for fans of Stranger Things and Scary Stories to Tell in the Dark even if they don't have any special powers Charlie Greer is nothing special at least not compared to her adopted siblings Her younger sister is a ghost Her brother Mateo is a werewolf Gideon is the product of seriously sketchy experiments that gave him telekinetic powers Even her parents work for the Division of Extranormal Investigations tracking down all things supernatural alien and otherwise unusual Charlie's mom says her superpower is maturity which doesn't really count But what Charlie lacks in powers she makes up for by keeping the household running Now with her parents off on their first vacation in years it's up to her to take care of her siblings and make sure nothing disrupts the trip But then the new neighbors arrive The Weavers are a nice normal couple Too nice and too normal And for some reason they don't seem to want Charlie to see inside their house She's certain they're hiding something Charlie has to uncover what's going on with the Weavers and stop their plans without letting Mom and Dad find out anything is wrong
