Chan-ard, John W. K. Parr, Jarujin Nabhitabhata, 2015 The definitive and complete guide to reptile life in Thailand containing species accounts for every known species of reptile in the country **Land Snakes of Medical Significance in Malaysia**

Ahmad Khaldun Ismail, Teo Eng Wah, Indraneil Das, Taksa Vasaruchapong, Scott A. Weinstein, 2017-07-03 The purpose of this book is to highlight the potentially dangerous species to humans with a list of the main potentially medically significant snakes It is important to note that if a species is not listed below it does not necessarily mean that it does not exist in Malaysia nor that its bite cannot cause harmful effects in humans In particular the list of colubrid non front fanged snakes has been selective to include only a number known to be of potential medical significance It is also important to note that a poor surveillance of the pet trade and irresponsible importation of exotic snakes may introduce a medically significant species which is not indigenous to Malaysia This may add to the complexity of managing envenomings in this country
