Smugglers of Spirits Harold Waters,1971-01-01 **United States Coast Guard Annotated Bibliography** United States. Coast Guard,1982 [American Smuggling as White Collar Crime](#) Lawrence Karson,2020-09-29 When Edwin Sutherland introduced the concept of white collar crime he referred to the respectable businessmen of his day who had in the course of their occupations violated the law whenever it was advantageous to do so Yet since the founding of the American Republic numerous otherwise respectable individuals had been involved in white collar criminality Using organized smuggling as an exemplar this narrative history of American smuggling establishes that white collar crime has always been an integral part of American history when conditions were favorable to violating the law This dark side of the American Dream originally exposed itself in colonial times with elite merchants of communities such as Boston trafficking contraband into the colonies It again came to the forefront during the Embargo of 1809 and continued through the War of 1812 the Civil War nineteenth century filibustering the Mexican Revolution and Prohibition The author also shows that the years of illegal opium trade with China by American merchants served as precursor to the later smuggling of opium into the United States The author confirms that each period of smuggling was a link in the continuing chain of white collar crime in the 150 years prior to Sutherland s assertion of corporate criminality *The Incorruptibles* Dan Slater,2024-07-16 This harrowing tale of early twentieth century New York reveals the true stories of an immigrant underworld a secret vice squad and the rise of organized crime In the early 1900s prior to World War I New York City was a vortex of vice and corruption On the Lower East Side then the most crowded ghetto on earth Eastern European Jews formed a dense web of crime syndicates Gangs of horse poisoners and casino owners pimps and prostitutes thieves and thugs jockeyed for dominance while their family members and neighbors toiled in the unregulated garment industry But when the notorious murder of a gambler attracted global attention a coterie of affluent German Jewish uptowners decided to take matters into their own hands Worried about the anti immigration lobby and the uncertain future of Jewish Americans the uptowners marshalled a strictly off the books vice squad led by an ambitious young reformer The squad known as the Incorruptibles took the fight to the heart of crime in the city waging war on the sin they saw as threatening the future of their community Their efforts however led to unforeseen consequences in the form of a new mobster class who realized in the country s burgeoning reform efforts unprecedented opportunities to amass power In this mesmerizing and atmospheric account drawn from never before seen sources and peopled with unforgettable characters Dan Slater tells an epic and often brutal saga of crime and redemption exhuming a buried history that shaped our modern world **The Golden Avenue: The History and People of Ocean Avenue, Amityville, NY** Doug Robinson,2018-09-17 The Golden Avenue tells the history of Ocean Avenue in Amityville New York and the famous infamous and interesting folks associated with the street These include Lawrence B Sperry aviation pioneer Walter O Malley owner of the Brooklyn Dodgers Annie Oakley Lebert Lombardo of the Royal Canadians Bruce Parker Mr

Water Skiing John B Gambling of WOR Radio Ed Nezbeda and Grumman Aircraft Phil Brice and Republic Aviation Christine Riley actress and Ronald DeFeo mass murderer *Smuggler Nation* Peter Andreas,2013-03-21 Retells the story of America and of its engagement with its neighbors and the rest of the world as a series of highly contentious battles over clandestine commerce *The Bahamas in American History* Keith Tinker,2011-11-30 THIS BOOK EXPLORES the many complex historical connections between the United States of America and the Commonwealth of The Bahamas Beginning with an overview of shared early Spanish colonization the book is the first attempt to provide a comprehensive study of the impact of the sequential development of the United States on events in the emerging Bahamas placing the heretofore marginalized history of the island nation firmly into the orbit of Atlantic historiographical literature Among other things the books sheds light on the role played by the islands in a series of significant events in the U S history These include the American Revolution in which four of the initial official military actions of the fledgling U S Navy comprised repeated invasions of British controlled Nassau capital of the Bahamas the American Civil War during which Nassau became one of the main bases for supply of vital goods and ammunition to the Confederacy the intrigues of the Volstead Act which legislated prohibition but also caused the temporary transformation of Bahama Islands into major transshipment centers for the smuggling of alcoholic beverages to a multitude of prohibition defiant and thirsty Americans and the significant role played by Bahamian migrants in the creation of the city of Miami and other areas of south Florida The author draws on a wealth of tapped and untapped primary sources and presents a new perspective on the Bahamian experience that helped to define the self proclaimed American credo of Manifest Destiny **Rumrunners** J. Anne Funderburg,2016-11-18 In 1920 the 18th Amendment made the production transportation and sale of alcohol not merely illegal it was unconstitutional Yet no legislation could end the demand for alcohol Enterprising rumrunners worked to meet that demand with cunning courage machineguns and speedboats powered by aircraft engines They out maneuvered the U S Coast Guard and risked their lives to deliver illicit liquor Smugglers like Bill McCoy the Bahama Queen and the Gulf Stream Pirate along with many others ran operations along the U S coastline until Prohibition was repealed in 1933 Drawing on legal records newspaper articles and Coast Guard files this history describes how rumrunners battled the Dry Navy and corrupted U S law enforcement in order to keep America wet *Supreme City* Donald L. Miller,2015-05-19 An award winning historian surveys the astonishing cast of characters who helped turn Manhattan into the world capital of commerce communication and entertainment *Violence in America* Ted Robert Gurr,1989-06 Violence in America The History of Crime presents a wealth of new research on the long term dynamics of murder and other crimes of violence The contributors clearly identify and diagnose the painful circumstances of recurring epidemics of violent crime that have swept the American society over the past 150 years Among the possible causes discussed are waves of immigration the social dislocations of war and growing concentrations of urban poverty In addition this engaging volume offers an evaluation of the traits of political assassins and an assessment of the pros and cons

of gun control and whether or not it will help to reduce crimes of violence Surprisingly the contributors to this compelling volume present the idea that the past and present dynamics of violent crime projected into the future suggest grounds for cautious optimism This outlook is based on recent increases in effective criminal justice policies and the widespread efforts to remedy the social disintegration that breeds violent crime Students and professionals in history criminology victimology political science and other related fields will find this volume to be essential reading For both volumes This is a major timely and immensely welcome addition to the literature on violence in American society With fresh scholarship and new insights it updates a classic study of violence first published in 1969 It would make a valuable addition to courses on American social history as well as classes specifically addressing violence and crime in this society John J Broesamle California State University Northridge

The United States Coast Guard and National Defense Thomas P. Ostrom, 2011-10-14 In addition to port security ship inspection and safety law enforcement and search and rescue the U S Coast Guard assumes an important role in national defense at home and abroad To that end the Coast Guard has carried out separate and coordinated missions with other armed forces from the Great Lakes to the Atlantic Pacific Gulf of Mexico Mediterranean Persian Gulf and North Polar region This chronicle of the Coast Guard s contributions to national defense examines participation in World War I World War II Korea the Cold War Vietnam and the War on Terror Among the topics explored are defense threats drug trafficking and border security as well as Coast Guard personnel training leadership and assets [Catalog of Copyright Entries. Lady Codebreaker K.D. Alden, 2024-03-12 Fans of Kate Quinn and Kristina McMorris will love this gripping historical novel based on the true story of the woman who used her codebreaking skills to bring down Prohibition gangsters and WWII Nazis and who ultimately helped found the present day NSA Grace Smith has never been one to conform to society s expectations She flees small town Indiana to seek adventure and finds more than she bargained for when she s hired by an eccentric millionaire to learn codebreaking Soon she s using those skills to help head the government s fledgling cryptanalysis unit During Prohibition Grace takes up the fight against rumrunners not to mention Al Capone himself And as the country careens from one Great War to another it s Grace who must crack the secrets of foreign governments catch spies and derail saboteurs before it s too late With wry wit and sheer grit she forges her own path as a codebreaker wife mother She s spent a lifetime going up against powerful men and winning But as war rages and the stakes grow impossibly high Grace faces a truly impossible choice her family or her country

The American Issue, 1929 *American Dictators* Steven Hart, 2013-10-25 One man was tongue tied and awkward around women in many ways a mama s boy at heart although his reputation for thuggery was well earned The other was a playboy

full of easy charm and ready jokes his appetite for high living a matter of public record One man tolerated gangsters and bootleggers as long as they paid their dues to his organization The other was effectively a gangster himself so crooked that he hosted a national gathering of America s most ruthless killers One man never drank alcohol The other from all evidence seldom drank anything else American Dictators is the dual biography of two of America s greatest political bosses Frank Hague and Enoch Nucky Johnson Packed with compelling information and written in an informal sometimes humorous style the book shows Hague and Johnson at the peak of their power and the strength of their political machines during the years of Prohibition and the Great Depression Steven Hart compares how both men used their influence to benefit and punish the local citizenry amass huge personal fortunes and sometimes collaborate to trounce their enemies Similar in their ruthlessness both men were very different in appearance and temperament Hague the mayor of Jersey City intimidated presidents and wielded unchallenged power for three decades He never drank and was happily married to his wife for decades He also allowed gangsters to run bootlegging and illegal gambling operations as long as they paid protection money Johnson the political boss of Atlantic City and the inspiration for the hit HBO series Boardwalk Empire presided over corruption as well but for a shorter period of time He was notorious for his decadent lifestyle Essentially a gangster himself Johnson hosted the infamous Atlantic City conference that fostered the growth of organized crime Both Hague and Johnson shrewdly integrated otherwise disenfranchised groups into their machines and gave them a stake in political power Yet each failed to adapt to changing demographics and circumstances In American Dictators Hart paints a balanced portrait of their accomplishments and their failures

Encyclopedia of War and American Society Peter Karsten,2006 Publisher description **Chesapeake Rumrunners of the Roaring Twenties** Eric Mills,2000 It was a whiskey soaked age that was supposed to be dry Prohibition may have been the law of the land but hte Chesapeake Bay country was awash in a sea of illegal alcohol The marshes were teeming with hidden stills and bootleg liquor was smuggled throughout the waterways and the adjoining countryside by daring men in fast boats and faster cars Chesapeake Rumrunners of the Roaring Twenties is a saga of people watermen and steamer captains mob raketeers and legitimate buisnessmen all of them wanting part of the action In the maze of Bay waters boats played a key role in that action many disguised as workboats but built for speed and the ability to out maneuver the law On the other side Billy Sunday and an army of temerpane crusaders campaigned tirelessly to encourage Prohibition while federal agents and Coast Guardsmen shared the impossible task of enforcing it

Bubble in the Sun Christopher Knowlton,2021-01-12 Christopher Knowlton author of Cattle Kingdom and former Fortune writer takes an in depth look at the spectacular Florida land boom of the 1920s and shows how it led directly to the Great Depression The 1920s in Florida was a time of incredible excess immense wealth and precipitous collapse The decade there produced the largest human migration in American history far exceeding the settlement of the West as millions flocked to the grand hotels and the new cities that rose rapidly from the teeming wetlands The boom spawned a new subdivision civilization

and the most egregious large scale assault on the environment in the name of progress Nowhere was the glitz and froth of the Roaring Twenties more excessive than in Florida Here was Vegas before there was a Vegas gambling was condoned and so was drinking since prohibition was not enforced Tycoons crooks and celebrities arrived en masse to promote or exploit this new and dazzling American frontier in the sunshine Yet the import and deep impact of these historical events have never been explored thoroughly until now In *Bubble in the Sun* Christopher Knowlton examines the grand artistic and entrepreneurial visions behind Coral Gables Boca Raton Miami Beach and other storied sites as well as the darker side of the frenzy For while giant fortunes were being made and lost and the nightlife raged more raucously than anywhere else the pure beauty of the Everglades suffered wanton ruination and the workers mostly black who built and maintained the boom endured grievous abuses Knowlton breathes dynamic life into the forces that made and wrecked Florida during the decade the real estate moguls Carl Fisher George Merrick and Addison Mizner and the once in a century hurricane whose aftermath triggered the stock market crash This essential account is a revelatory and riveting history of an era that still affects our country today

Thai Stick Peter Maguire, Mike Ritter, 2013-11-12 The untold history of the underground marijuana trade in Thailand from surfers and sailors to pirates Located on the left bank of the Chao Phya River Thailand's capital Krungthep known as Bangkok to Westerners and the City of Angels to Thais has been home to smugglers and adventurers since the late eighteenth century During the 1970s it became a modern Casablanca to a new generation of treasure seekers from surfers looking to finance their endless summers to wide eyed hippie true believers and lethal marauders left over from the Vietnam War Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade Many forget that until the mid 1970s the vast majority of marijuana consumed in the United States was imported and there was little to no domestic production Peter Maguire and Mike Ritter are the first historians to document this underground industry the only record of its existence rooted in the fading memories of its elusive participants Drawing on hundreds of interviews with smugglers and law enforcement agents the authors recount the buy delivery voyage home and product offload They capture the eccentric personalities of the men and women who transformed the Thai marijuana trade from a GI cottage industry into a professionalized business moving the world's most lucrative commodities unraveling a rare history from the smugglers perspective Highly recommended for anyone who loves adventure cannabis surfing or all of the above It's every single bit as heady energetic and captivating as the title implies *Cannabis Now*
