Bessie Head,2013-10-09 Bessie Head s short stories have an extraordinary simplicity and breadth of vision heralded a review in The Tribune after publication of Head s first collection of short stories The Collector of Treasures Regarded today as one of Africa s best known woman writers in English Head draws on the rich oral tradition of southern Africa and masterfully applies storytelling s language and imagery Carefully sequenced the anthology gives special focus to village people from independence era Botswana and the status position and plight of African women *Ladies' Home Companion* ,1909

Wedding, Gender, and Performance in Ancient Greece Andromache Karanika,2024-09-11 Wedding Gender and Performance in Ancient Greece traces the wedding song tradition its imagery and its tropes as a genre that became crystallized throughout the ages It explores how wedding poetics permeates ancient Greek literature It first analyzes how explicit or implicit matrimonial references shape archaic epic diction and become an integral part of epic discourse orally circulating texts such as wedding songs could have a life of their own but beyond their original context could also become an integral part of a different genre especially epic and drama This author discusses the multiple platforms that enrich the wedding song tradition including children s songs hymns paeans and ululations arguing for a combination of ritualized discourse with ludic childhood poetics With an approach from cognitive and trauma studies such references can be more revealing of the female experience than previously acknowledged This book resists the idea that a wedding constitutes an initiation ritual arguing that what on the surface may seem like a transition to a new phase reveals other underlying trends that work against the concept of a passage It further considers how emotion is staged and revisits the poetics of return by looking at patterns such as the eloping returning failed and dead bride Finally the theme of separation and return as an exemplification of a distinct female nostos is revisited in female authored poetry which helps us decode the complex interweaving of wedding performances and lamentation among other types of performance *How to Take Great Digital Photos of Your Friend's Wedding* ,2007-02-01 Armed with a digital camera wedding attendees can create snapshots of the their friend s big day with the camera lighting posing and composition skills taught in this step by step manual Beginning with a discussion of digital capture basics and how to ensure the best possible exposure by selecting the appropriate ISO settings photographers learn how to create the setting that produces the best results under any lighting conditions Posing is

also covered so that armed with some general principles and strategies amateur photographers can greatly improve their sense of portraiture Sections on unusual situations teach readers how to make the best of mixed lighting conditions flatter subjects avoid exposure problems and use the flash indoors while tips on using Adobe Photoshop Elements help photographers give their photographs that professional edge *Every Day a Holiday* Elizabeth Raum,2001 Matches quality children s books with each day of the year to provide a focus for story time The lessons in this book will help children develop creative connections between reading and the world around them introducing them to many other people and places throughout the world Aperture 3 Pocket Genius Josh Anon, Ellen Anon,2010-10-26 If you want to get the very most out of Aperture 3 put this savvy Portable Genius guide to work Want to organize your images with Faces Use GPS data to explore photos by the location Import video Create advanced multimedia slide shows You ll find cool and useful Genius tips full color screenshots and pages of easy to access shortcuts and tools that will save you loads of time and let you enjoy Aperture 3 to the max **Focus On Apple Aperture** Corey Hilz,2013-03-20 Are you into photography not photomanipulation Frustrated that you are spending too much time in front of the screen and not enough behind the lens Feel like you are not getting the most out of the powerful processing functions of Apple Aperture This straightforward inspiring guide is aimed at photographers whose goal is to use the software to bring out the best in their photographs Professional photographer and educator Corey Hilz leads you through a highly effective professional s workflow with Aperture from importing your photos from your camera and making image adjustments to labelling each photo with metadata and keywords for effective organization and searching and finally outputting your images for print or social media He focuses on the vital aspects for photographers such as correcting tone and color targeted adjustments metadata and managing a fast expanding library Focus On Apple Aperture is packed with stunning photographs and screenshots to illustrate every tweak the author makes to effortlessly teach the new or beginning user the fundamentals of the software Users of all versions of Aperture will benefit from this book **Apple Aperture 3** Ken McMahon, Nik Rawlinson,2012-09-10 Aperture is a dedicated end to end workflow tool for photographers and this book guides the reader through the complete process from capture to output The beauty of Aperture is that unlike Adobe s rival workflow software Lightroom it doesn t force a particular structure or workflow on to the user This more open ended approach means it is becoming increasingly popular with photographers but also means that there is a lot to learn for a newcomer to the software Whether you are cataloging organising and adding Metadata to thousands of RAW files selecting cropping and correcting an individual image or preparing files for final output to web or print this book provides a complete reference for producing high quality results with Aperture **Real World Aperture** Ben Long,2006-07-11 Released to near universal acclaim Apple s Aperture is an all in one post production tool for professional photographers Featuring a RAW focused workflow Aperture lets photographers import edit catalog organize retouch publish and archive images more effectively and efficiently than ever before In this guide best selling author Ben
