each individual system and finding patterns similarities of development as well as differences between them Among the topics examined are the building of institutions the parties and party systems foreign policies the political culture of each country and the recent efforts towards the creation of a space of security and peace in the Mediterranean

Separatism and Sovereignty in the New Europe Janet Laible,2008-11-23 This book investigates why despite European integration separatist nationalism continues to thrive in EU member states Laible demonstrates that the EU sustains the importance of

statehood and therefore separatism and creates new forms of political capital that nationalists employ in their struggles for self government

Small Parties In Western Europe Comparative And National Perspectives Introduction

In today's digital age, the availability of Small Parties In Western Europe Comparative And National Perspectives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Small Parties In Western Europe Comparative And National Perspectives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Small Parties In Western Europe Comparative And National Perspectives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Small Parties In Western Europe Comparative And National Perspectives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Small Parties In Western Europe Comparative And National Perspectives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Small Parties In Western Europe Comparative And National Perspectives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Small Parties In Western Europe Comparative And National Perspectives

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Small Parties In Western Europe Comparative And National Perspectives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Small Parties In Western Europe Comparative And National Perspectives books and manuals for download and embark on your journey of knowledge?

FAQs About Small Parties In Western Europe Comparative And National Perspectives Books

What is a Small Parties In Western Europe Comparative And National Perspectives PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Small Parties In Western Europe Comparative And National Perspectives PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Small Parties In Western Europe Comparative And National Perspectives PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Small Parties In Western Europe Comparative And National Perspectives PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel,

JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Small Parties In Western Europe Comparative And National Perspectives PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
