**The Mortara Case and Thomas Aquinas's Defense of Jewish Parental Authority** Matthew Tapie, 2025 The Mortara case refers to Pope Pius IX's 1858 removal of a six year old Jewish boy Edgardo Mortara from his parents in Bologna Italy Six years after the child was born it was reported that the family's Christian housekeeper had baptized him after he had fallen ill as an infant and was allegedly in danger of death Since canon law and civil law stipulated that a baptized child must be raised Catholic Pius IX used his power as head of the Papal States to remove Edgardo from his family so he could receive a Christian education Scholars on both sides of the contemporary debate over Pius IX's decision to remove the child frequently appeal to the teaching of Thomas Aquinas to make their arguments However the discussion has overlooked an important fact the question of how Aquinas's teaching applied to the case was at the center of the dispute between the Mortara family and Pius IX in 1858 Indeed the Mortara family and the Roman Jewish community submitted to the Vatican a two part document Pro memoria and Syllabus that appealed to Aquinas to argue for the return of the child However the Vatican's reply Brevi cenni denied the request and cited Aquinas's teaching to argue that Edgardo's baptism was valid and that he therefore belonged to the Church Who had the correct interpretation of Aquinas's thought And how does this answer impact Catholic theology and Catholic Jewish relations today The Mortara Case and Thomas Aquinas's Defense of Jewish Parental Authority assesses the claims of both sides of the contemporary debate through an analysis of Aquinas's teaching as it is interpreted in the original Italian and Latin documents from the 1858 case which are housed in the Vatican Apostolic Archives The complete text of these documents are reproduced here with facing English translations for the first time Tapie demonstrates that for Aquinas Jewish parental authority is an order of the natural law which Aquinas likened to a spiritualis uterus spiritual womb Since Jewish parental authority is an order of the natural law it cannot be opposed to God's grace The Mortara Case and Thomas Aquinas's Defense of Jewish Parental Authority is the first book length study to examine Aquinas's teaching against baptism of Jewish children *invis parentibus* against the will of parents in its thirteenth century context The book also treats the reception history of Aquinas's thought among his Dominican defenders

who advanced his position from the late thirteenth century into the middle of the sixteenth century Tapie s study concludes by examining the current Code of Canon Law on infant baptism for children of non Catholic parents as well as its relation to the Second Vatican Council s teaching on religious freedom and the Jewish people     *Berenice II Euergetis* Branko van Oppen de Ruiter,2016-02-03 Berenice II Euergetis 267 6 221 BCE the daughter of King Magas of Cyrene Libya and wife of King Ptolemy III of Egypt was queen at an important juncture in Hellenistic history This collection of four essays focuses on aspects of chronology genealogy and marital practices royal ideology and queenship     *The Last Days Are Left Behind* James Ellis,2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these issues For God s Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible s prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God s Word
