[Devil's Sexy Candy](#) Zeena Becks,2023-09-14 Life as the guitarist of a world famous rock band has its perks Plenty of money Plenty of attention And plenty of women Usually it also means plenty of work just as Mickey Collins loves it The less time spent all by himself the better Until destiny takes him to Lucy Stewart She s smart she s beautiful and she s the first woman to ever make him fight for her attention Getting her out of his head is impossible Falling for her is inevitable But being with her seems impossible Not as long as she s still hung up on someone else Ever since she was twelve years old Lucy Stewart dreamed about being a nurse Taking care of those in need bringing a smile onto the faces of everyone around there hadn t been a greater joy for her Until a tragic loss left her with nothing but guilt grief and red wine to fill the lonely hours at home But her whole life is set to change when one of her patients presents her with tickets for the London show of her favourite British rock band Devil s

Entourage It could have been the best day of Lucy's life If it wasn't for the brief encounter with the band's guitarist resulting in a blooming friendship torn feelings and too much sexual tension for a woman who is determined to never love again Will Mickey succeed in leaving his playboy past behind to find true love And what happens when Lucy has to realise that the man she had sworn to love until her very last breath may not have been as good for her as she had once believed Devil's Sexy Candy is book 5 in the Devil's Series a series following the mates of British rock band Devil's Entourage The first four books of the series do not have to be read in order to understand and enjoy Mickey and Lucy's story *Seduced* Nelson George,1997-01-21 A smart funny and wonderfully resonant novel It's the 1980s and aspiring songwriter Derek Harper is a man easily seduced Not only do the Big Three money fame and women keep him running but Harper falls prey to subtler forms of seduction as well the ease of rationalizing bad behavior abdicating responsibility and keeping the whole world at arm's length All these issues are brilliantly interwoven with a behind the scenes look at the music industry particularly the evolution of rap Los Angeles Times Book Review *Seduced* is at its most compelling when author Nelson George delves into the differences between life in the projects and the middle class heaven of St Albans and how it evolved over thirty years George's style is well seductive luring the reader into a world that takes in the range of black experience funneled through the music industry St Petersburg Times *Seduced* shows Nelson George at the top of his game doing what he does best zinging the black music biz The road chapters alone have enough shrill wit stabbing satire and tight accuracy to parallel the life of anyone who's ever been out there during the Reagan stressed 80s Houston Chronicle In *Seduced* Nelson keeps it real This is a sex story a New York story and a music biz story rolled into one starring a humble beautifully average middle class dreamer who's not unlike a male version of a Terry McMillan heroine Tour
